Hold Reception For New Minister Of Baptist Church

A reception was held last evening in the new hall of the Summerside Baptist Church in honor of the new minister of the church, Rev. W. A. Harper and Mrs. Harper. Many favourable comments were heard from those present on the spacious new hall with its excellent facilities.

With Mr. and Mrs. Harper in the receiving line were the deacons of the church, Messrs. Reuben Large, W. A. Currie, Ernest Morrison, C. B. Jelly and Bruce Johnston. Also Mrs. Large and Mrs. Jelly.

As the guests entered they were introduced by Mrs. Colin Waugh. Present were Rev. George Ayers, Rev. K. G. Sullivan and His Worship Mayor Henry Wedge and Mrs. Wedge. Words of welcome to all present were voiced by Deacon Currie who carried out the duties of master of ceremonies.

A formal welcome to Rev. Mr. Harper and Mrs. Harper was given by Deacon Large, Rev. Mr. Sullivan spoke on behalf of the East Prince Ministerial Association and Mayor Wedge extended a welcome on behalf of the citizens.

A letter was read from the former pastor, Rev. E. J. Barrass, now retired, regretting his inability to be present. He bespoke for Mr. Harper the same fine support from the congregation which he had received. Mr. Harper replied on behalf of Mrs. Harper and himself and said that with the cooperation of all members of the Church he felt sure that their efforts would be successful.

Those present were entertained with selection by a quartet composed of Mr. and Mrs. J. Peach and Mr. and Mrs. Clarence Mercer. An interesting reading was given by Mrs. J. S. Perry. After the singing of "Blessed Be The Tie That Binds", refreshments were served.

Air Force Ass'n Wing Meets

The regular monthly meeting of the Summerside Wing of the Air Force Association was held last evening at the Olympia Restaurant with the president, Mr. G. M. Mulholland in the chair. Plans for holding the charter presentation meeting on next Wednesday were outlined. It is not known as yet who will make the presentation of the charter.

The meeting decided, after receiving a request from the Air Cadet Civilian Committee, to take over the sponsorship of the Summerside Air Cadet Squadron. Roy Johnston was appointed chairman of an air cadet committee to be composed of himself, Harry Waugh and Russ Phareau.

F. L. Murray Shanks, commanding officer of the Air Cadet Squadron was present and outlined the objects and principles of air cadet work and some of the responsibilities of a sponsoring committee. Arthur Rogers, chairman of the membership committee reported that membership has increased from 40 to 55.

New Pumper Given Three-Hour Test

The new pumper purchased for the Summerside Fire Department arrived in Town on Tuesday night and was given a three-hour test at the electric light plant pond yesterday afternoon. The purpose of this test was to prove its efficiency to the Board of Fire Underwriters. It is understood that further tests will be carried out in the next few days and instructions on its operation will be given to members of the Fire Department.

The truck was driven here from Hamilton, Ont., and in this connection it is interesting to note the mileage travelled by two of the oldest machines in the Department. The chemical truck is 21 years old and has 852 miles on the speedometer and the hook and ladder truck, 20 years of age, has 715 miles registered. Of course the motors have run more than that as they are kept operating while the equipment is at fires.

NATIONAL COUNCIL

Continued from page 1

The act of constitution amid the blare of trumpets and the lofty tones of an organ is one of the major Protestant movements since the Reformation. It capped 10 years of planning and manoeuvring by eight inter-denominational groups that dissolved into the big council.

But significant as was the colorful constituting act, the gravity of the international situation included everywhere on the assembly floor like a spectre at the Thanksgiving feast.

Bishop John S. Stamm of the Evangelical United Brethren Church set that keynote during the opening scripture reading and prayer.

"When I chose these scriptures," said the white-haired bishop, "I didn't know we would be

meeting at such an hour of great crisis for the United States and the United Nations.

Then he called particular attention to the last paragraph which said "God did not give us a spirit of fearfulness."

The prayer that followed asked divine guidance and blessing on United Nations and American leaders.

Around the convention floor, the name of Dr. Henry Knox Sherrill of New York, presiding Bishop of the Protestant Episcopal Church, is mentioned as certain to be the first president of the National Council. The vote will take place Friday morning.

The eight inter-denominational groups that dissolved into the National Council of Churches are: Federal Council of the Churches of Christ in America, Foreign Missions Conference of North America, Home Missions Council of North America, International Council of Religious Education, Missionary Education Movement, National Protestant Council on Higher Education, United Council of Church Women, United Stewardship Council.

TELLS CHINESE

units on U. N. forces an unprovoked aggressive act even more immoral than the first—the North Korean invasion of last June.

Acheson spoke from his State Department office. No "possible shred of doubt could have existed in the minds of the Chinese Communist authorities about the intentions" of the U. N. forces. He noted that assurances had been given by President Truman and that the U. S. Government sponsored the resolution in the U. N. Security Council pledging that the Manchurian frontier would be kept inviolate.

6-Point Plan

Acheson outlined a six-point "strategy of freedom" and asked all Americans to support it as a "national policy, not a party policy." He listed his six points as support of the U. N., development of

regional organizations along the lines of the North Atlantic pact, a rapid buildup of strength by the U. S. and its Allies, economic co-operation, readiness to negotiate, and a firm adherence to the fundamental principles of American society.

Acheson said that "our essential purpose is...to preserve our free institutions so that freedom and justice may survive and continue to flourish."

U. N. ASKED

Turkish and Philippine forces fighting in the U. N. army in Korea are vassals of the U. K.

Malik contended that Gen. MacArthur had committed atrocities "going way beyond Lidice," a reference to the Czechoslovak town wiped out by the Germans in retaliation for Czech resistance.

At the start of today's session Wu refused to come to the council table on invitation of council president Ales Belder of Yugoslavia. Wu sent word he wanted assurances the Council would discuss only Formosa and not Korea. But he took his place after Col. Ben C. Limb, Foreign Minister of the U. N.-backed Republic of Korea, attacked the Chinese Communists.

"I charge the Chinese Communists: regime with criminal, wilful, wanton, unprovoked aggression upon the Republic of Korea," Limb said. "Charge it with endangering the peace of the world."

After Malik spoke the council adjourned until tomorrow morning.
