

BEST CURVE

Yankees Impressed With Ace Dodger Left-Hander

NEW YORK (AP)—New York Yankees are impressed — and downright awed by Sandy Koufax.

"He has the best curve ball I have ever seen," said Tom Tresh, who accounted for both Yankee runs with his homer in the eighth of the opening World Series game won 5-2 by Los Angeles Dodgers.

"When you hit his fast ball, it seems hard. When you don't, it seems hard."

"I thought he pitched real well the whole game," said manager Ralph Houk.

"No, I didn't give my batters

any advice. I give them credit for knowing what to do. No, they don't make comments when they come back to the dugout after striking out. That's little league stuff. No, they didn't describe what Koufax was throwing. They didn't need to do it. You could see for yourself. No, he doesn't pitch like anyone in our league."

SANDY WAS SUPERB

In short, there was agreement that Koufax was superb.

There was one die-hard, Joe Peppone. Joe came up in the ninth with one out and Koufax needing one more strikeout to set a series record of 18.

"I looked out there and I just thought I don't want you breaking any record when I'm up here," said Joe. He got a single to right, but Koufax got his record by striking out Harry Bright to end the game.

Houk wouldn't even acknowledge that the Yankees had Koufax on the hook in the fifth when they loaded the bases on three hits.

"You don't get as good a pitcher as him on the hook that quick," said Houk. He then struck out Hector Lopez for the third out.

Houk said the defeat did not change his plans—Al Downing goes Thursday as expected.

"I looked out there and I just thought I don't want you breaking any record when I'm up here," said Joe. He got a single to right, but Koufax got his record by striking out Harry Bright to end the game.

could not account for what happened.

"In the first inning, I was pitching low," he said with a faint smile. "Then in the second I was pitching high."

"That's when Frank Howard doubled to centre and scored on Bill Skowron's single. Dick Tracewski followed with a sin-

gle and Roseboro whacked one into the right field stands.

Here's Sandy Koufax, southpaw Los Angeles Dodger hurler, in action against the New York Yankees in the first World Series game at Yankee Stadium. Koufax the National League strikeout king, established a world series strikeout record by whiffing 15 of the Yankees as the Dodgers took the first game, 5-2. (AP Wirephoto)

Sain Suffers Broken Jaw

NEW YORK (AP)—Johnny Sain, pitching coach of New York Yankees, suffered a possible broken jaw Tuesday night when he was struck in the face while attempting to break up a fight. He was taken to a hospital and likely will miss the World Series involving the Yankees and Los Angeles Dodgers.

Manager Ralph Houk did not name a substitute coach immediately. Sain also taken over as first base coach when Yogi Berra is in the playing lineup.

Reports said Sain tried to stop a fight that developed when he and friends from Arkansas were eating in a restaurant, were interrupted by strangers.

New Strikeout Record Set By Ace Dodger Mound Star

NEW YORK (AP) — Sandy Koufax conceded something that New York Yankees are particular — and the nation in general might never have suspected Wednesday afternoon.

"I felt a little weak," Koufax said after striking out a Series record of 15 for Los Angeles Dodgers in their 5-2 victory over the Yankees in the World Series opener.

"I just felt a little tired in general early in the game," Sandy said. "Then I felt a little weak in the middle of the game. Then I got some of my strength back, but I was a little weak again at the end."

Koufax said he was not aware when he struck out Bobby Richardson in the eighth inning that he had tied Carl Erskine's Series strikeout record.

decisive three-run homer for the Dodgers in the second, said he thought the drive might go particular — and the nation in general might never have suspected Wednesday afternoon.

"I felt a little weak," Koufax said after striking out a Series record of 15 for Los Angeles Dodgers in their 5-2 victory over the Yankees in the World Series opener.

"I just felt a little tired in general early in the game," Sandy said. "Then I felt a little weak in the middle of the game. Then I got some of my strength back, but I was a little weak again at the end."

