## CHINESE REDS FAIL TO RECAPTURE STRATEGIC RIDGE

### U. S. Picks Billion Dollar Atomic Plant Site

#### Will Speed Atomic-Bomb Fuel Output

WASHINGTON, Aug. 12—(AP)—A sparsely-settled area in southern Ohio was picked today as the site for a new \$1,200,000,000 plant to speed output of atomic-bomb fuel. The Atomic Energy Commission announced the selection. The fact that the new installation would be built, and that it would go to the general Ohio River Valley area, had been known for months. The plant is an important unit of the \$3,000,000,000 atomic expansion program for which Congress appropriated money at the last session. With the other units of that expansion program, it will bring the United States' plant investment in atomic facilities to more than \$6,000,000,000 for construction alone. It will turn out U-235, the fissionable isotope of uranium, separating that material from ore of ordinary uranium by the same gaseous process.

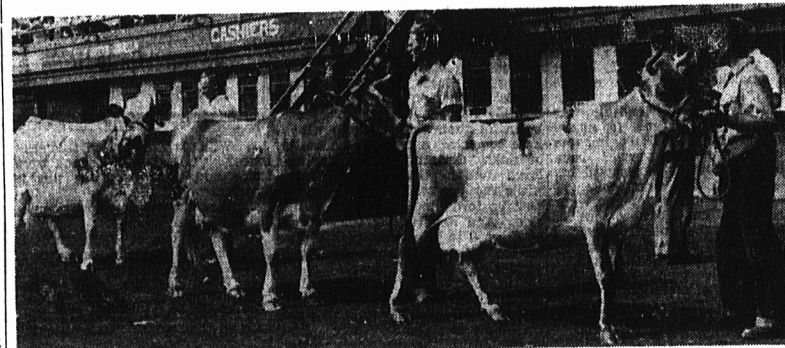

#### Coming Events

- \*\*Combine services, Howard Coles, Milton.
- \*\*Reserve August 13th for annual picnic at St. Anthony's, Bloomfield.
- \*\*Reserve Tuesday, July 26th, for Lot 8 Mission Picnic at West Point.
- \*\*Dance Morell Hall tonight, Burns Orchestra.
- \*\*Our store will be closed Wednesday and Thursday this week. R. L. Dickeson.
- \*\*Reserve Wednesday, Aug. 27th, opening of St. Ignatius School, chicken supper.
- \*\*Weekly dance in Rustico Cross school, Oyster Bed Bridge cancelled this week.
- \*\*Sandy's Drive-In Theatre, shows Tuesdays, Wednesdays and Fridays at 9 P. M.
- \*\*Dance, St. Charles Hall, every Thursday, 9:30 to 1. Chaisson's Orchestra.
- \*\*Try our Purina Finance plan for feeding your hogs and poultry. Dillon & Spillet.
- \*\*Lecture and Slides on Mexico by Edwin Johnstone, Eldon Hall, Saturday, August 16th, at 8:30.
- \*\*Come to the chicken supper in Kinkora Hall, Thursday, August 21st.
- \*\*Ice Cream Festival and Dance, Cherry Hill School, Monday, August 18th.
- \*\*Owing to Old Home Week, there will be no dance at Winslow Station Hall this week.
- \*\*Reserve Wednesday, August 27th for the opening of the new St. Ignatius School, Mayfield.
- \*\*Benefit Dance, Owen McKenna's, Vernon, Thursday, August 14th, in aid of fire victims.
- \*\*Dance in Souris Line Road South School, Friday, August 15th. Good music.
- \*\*Show in Morell Hall on Tuesday, Friday and Saturday only at 8:30 P. M.
- \*\*In stock, new improved livestock Fly Spray and Green Sheaf Binder Twine. Dillon & Spillet.
- \*\*Dance in Sinnott Road School, Friday, August 15th. Burke's Orchestra.
- \*\*The regular weekly dance in Stella Maris Hall, North Rustico, will be cancelled for this week only.

- \*\*Weekly Thursday night Dance at McStewart Canadian Legion Hall, Mackenzie Orchestra. Canteen service. Admission 50 cents.
- \*\*Ham Supper, also Ice Cream served following Field Day programme at Hugh J. McDonald's farm, Monticello, Tuesday, August 19th.
- \*\*Will be loading hogs at the following points each Thursday, Summerside until 1:30 p.m. and Kensington until 3:00 p.m. MacEwen and Casella.

