Bristol and Vicinity

A crew of men arrived here early Tuesday morning April 30th with a heavy bulldozer and another machine and started work on the broken sluice at the old Jordan Pond that has been dry since last winter when the sluice went out and hundreds of trout went racing down the stream. The job was completed on Saturday and the water quickly raised in the mighty old pond. Sunday May 3rd scores of people gathered at the pond as though they had never seen it before. This old pond empties into the St. Peter's Lake and that in turn to the open sea, so trout from any place in the open sea can come right up into the pond for good feeding and good fishing as well.

Mrs. Bill Connolly and daughter, were business visitors to the City on Tuesday May 5th. Mrs. Connolly's daughter June will graduate from the Charlottetown Hospital school of nursing later this month.

Mrs. Charles Eldershaw will leave here May 24th for Montreal by car from where she will after a short stay, go on to Toronto, to visit her daughter Lois and son-in-law, Mr. and Mrs. Owen Sinnott, for a week.

The serious illness of the general bank manager here, Mr. Gordon Bonnell, is much regretted. Mr. Bonnell had suffered an attack of the flu and returned to work apparently too soon, and was taken very ill again. He was removed by ambulance to the P. E. Island Hospital on Monday May 4th where all hope he will have a speedy recovery and back to his desk in the bank.

Mr. Joe MacDonald is having the forms put in at present for a foundation that will enlarge his

barn. The extension will be to the end of the barn and he expects to have it ready in the early summer.

Mr. J. B. Jay has resigned from the community hall management committee owing to other work and his presence will be sorely missed as a hard worker where he has served since the hall was first a dream. Owing to Mrs. Jay not enjoying her good health the full load of the busy post office falls on his shoulders.

Mr. Gerry McAdam manager of the McAdam transfer has his big trucks in readiness for the Boston run with live lobsters. It is understood Mr. Giles Jay, a former driver for the vans, will be in charge this season.

The condition of Mr. John T. O'Brien, who is a patient in the Charlottetown Hospital, was reported as a little better on May 4th. Also the condition of Mr. M. F. Donovan, in the same hospital, is reported as serious.

Mr. John Aylward, who purchased the old James A. O'Brien property some time ago, has cut down a lot of the old trees along the road and moved the fence out to take in a section of the old road for the spring cropping in general. This old property that was going down fast is again starting to look up with other farms along the highway.

Mr. Joe McInnis, retired C.N.R. section foreman, is remodeling a building on his daughter's property at present, and when completed he will have a nice house for himself and his wife as most of the family are on their own now. Hail and hearty, Mr. McInnis has kept busy since he retired some years ago.

Dougherty-Clair Wedding

Lovely pink carnations made the setting for a very pretty wedding solemnized at Holy Rosary Church, St. Stephen, N. B. on Saturday, April 18th, when May Clair, daughter of Mr. and Mrs. John Clair Montague, P. E. I., was united in marriage to Norman Francis Dougherty, son of Mr. and Mrs. Clifford Dougherty, Milltown, N. B.

Rev. J. W. Coughlan performed the double ring ceremony and celebrated the Nuptial Mass. Mrs. Norman Babcock was her sister's only attendant. Norman Babcock supported the groom.

The ushers were Malcolm Clair, brother of the bride and Norman Dougherty, uncle of the groom. Mr. Redmond Higgins, guest soloist, sang appropriate hymns. Mrs. E. McLaughlin, church organist, played the traditional wedding march and accompanied the soloist.

The bride, given in marriage by her father, wore a light blue ensemble with navy blue accessories and a corsage of red roses. The bridesmaid wore a light brown suit with matching accessories and a corsage of pink carnations.

Following the ceremony, breakfast was served in St. Timothy's Hall to the immediate families and friends.

The bride's table was covered with linen cloth with bouquets of yellow carnations. The hall was beautifully and fittingly decorated for the occasion. The traditional three-tier wedding cake, topped by a miniature bride and groom, also adorned the table.

Rev. J. W. Coughlan proposed the toast to the bride to which the groom responded. Miss Margaret Bell and Mrs. Evelyn Walker, girl friends of the bride, served the bride's table.

The young couple were the recipients of many lovely and useful gifts both at the wedding reception and the shower held previously at the home of Mrs. Jack Meihan.

The bride is on the staff of the Dominion Store, St. Stephen, while the groom is employed by Canadian Cottons.

They are residing in Milltown, N. B.

The final Men's Association meeting of the season took the form of a Father and Son banquet, and was held in St. David's Hall, on Monday, May 4th. The men, of all ages, enjoyed the delicious supper provided by the ladies.

Mr. Nichol of Dartmouth, N. S., showed an interesting film on the making of rope. Pamphlets on this subject and instructions in knot-tying were distributed among the listeners. Other films shown were one on electrical power generated from the great Niagara Falls; "A Man's Life" picturing a young man's training and life in the Navy; and "Stage Coach to the Stars", the story of the mail-carriers of Canada, from the days of the stage-coach to present-day air mail systems.

Donations were called for and received at this meeting for a payment on the new projector for the Georgetown Film Council, of which this Association is a member.

The meeting adjourned, and the sessions will discontinue until October, when the Association will no doubt resume with renewed enthusiasm and increased membership.
