MANY of the friends of the Rev. W. C. Wilson in Charlottetown, who visited the bazaar lately held in Halifax for the benefit of St. Matthias Mission, will be glad to hear that the bazaar was a great success, and that through its agency, about one-half of the present debt upon the building will be cleared off. We hear that Charlottetown sent over one of the best filled tables at the bazaar.

IN the Stipendiary Magistrate's Court this forenoon, William Carpenter was convicted of petty larceny and sentenced to twenty days imprisonment with hard labor. A vagrant woman, with a bright little child in her arms, was charged with lying out at nights without protection; but several charitable ladies having volunteered to look after her the charge was withdrawn. A man charged with deserting from the steamer St. Lawrence, was discharged on the plea of sickness.

WE have learned that a copy of the beautiful verses, "In Memoriam of Prince Leopold," first published in THE EXAMINER of March 31st, having been presented to the Duchess of Albany, the authoress, Mrs. A. D. MacLeod, has received a letter from Her Royal Highness, dated "Claremont, June 4th," thanking her for the same, which she "willingly accepts as a tribute of regard for her beloved husband." Prince George, during his late visit, sent a special messenger with letter of thanks to the same lady for her verses entitled "Our Queen." This recognition by Royalty must be acceptable to the many friends of Mr. and Mrs. MacLeod, and especially gratifying to the latter, who is but slowly recovering from serious illness.

BREMNER & HART'S FAILURE.—A meeting of the creditors of Bremner & Hart was held Wednesday. Mr. Bremner made a statement of the affairs of the firm, and said that the present trouble was caused by heavy losses on sugar, molasses and fish. No detailed list of creditors was presented, but the following information was elicited:—

Gross liabilities	$142,000
Gross assets	59,700

The assets included stock and cash on hand, vessels and cargoes *en route* to the West Indies. It was announced that the private estates of both partners had been placed among the firm's assets, Mr. Bremner stating that he had handed over every dollar he owned. The purely business affairs of the firm were as follows:—

Net liabilities	$142,000
Net assets	32,000

The liabilities comprise:—

Notes	$98,000
Current accounts	5,000
Bank of Nova Scotia	49,000

On the $49,000 liability to the Bank of Nova Scotia, the bank has security for $23,5000 leaving the net liability to that institution $16,500. The indirect liabilities were not stated. During the discussion Mr. Bremner incidentally stated that at the beginning of 1883 the books showed a credit to Bremner of $12,000 and a debit of $6,000 to Hart on the profits of the firm, independent of their private estates. Mr. Hart owns a coal mine at Cariboo Cove, Strait of Canso, which is not included in the assets, but which he hopes to realize on for the benefit of the firm.

The Empress Eugenie is now busy on the book she had in mind, if only rarely in hand, since the death of the Prince Imperial, and arrangements are already being made for the publication of her "Memoirs," which will be produced simultaneously in England and France. The book is being "done" into English under the supervision of a lady of the highest rank, to whom the Empress is much attached.