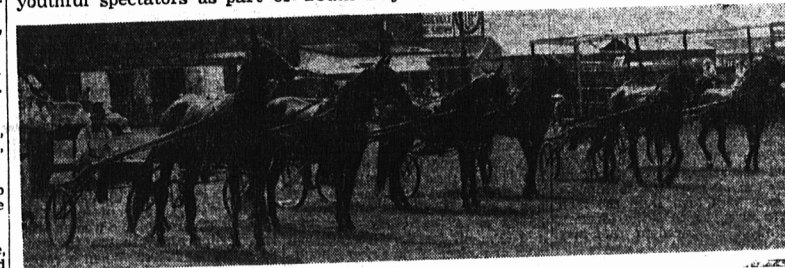

#### Scenes Yesterday At The Exhibition

**AYRSHIRES IN THE SHOW RING**—At the extreme right is yesterday's Ayrshire Grand and Senior Champion, Glengarry Bit of Fashion owned by Col. F. I. Andrew of Charlottetown. The bull in the centre is Fairvue Fashion Clansman, the grand and senior reserve. This sire is owned by John Gillis of Forest Hill.

**YOUTH DAY DEMONSTRATION**—Various breeds of cattle are paraded before youthful spectators as part of Youth Day show at Exhibition yesterday.

**TROTGING HORSES**, make colorful show parading for judging.—Barter's Film Lab.

#### Censorship In Egypt Lifted

CAIRO, Aug. 12—(CP)—Chief Censor Anwar Habib said today Premier Aly Maher, head of the new reform government, has issued a military order lifting all censorship in Egypt. The order applies to newspapers, magazines and other publications, and also to incoming and outgoing cable and wireless messages and telephone calls. The government announced Saturday that censorship had been removed, but no direct order was issued. Meantime, Habib sought to have it retained, pointing out that Egypt and Israel are technically still at war over Palestine.

#### Polio Outbreak Spreading In N. B.

FREDERICTON, Aug. 12—(CP)—The polio count in New Brunswick has climbed to 48 tonight. The outbreak, pointing out that Egypt and Israel are technically still at war over Palestine. Provincial health officials say there is no cause for alarm. During the war, the number of cases in the province one year passed the 500 mark.

#### Says North American Air Defence Practicable

CAMP PETAWAWA, Ont., Aug. 12—(CP)—Air defence of North America has been proved practicable, Defence Minister Claxton said today. He made the statement in unveiling a cairn as a memorial to Canada's first military flights 43 years ago and he called those 1909 events "the beginning of something that has become enormously significant and distinctive in our national life." While R. C. A. F. jet fighters flew overhead, Mr. Claxton paid tribute to the men and planes which combined to make those flights at this military camp. One of the two men, Lieutenant-Governor J. A. D. McCurdy, was present. The other, F. W. (Casey) Baldwin, is dead. Mr. Claxton said the R. C. A. F. has to a large extent been assigned the job of defending Canada

#### Successful Youth Day Rally Held Yesterday

A highly successful Youth Day was staged at the Exhibition Grounds yesterday in connection with the Old Home Week celebrations. It was estimated that over 3,000 school children from all parts of the Provinces were present and Mr. H. J. Kennedy, manager of the Exhibition, stated last night that the idea will be continued in future years and the program will be expanded. The school children, the majority of them from rural areas, had a literal field day as they watched the experts judging the livestock and saw what were considered the more desirable features in each type under consideration. They also had an opportunity of hearing many top agriculturists in brief talks explaining the reasons. The program started early in the morning with the talks being given by the youngsters in front of the grandstand. Later in the morning they saw films on farm life and watched various demonstrations in the arts of weaving, pottery making, silos, nutrition and forestry. For the latter the Department of Industry and Natural Resources has an excellent miniature layout demonstrating ground contours, the cutting of trees, effects of flowing

#### \$250,000 For Changing Name

KINGSTON, Ont., Aug. 12—(CP)—A home and \$250,000 awaits Lt.-Col. Edward Murray Dalziel McNaughton on condition that he changes his last name "legally and publicly" to Leslie. Lt.-Col. McNaughton, serving with the Canadian forces in Korea, is the son of Gen. A. G. L. McNaughton, chairman of the Canadian section of the International Civil Commission. The unusual request is the main provision in the will of the late Mrs. James Norman Stuart Leslie who died here May 19. Her husband, Col. Leslie, predeceased her by a year ago. He was a former officer commanding the Royal Canadian Artillery. Lt.-Col. McNaughton was named in the will as Mrs. Leslie's nephew. The will says that if Lt.-Col. McNaughton, who is unmarried, refuses to change his last name, children of any future marriage are to be given a similar opportunity. If he accepts the conditions he will receive the income from a trust fund and have the privilege of living in the Leslie house here. His acceptance would mean that Leslie would be his "absolute and only" surname. After 20 years, if there is no one legally entitled to the fund under the conditions regarding the name, it is to be divided between four residuary legatees, two of whom are Lt.-Col. McNaughton's sisters.

