DR. S. P. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA,

The Great Blood Renovator.

M. W. Skinner,

AGENT FOR P. E. ISLAND, MEDICAL WAREHOUSE, QUEEN ST.

THIS EXTRACT IS PUT UP IN QUART BOTTLES; IT IS SIX TIMES CHEAPER, PLEASANTER, AND WARRANTED SUPERIOR TO ANY SOLD. IT CURES WITHOUT VOMITING, PURGING, SICKENING OR DEBILITATING THE PATIENT.

The great beauty of the superiority of this sarsaparilla over all other Medicines is that while it eradicates the Disease, it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known. It not only Purifies the Whole System and Strengthens the Person, but CREATES NEW, PURE AND RICH BLOOD! a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last three years more than 150,000 cures of severe cases of Diseases; at least 20,000 were considered incurable. It has saved the lives of more than 15,000 Children during the three past seasons.

To the Public.

THE public are hereby notified, that the preparation extensively known as DR. S. P. TOWNSEND'S COMPOUND EXTRACT OF SANSAPARILLA, is now manufactured under my direction and supervision, from the original recipe obtained from Dr. S. P. TOWNSEND; and I certify that it is composed of ingredients PURELY VEGEtable and WITHOUT MERCURY—and also that the ingredients are judiciously compounded, so as to obtain from them their greatest medical effect.

JAMES R. CHULTON, M. D., Chemist.

Justice to All.

The gross and malignant FALSEHOODS that have been put in circulation to DECEIVE the Public declaring that I have "Abandoned the Field," that "old" Jacob Townsend is my father; that the RECEIPT by which my Extract of Sarsaparilla is prepared was obtained from him; that we are in partnership; with numerous other SLANDERS of like import, induce me to make the following AFFIDAVIT, sworn to before the MAYOR of the CITY OF NEW YORK.

I, SAMUEL P. TOWNSEND, of the City of New York, do make affidavit that

"I am no relative of old Jacob Townsend—am not, nor have I ever been, in any way connected with him in business. I have known him only as a Street Pedlar of Maps and Cheap Publications, until about two years since, when he was hired by some unprincipled men to lead the fraudulent use of his name to confuse and distract the public mind, that they might pirate the property which I possessed in the Reputation of Townsend's Sarsaparilla, which had cost me thousands and tens of thousands of dollars.

"In a suit which I brought against this Jacob Townsend and Thompson, Skilman & Co., the firm by which he was employed, the so styled old Doctor recently made affidavit that he had no interest whatever in the Sarsaparilla to which his name is affixed, and asks the court to let him off on that ground.

"Furthermore, I am the sole author and discoverer and the original proprietor of the medicine known as 'Dr Townsend's Sarsaparilla.' I have never offered old Jacob Townsend a penny for his recipe, but was engaged in manufacturing the Compound Extract of Sarsaparilla for nearly eight years before he or any one else, taking advantage of the great popularity of this medicine, undertook to counterfeit either the article or the name."

S. P. TOWNSEND.

Sworn to this 16th day of

April, 1850, before me. C. S. WOODHULL, Mayor of the City of New York.
