Gay Christmas For Patients Is Objective Of Island MHA

"Put a gift for a mental patient on your Christmas shopping list" is the appeal of the Island White Cross Gift committee of the Canadian Mental Health Association's Island division this year, as the recently organized Island division makes a plea for gifts for patients at Riverside Hospital.

Making an all-out drive to help mental patients have a gay and festive Christmas, the Island branch of the association has placed White Cross Gift bins in stores in several Island centres for the convenience of those who wish to donate.

CMHA found many mental patients never received gifts from "outside" at Christmas. Their only remembrance came from money subscribed by kindly hospital attendants.

This is the first such drive organized on Prince Edward Island. Its sponsor the P.E.I. division of the Canadian Mental Health Association is itself a new organization here, having been organized only this fall.

Arthur H. Peake is president of the association.

CASH DISCOURAGED
The association discourages

cash donations as gifts. "It is the act of a well, unrelated person, going to the personal effort of shopping and delivering the gift for a sick person that gives mental hospital patients the will to recover," says the drive's chairman Dr. Maloney.

The whole motive of this drive, Dr. Maloney points out, is to show the sick human being that someone who is well cares about him and wants him to recover.

Dr. Maloney expressed the hope that the response will be great. The association's aim is at least one gift for each of the hospital's patients.

Hunter River Man Is Elected As PC Ass'n Vice-President

OTTAWA (Special) — Reagh Bagnell of Hunter River, Wednesday was elected Prince Edward Island vice-president of the Progressive Conservative Association of Canada.

Also named as the two provincial directors from the Island were Mrs. Donald Lidstone, Summerside, and Claude Delaney, Albany.

Under the revamped constitution of the Conservative party, designed to give rank and file workers a greater chance to make their voices heard, the association's organization was expanded to increase provincial representation on the national executive.

Bagnell was elected unanimously by the 1,000-strong delegation after he had been proposed by the convention nominations committee.

His post will involve twice-yearly meetings in Ottawa with greater responsibility for forming policies of the Conservative as-

sociation, guiding arm of the party.

There are 10 provincial vice-presidents, as well as two directors from each province a national president and an English and French vice-president at large.
