MARKETS.—The attendance at the market to-day was not large, but nevertheless business was pretty brisk in the forenoon. The prices in general were high owing to the scarcity of articles. Hay was in small supply at 55 to 60 cents per 100 lbs. Straw sold at $1.75 to $2 25 per lump load. Oats were scarcely moving at all at 33 cents a bushel. Inside, eggs sold well at 12 to 13 cents per dozen. Butter was scarce at 24 to 25 cents per lb. for fresh and 24 cents per lb. for tub. Fowls were very scarce at 55 to 60 cents per pair.

OYSTER AREA.—The Summerside Journal says: On Monday Mr. John Ball, D. L. S., Charlottetown, showed us a very handsome map of Summerside Harbor, prepared by himself from actual surveys. This map shows the oyster area of the harbor, the survey of which he has just completed. The oyster area is comprised within the following boundaries: A straight line from the Railway wharf to the Island Park, thence across to the Bedeque shore, along the shore to Hurd's Point wharf, thence to Oyster Point, following the shore to the first named wharf. This is a large area, and if properly planted and protected, should in a few years become a very valuable fishing ground.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

A Halifax Sensation.

HALIFAX, March 18.

A genuine sensation was created on Barrington Street last evening. Cries of murder in a young female voice were heard, and the street being filled with people, a great crowd collected in an exceedingly short time. The cries issued from a building formerly known as the Mansion House. A man climbed to the balcony, smashed the windows, and alleges that he witnessed a case of attempted indecent assault. The crowd in the street saw a young man and a girl at the window, evidently in a struggle. The hall door leading up the stairs being locked it was broken open The young man was arrested and taken to the police station and the girl was also taken there. A warrant was taken out against the young man and he was sent to the county jail—bail being refused. The accused is John D. Dewolf, a well known young man who represents several Canadian business houses and is a lieutenant in the Halifax Garrison Artillery.

ZION CHURCH S. S. Entertainment on Tuesday, 22nd inst., promises to be the best of the season. Tickets are now being sold at 15 and 10 cents. See advertisement tomorrow.

—The farmers in County Tyrone, Ireland, have sustained severe losses through the heavy snow storms that have prevailed there. Thousands of sheep have perished in the mountains.

— Montreal Gazette: The Toronto Globe, which used to predict the deluge after Sir John Macdonald's death, now tells its friends that the cause which they represent is a just cause, and the policy they preach is based upon common sense and sound economy. To victory they must come at last, "and a change of Government in Britain, which may now be regarded as certain, will do much to "hasten the happy consummation."

Hope springs eternal in the Liberal breast,
Grits never are, but always to be, blest.

The spectacle of a Cavendish and a nephew of the Duke of Devonshire being fined by a magistrate for using improper language in public is calculated to inspire the average sprig of British nobility with increased and wholesome respect for his country's laws.