Koufax said he was not aware when he struck out Bobby Richardson in the eighth inning that he had tied Carl Erskine's Series strikeout record.

SAW NOTE ON BOARD

"It wasn't till I was going out for the last inning," he said, "that I saw the note about the 15 strikeouts on the message board. I figured I'd like to get one more in the ninth, but I was a lot more concerned about ending the game."

Koufax broke the record by striking out the last man he faced, pinch-hitter Harry Bright with a fast ball on a 2-2 count.

Of Tom Tresh's two-run homer in the eighth, he said: "The ball Tresh hit was a good fast ball. Sandy mopped his brow, and smiled.

"Honestly, it was a good fast ball. I thought my fast ball was even better at the end of the game."

So did Harry Bright. John Roseboro, who hit a

...not the man who adds the enhancing wisdom of SHAW BRICK FACING to the house he's about to build or improve! Because, with this home beauty treatment goes so much more than meets the eye... a whole bevy of common-sense factors, like greater insulation against outside cold or heat—(each in its season, of course)—added fire-protection—sound absorption—and the ultimate in terms of upkeep, economy and the carefree mind of the owner.

All these, and appearance too? We give you our word for it! So, ask your building-supplies dealer to show you the remarkable range of SHAW BRICK, in so many glowing shades and a variety of textures—all, with the extra built-in advantages mentioned above. But, don't just ask for brick... be sure it's SHAW!

Fanningbrook Takes Game

Fanningbrook Aces captured the trophy of the section A, Southern Queens County League by defeating Vernon River C.Y.O. 7-6 in a 10-inning game Sunday.

The series opener went to Vernon River by a 4-0 score, but Fanningbrook evened up the series with a 11-9 victory over Vernon River.

Roger Coffin and Angus Rogerson hurled a terrific game for the winners. Francis Hughes started for the losers and was charged with the loss.

David MacDonald drove in the winning run in the tenth. J.P. Hendrickson and Angus Rogerson pulled a double each for the winners with two men on base each time.

J.P. Hendrickson scored 3 runs for the winners. M. Cronin led the losers by scoring 2 runs.

Fanningbrook now meets Tracadie in the finals Sunday.

CHARGES LAID

TORONTO (CP) — Metropolitan Toronto morality detectives have laid narcotics charges against six people since Saturday. Frank Benson, 33, George McClellan, 34, Helen Fischer, 31, Cecil Reid, 42, all of Toronto, and Alex Simpson, 40, of Windsor, Ont., have been charged with illegal possession of narcotics.

In size, in performance, in luxury, in value,

METEOR

makes it big for '64

To understand the difference between the '64 Meteor and all other cars in the low-price class—you must understand one thing. Meteor is a bigger car. It is bigger in size, bigger in performance, bigger in luxury and bigger in value. It is, in fact, the first car of medium-price size and stature ever to be sold in Canada as a really low-priced car.

well as up and down. This not only takes care of the shock you get from beneath the wheel—it also absorbs the shock you get from in front of the wheel from bumps and holes when you're travelling faster than 20 miles per hour.

big news for shoulders and hips

Meteor's extra size means lots of room and comfort inside. Shoulder and hip room, leg and knee room,

next best thing to air conditioning

Here's a big advantage that no other low-priced car offers—an optional rear window that goes up and down. Press a switch and you get Breezeway ventilation all year 'round. In winter that rear window stays clear of ice and snow because it slopes away from the weather. If

extra width means easier handling

The big '64 Meteor is a big 80 inches wide. This gives it more natural stability on the road—handling and cornering are much easier.

windows start to mist in cold weather, lower the rear window just a touch and your problem is solved.

big warranty for a big car

The purchase of a car is a major purchase—there's no question about it. So if you buy a '64 Meteor, you get a warranty from your dealer that covers the total car. This total-car warranty lasts for 24,000 miles or 24 months, whichever comes first—plenty long enough to prove the value and merit of any car.
