Notice Removal.

THE EXAMINER is now issued from its new office in the LONDON HOUSE, where we shall be pleased to see its patrons.

Local and Other Items.

TO-NIGHT.—The electric lamps on Queen Square will be lighted to-night.

MASONIC.—Don't forget the Masonic Picnic and Moonlight Excursion on Thursday next.

POLICE INSPECTION.—The regular monthly inspection of the police force was held this forenoon.

ATTENTION.—Every person should go to Mr. Reid's Codcert to-morrow night in Y. M. C. A. Hall.

TO THE PUBLIC.—Go to the Y. M. C. A. to-morrow evening and hear Mr. Reid sing the "British Lion."

SONS OF TEMPERANCE.—Meeting of Victoria Division this evening at 8 o'clock. Visiting brethren welcome.

EXCURSION.—The Moncton Brotherhood of Railway Brakemen intend having an excursion to Summerside to-morrow.

WINNIPEG STREETS.—Winnipeg has 72 miles of streets. Of these, four and a half miles have been paved with oak plank and tamarac blocks, at a cost of $293,000.

SOME SHEEP.—Mr. John Avard informs the *Agriculturist* that last season he shipped from the Island 4,400 sheep and lambs, and that already this season he has purchased 3,000.

COMPLIMENTARY.—At the conclusion of the morning service in St. James' Church yesterday, Rev. Dr. Armstrong, of Toronto, complimented the choir upon their excellent singing.

AN IMPORTANT DISCOVERY.—An American expert, who recently visited Lake St. John, claims to have discovered indications of the existence of coal oil at Point aux Trembles, and boring operations will be commenced there at an early date.

WHICH IS RIGHT?—Mr. Greenway has written a letter to the Winnipeg *Sun*, stating that his government has no knowledge of the alleged conspiracy unearthed by that paper. The *Sun* says Mr. Greenway himself supplied the information which it published.

POLICE COURT.—Richard Kennedy, drunk, $1 or 4 days; James Donovan, drunk, remanded; Mary Hennessey, drunk, $1 or 4 days; Sarah Stewart, drunk, admonished and discharged. Eighteen truckmen, summoned for non-payment of license, were also attended to.

JUBILEE MEETING.—A meeting of the Jubilee Committee will be held this (Monday) evening, the 20th inst., at 7.30 o'clock, in the City Council Chamber, to consider appropriating the surplus of the jubilee fund to a regatta. A full attendance requested.—A. H. MACPHERSON, Secretary.

EXCURSION AND TEA.—The Baptist Sunday School Excursion and Tea at Suffolk Station on Wednesday next promises to be one of the most successful of the season. A special train will leave Charlottetown for the grounds at 10.45 a. m., and will return at 6.45 p. m. Don't fail to attend.

CITY SCHOOLS.—The city schools re-open after the midsummer holidays on Monday next. Miss Mary Conroy has been appointed a teacher in Queen Square School *vice* Miss Theresa McKenna; and Miss Carrie Haslam a teacher in Prince Street School *vice* Miss Carrie A. Wade. Queen Square School is being repaired and repainted throughout.

RAILWAY PICNIC.—Between nine and ten hundred people attended the Railway Employes' Picnic at Cape Traverse on Saturday, and all were well pleased with the day's proceedings. The different games were closely contested, and the dancing booths, swings, etc., were well patronized. The Band of the 82nd Battalion furnished excellent music during the day.

CONCERT.—Our readers should not forget the concert to be given in Y. M. C. A. Hall to-morrow (Tuesday) evening, by Messrs. Chisholm, McLean and Reid, three graduates of the Halifax School for the Blind. All three are artists in their way. The programme is made up of solos, duets, trios, etc., and will be very enjoyable. All desirous of passing a pleasant evening should make a point of attending.

THE OSSIPEE.—The American man-of-war Ossipee was anchored off Souris yesterday. She is sent to look after the fishermen. Her captain and four of the officers called on Consular Agent Carlton. There are two other frigates on their way down to the Island, the Yantic and the Boston. The latter is a new steel vessel, and is said to be one of the finest American man-of-wars afloat. With these three on the coast it is hoped all American seiners will be kept right.

CORNER STONE LAID.—The corner stone of St. Bernard's new Roman Catholic church, Moncton, to cost in the vicinity of $5,000, was laid with appropriate ceremonies yesterday by Bishop Sweeney. When the place of worship was erected in 1872 there were but 12 families in the congregation, and it was not until 1882 that the church arrived at the dignity of a separate parish. Now there are 300 families and 1500 communicants, which is illustrative of the rapid growth of the town. The new church will be entirely of stone, and will seat 1200.

PROF. ZERA.—To-morrow night Prof Zera Semon commences his engagement at the Lyceum. Prof. Semon has connected himself with a company of artists, and their entertainments cannot be spoken of too highly. Sig. Giovanni's flock of performing canary birds are something wonderful, while Miss Adele Gilbert on the musical glasses gives some very choice selections. Zera has a number of new tricks, and his ventriloquism is as amusing as ever, while the Marionettes still continue to create roars of laughter. Prof. Semon will continue through the week with a matinee Saturday. The prices are 25 and 35 cents.

THE SMALLEST CHURCH IN THE WORLD.—Truro, N. S., is the town which, of all the world, has the smallest church building. It measures not more than 16 feet square, and is complete in its ecclesiastical appearance, even to the tapering spire. It is situated in the classic locality known as "The Devil's Half Acre," but as it is now used as a woodshed, it will probably never be the means of working a moral reformation sufficient to warrant changing the name of the district. The little edifice was built years ago, by a somewhat eccentric man named Hamlin, for the use of his tenants in its locality, who either could not have been very numerous, or were exceedingly poor church goers—*Ex.*

SPECIAL DESPATCHES TO THE EXAMINER.

The Parnell-"Times" Affair.

DUBLIN, Aug. 19.

The *Freeman's Journal* gives prominence to an authorized paragraph declaring that Parnell will be able to make the clearest disproof of the charge that he was author of the *Times* letters by a chain of evidence of the most perfect character. Messrs. Waller and Buckle says the Journal will deny all knowledge of the letters and will say they got them from Manager Macdonald, who will refuse to give evidence. The *Freeman's Journal* opened the defence fund with a subscription of £50. Archbishop Walsh with a similar subscription sends a warm letter endorsing Parnell's action.
