

From North Cape to East Point the Dial points to L. E. PROWSE, THE WONDERFUL CHEAP MAN,

and singles him out as the Beacon Light and Guiding Star of the Clothing Business of Prince Edward Island.

If the terrible cannonading we have given the POPULAR Clothing Stores have caused them to put on their war paint and come out in their true color, we fear them not. They are Windy, but HARMLESS. They neither have the courage nor brains to take the lead; but, Spaniel like, endeavor to follow and imitate. BUT VERILY THEY FAILETH.

WE MEAN BUSINESS!

The Charlottetown Board of Trade

The members of the Board of Trade should attend the Annual Meeting of that body to-night, at 8 o'clock, as matters of importance will be brought before the meeting. We advise all to go, and be punctual.

Local and Other Items.

EXTRAORDINARY.—The weather. No SKATING at the rink to-night. THE FOREIGN MAIL may be expected about eight o'clock this evening. READING ROOM.—The Y. M. C. A. Reading Room will be open this evening at 7 o'clock. INLAND REVENUE.—The total amount of inland revenue duties collected in Ottawa during the past year was \$244,631. PRAYER MEETING.—The Union Prayer Meeting will be held this evening in St. James' Church. Speaker: Rev. S. Weston-Jones. WARD THREE.—Mr. Thomas Z. Taylor requests us to state that he will be a candidate for the representation of the above ward at the forthcoming election. I. O. O. F.—The installation of the officers of Port la Joie encampment for the current year will take place at Oddfellows Hall this evening. The Patriarchal Degree will also be worked. BUSINESS RESUME.—There were seven new Scott Act summonses served last evening and this morning. Four are for first offences, two for second, and one for third. All are returnable on Friday next.

CIVIC ELECTION.

A meeting of the electors of Ward Five will be held in D. R. M. Hooper's shop, Euston St. this (Wednesday) evening, at 8 o'clock, for the purpose of nominating a candidate from the east end of the ward.

The weakness and debility which result from illness may be speedily overcome by the use of Ayer's Sarsaparilla. This is a safe but powerful tonic, assists digestion, regulates the liver and kidneys, and cleanses the blood of all germs of disease.

LITTLE DELIGHTS THEM.—There is great glee in the western part of Dakota over the discovery of a large lump of anthracite coal. It was tested and found to be of excellent quality. Hard coal was not known to exist in that region. The lump found was "on the surface," says the despatch. The man who took it there from the east and left it on the ground will probably turn up next.

A COURTIER ELECTION.—Governor Hill, in his message to the Legislature of New York State, says: "It is believed that the recent Presidential election was the most corrupt of any in the history of the country so far as the direct use of money was concerned in influencing the electors." And this astounding statement, made by a high official in an important document, does not create much sensation either.

SCOTT ACT STATISTICS.—During the year 1888 the sum of \$2,525.62 was collected for Scott Act fines in West Elgin, Ont. The cost of enforcing the Act was \$1,529.49, leaving a balance of \$996.16 in favor of the county. In East Elgin the sum of \$962 was collected in fines, while it cost \$399 to enforce the Act, leaving \$563 to the credit of the county—a total of \$1,028.16 for the whole county. From this amount must be deducted the magistrate's salary of \$800.

IMMIGRATION STATISTICS.—The total number of immigrants who arrived at Ottawa during the past year was 1,431. Of these 663 were English, 131 Irish, 129 Scotch, 154 Germans, 196 Scandinavians, 17 French and Belgians, 141 of other countries; 521 were farm and general laborers, 59 mechanics, 122 clerks, traders, etc., and 51 female servants; 153 settled in the Province of Quebec, 1,240 in Ontario, and eight went to Manitoba. The total amount of money brought into the country by immigrants arriving at Ottawa during the year was \$43,800.

Personal.

A man named Life has been appointed postmaster of a Virginia town. He will have nothing to do with dead letters. Lord Coleridge has been instrumental in raising a fund of \$49,000 for the widow and daughters of the late Matthew Arnold. Jenny Lind's monument, to be erected in London by her husband, has just been completed in Glasgow. It is in the form of a beautiful cross, about ten feet high, out from Swedish granite.

Some Changes Suggested.

Sir,—The Scott Prosecutor and the Sanitary Officer are two very expensive pieces of civic machinery, which, I think, could, and should, be dispensed with. The former gets a salary of \$40 a month, and the latter \$350 a year. The work alleged to be performed by Henderson might be done by the policeman, and that of the Sanitary Officer by Robert Vanlderstine. Whatever little the City may make out of the Sanitary Officer's work in the shape of fines, nothing at all is made out of Henderson's. True, he occasionally succeeds in obtaining a conviction; but where do the fines go? For the purposes of the Act? Not one cent goes for civic improvements! By making the police do all the Scott Act work, and paying their salaries from the proceeds thereof, the city would have the amount now paid them to appropriate for civic purposes. By dismissing "Commodore" McRae and appointing Vanlderstine in his stead (without increase of salary) the city would have \$350 additional for the same purpose. Electors should ask candidates how they stand on these questions before promising a vote.

HORSE FLESH

is healed by using the "Magic Healer" Salve, as the following testimonials will show:—

Mrs. Ross.—Madam, I have used your Magic Healer Salve for various wounds, such as burns, cuts and chapped hands, but the best test was for scratches on a horse, which effected a cure after two applications. I can cheerfully recommend it for general use, as being an excellent article. ALEXANDER DUFF, Mount Stewart, April, 1885.

Mrs. Ross.—Madam, Your "Magic Healer" Salve has been used in my house for chapped hands and common skin wounds, with every satisfaction. I have also tested it on horses, and can recommend it as a certain cure for scratches. I have much pleasure in adding my testimony to its merits. JOHN J. DAVIES, Rankin House, Ch'town, May, 1885.

Mrs. Ross.—Madam, I applied your "Magic Healer" Salve to a sore on my horse, and after three or four applications found it effected a perfect cure. I also gave a little to some of my neighbors to try it, and they report equal success in its use. I can, therefore, recommend it as an excellent remedy for horse flesh.
