**NOTICE.—The London "ALLIANCE LIFE AND FIRE INSURANCE COMPANY"** still continue to issue Policies upon Life and against Fire, at extremely moderate rates of premium. Persons assuring at this office for five years in succession, participate in the profits of the Company. In case of loss, the Subscriber is empowered to settle and pay the same, with or without reference to the Board of Directors in London, unless under very special circumstances. If a man were only aware of the serenity of mind that ensued, upon his premises being insured against Fire, he would not be long ere he fully enjoyed it.

He can at once obtain it, by making application at the Office of the Subscriber daily, between 9 o'clock, A. M., and 5 o'clock, P. M.—Sundays excepted.

### THE AMERICAN FAMILY MEDICINE.

THAT MR. MOFFAT'S Life Pills and Phoenix Bitters have long since obtained the high and enviable distinction and a host of competitors, and that they acquired it solely by their invariable and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing.—Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers.

It is with pride and pleasure that the proprietor refers the public to his "MEDICAL MANUAL," where a widely varied selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number of variety of a more frightful kind or of longer standing; coming as these testimonials do from the cured persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminence and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public. In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, and uniformly efficacious, his Life Pills and Phoenix Bitters are promptly and uniformly efficacious in Scrofula in all its hydra headed forms. Dyspepsia whether chronic or occasional, Rheumatism both acute and chronic, Jaundice and bilious and liver complaints, however distressing or complicated, Fever and Ague, in all their varieties, and when quinine and all other specifics fail; Habitual Costiveness, (especially when the Life Pills are used as dinner pills, immediately before or after that meal) Piles even in cases of thirty years standing, Dropsy, Gout and settled pains in the breast, back, or organs, disease of the bladder and kidneys, biles, tumours, and ulcers; Erysipelas, and all other eruptive diseases; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous members; the pimples, stains of the skin, and the foul unhealthy appearance of the complexion, arising from whatever cause, nervous or general debility, in proof of the speedy and effectual cure of which by these medicines alone, the proprietor has hundreds, nay thousands of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines, and they can be administered with safety to young children, and females in the most delicate health. Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—New York, May 20.

### THE FAMILY LIFE MEDICINES.

THE celebrated Life Pills and Phoenix Bitters, prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York, may now be said to be the most respectfully established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, and what is far better, these medicines have recommended themselves fully and fairly achieved the distinguished position which they now occupy in public and domestic estimation. They are prepared by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phoenix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when all other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholice, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisic, or Consumption, in many advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons. Diarrhoea, both serious and bilious; Hypochondriasis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Erysipelas, Erysipelas or St. Anthony's fire, and scald, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidneys, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases, and while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the least degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS.—NEW YORK, May 30. COOPER & BREMNER.

These valuable Medicines may also be had on application to Mr. George Farley, Seafortown, Bedouque; Mr. George Wigginton, Crapaud; and Mr. Edward Henry, Lot 18. Charlottetown, August 12, 1842.