#### Drought May Cut N.B. Potato Crop

WOODSTOCK, N. B., Aug. 12—(CP)—Drought this year may cut New Brunswick's potato crop. A survey of dealers and growers in Central New Brunswick's potato belt produced forecasts of a drop of 10 to 25 per cent in yields. Other crops affected include berries, apples and grain, with producers stating that rain now, after almost uninterrupted heat during the past month, would help some, but not repair all the damage.

#### Child Dies From Accident At Home In New Dominion

Nancy Irene Lowther, fifteen months old child of Mr. and Mrs. Thomas Lowther, died yesterday forenoon as a result of an accident which occurred at the home of her parents at New Dominion. While her father and Alex McIsaac of Fairview were working on the latter car, the child who was playing in the yard was believed to have returned to the house. However as the car was apparently playing in front of the vehicle and was crushed. Death followed almost immediately. Coroner Dr. L. E. Prowse went to the scene of the accident and with the jury which he empaneled afterwards viewed the remains. The jury, which was instructed to hold an inquest at City Hall at 4 p. m. Monday, comprises Messrs. Wm. Earle Reardon (foreman) Howard Hobbs, Derrill MacKenzie, Leith Jay, Wilfrid McAlister, Harold Smith and Johnnie Williams.

#### See Higher Prices For Vegetables

HALIFAX, Aug. 12—(CP)—An official of the Nova Scotia Agriculture Department said today that the widespread drought in New England and a lesser dry spell in the Maritimes will probably reflect in high prices for table vegetables later this year. R. J. MacSweeney, director of marketing, said the early potato crop in Nova Scotia was cut about 50 per cent due to the hot, dry weather in late July and early August. He said the cut in New England crops would probably reflect generally in the eastern part of Canada.

#### Canada Short 5,000 Teachers This Year

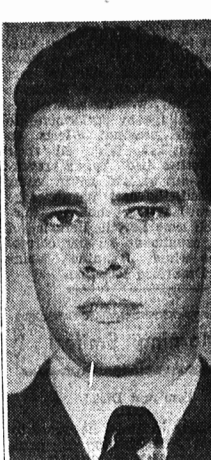

WINNIPEG, Aug. 12—(CP)—Canadian schools will be short about 5,000 qualified teachers in 1952-53, George G. Crookery of Ottawa, secretary-treasurer of the Canadian Teachers' Federation, said today. In his annual report to the 31st conference of the federation, Mr. Crookery said a country-wide survey showed 6,500 teachers left the profession this summer. In addition 3,000 teachers were needed to "take care of an estimated increase in enrolment of 93,100 pupils." He said teacher training schools will turn out about 4,800 graduates. The number in training in 1951-52 was "almost 20 per cent lower than in 1950-51." "Preliminary surveys do not indicate there will be any substantial increase in 1952-53," Mr. Crookery said. "The general salary levels of the profession still are too low to enable teaching to compete successfully in the open market with other professions."

#### Models Protest Russian Furs

NEW YORK, Aug. 12—(AP)—Bare-legged models—wearing fur jackets and little else—staged a sidewalk protest against Russian fur imports today. Police broke up the affair and told the 13 girls to go home and put on more clothes if they wanted to parade in public. The girls, wearing swim suits or shorts topped by fur jackets, formed a picket line outside the British-American Fur Corporation. Spokesman for the sponsors, the American Breadwinners Society, said the protest was against shipment of \$1,000,000 worth of Russian furs (persian lambskins) into the United States from Canada.

