CURRENCIES

MONTREAL (CP)—The U.S. dollar in terms of Canadian funds was unchanged at $1.07 7-16. Pound sterling was down ⅛ at $3.01⅛.

NEW YORK

NEW YORK (AP)—The stock market edged off its record high a bit Friday as trading slackened.

Volume was 7,320,000 shares compared with 8,390,000 Thursday.

Alcon, the biggest aluminum producer announced early in the day that it was going along with some other companies in raising the price of aluminum. Later in the session Aluminium Ltd. and Howe Sound also announced price increases.

The aluminum stocks advanced on the news and the market was slightly higher at the time. But this further hint of inflation did nothing to inspire the rest of the stock list. The pace of early trading was heavy but it fell off considerably as the session wore on.

The Dow Jones industrial average took a net loss of 2.39 at 959.46.

The Associated Press average of 60 stocks was off .2 at 355.6 with industrials down 1.0 rails up .3 to a new high for the year and utilities off .2.

GM SOLD EX-DIVIDEND

General Motors selling ex-dividend $2.25, was weak in early trading, sinking as low as 105; but it recovered partially to close at 106¼, a net loss of ¼.

The broad 500-stock Standard and Poor's index declined .09 to 92.37.

Among Canadians International Nickel gained ⅝, Aluminium Ltd. was up ½ and Walker Gooderham was up ⅛. Hudson Bay Mining dropped a point. Canadian Pacific and McIntyre Porcupine each were down ¾ and Distillers Seagrams was down ⅛.

The trend was irregularly higher on the American Stock Exchange. Jupiter Corp. was up ¼. In mines, Preston added ⅛ but Canadian Javelin was down ⅛ and Molybdenite dropped 1-16.