#### Keen Competition Yesterday In Ayrshire & Jersey Classes

#### Two Air Force Officers From Quebec Missing

F. O. Donald G. Laxson

The dairy part of the Provincial Exhibition cattle show got underway here yesterday morning with the red and white Ayrshires and the pale golden Jerseys in the spotlight as they paraded to, from and around the show ring in one of the finest dairy cattle exhibitions witnessed here for some time. With more than 100 entries in each breed judges Arthur McKee of Dunhead Farm, Richmond Hill, Ontario, who placed the Jerseys, and Gilbert MacMillan of Huntingdon, Quebec who handled the Ayrshires had a busy day as they worked steadily from eight in the morning until six at night. Competition was keen in both breeds with veteran showmen and newcomers alike taking their share of the ribbons. Col. F. I. Andrew's Glengarry Bit of Fashion again won the grand and senior male championships in the Ayrshire classes. Veteran cattlemen were loud in their praise of Glengarry's showing as it is not too often that a 13-year old sire appears at an Exhibition let alone win grand championship. The reserve grand and senior ribbons in the male competition were won by Fairview Fashion Clansman, owned by John W. Gillis of St. Peter's Bay. Mr. Gillis showed only three animals at the Fair. Almon Wood's, East River Sea Breeze took the junior male championship and the reserve junior Two Quebec officers were aboard a Harvard aircraft which has been missing from the R. C. A. F. base at Summerside since Monday, the Air Force said yesterday. The two, only occupants of the craft, were identified as F. O. Donald G. Laxson of Asbestos, Que., and P. O. Joseph B. C. Labonte of Pointe Rouge, Que. Laxson was pilot and Labonte a passenger. An intensive search was carried out yesterday despite unfavorable weather without finding a trace of the single-engine plane. The Harvard took off Monday afternoon on a local training flight—one which normally would not take it more than 35 miles from base—and failed to return. The Air Force said the pilot had intended to perform aerobatics and forced landing exercises. Yesterday 13 aircraft from the Summerside station searched a total of 74 hours and covered approximately 15,000 miles without results. Search authorities said they had received many leads and thoroughly but with no results. Eight Dakota aircraft will take off at dawn today to continue the search until all probable areas where the aircraft would have gone down have been covered.

The largest swine show for the past several years and possibly the largest in the history of the Provincial Exhibition was held yesterday with the well filled classes featuring some of the keenest competition seen here for some time. Championship honors in the male classes were won by Col. F. I. Andrew of Charlottetown and Almon Boswell of Marshfield. Col. Andrew won the grand and senior championship with his boar Duke 126C while Mr. Boswell won the junior championship with Woodstock Duke 59E. Mr. Boswell also bred the grand champion. In the female competitions Andrew Bain of French River won the grand and senior championship with a sow bred by Roland

#### Swine Show One Of Largest In P. E. I. Exhibition History

Payner, John R. Thompson, Charlottetown R.R. 3 won the junior championship. First Placings Competition throughout most of the classes was quite keen with the honors being well split up as Judge Preston Hooker of Ormskirk, Quebec, placed the classes. Almon Boswell of Marshfield and Sterling Willis of North River had the greatest number of first placings with three. Mr. Boswell had a first in the male and another in the females as his junior herd was the best at the show. Mr. Willis won two firsts in the groups. His senior herd was tops at the show as was his progeny of dam with the dam qualifying in Advanced Registry. He also won a first in the male classes. Other first place exhibitors in the male classes were Col. F. I. Andrew with his grand champion; William Found, Long River; J. E. Gorman, Kensington; and Frank MacInnis, Cherry Valley. Female Classes First place honors in the female (Continued on Page 13 Col. 4)

#### Honors Split Between Top Hereford Breeders

Quality was the keynote of the Hereford Cattle Show held at the Provincial Exhibition yesterday as the Sanderson Brothers and Bob Borden of North River, along with L. J. Buel and Son of Murray River, gave followers of beef cattle a first-rate show. Judge Glen Reichold of Jarvis, Ontario, who judged the Herefords at the Amherst Winter Fair last year when the Miller Sanderson herd won top honors, was very pleased with yesterday's showing. The junior male champion, Elatonette's Ruling Star, owned by the Sanderson and Borden stable, was outstanding in his opinion. Top honors in yesterday's show were split between the Miller San-

#### Will Seek Canadian Boat For Wood Islands Service

Failing to obtain Federal permission to build a new boat for the Wood Islands-Caribou service, Mr. Mutch did not make any recommendation on this point, but left it to the directors' decision. The Government has also prohibited the bringing into Canada of American boats, but Mr. W.N. MacDonald was of the opinion that this regulation may now be relaxed. In any case the management was instructed to investigate every source of supply, and to endeavor first to locate a Canadian boat which might be suitable. Mr. MacDonald suggested that some of the Great Lake boats may be available in the near future, in view of the St. Lawrence waterway project. Satisfactory Year The company reported a satisfactory year from every standpoint except for the impossibility of carrying all the traffic offering during (Continued on Page 13 Col. 2)

HALIFAX, Aug. 12—(CP)—Official forecasts issued by the Dominion Public Weather Office in Halifax valid until midnight Wednesday. Synopsis: There were widely scattered showers over the New England States tonight. These showers are expected to spread to the Maritime provinces. The weather will remain mainly fine over Eastern Quebec. Regional forecasts: Prince Edward Island: Cloudy. A few showers. Cooler. Light winds. Low early Wednesday morning and high in the afternoon at Charlottetown 60 and 75. High tide at Charlottetown at 3:38 A.M. and 6:09 P.M. High tide on the North Shore at 12:15 P.M. and 11:26 P.M. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 5:13 A.M. and sets at 7:23 P.M.
