

SWEDISH HARVEST
STOCKHOLM—(CP)—A spell of warm weather during July which saw temperatures as high as 90 degrees all over Sweden brought forecasts of a good harvest this year. The heat compensated for cold weather earlier.

EEL KING
LONDON—(CP)—Bob Cooke, known as London's "jellied eel king", left his widow an estate of £40,000 on his death recently at age 60. Most of the money was from sale of the curious delicacy. Cooke believed in a quick turnover with no middle man.

SAVES ALL THE CROP!

McCORMICK No. 64 Combine
Biggest of the 6 footers

Many farmers report working a full gear faster because of the No. 64's big capacity. The extra big feeder—largest of any combine with full width cylinder—feeds short or shoulder high crops evenly into the cylinder. No slugs, no slowdowns even in thick tangled crops. Saves all the crop, putting extra dollars in your pocket. Call in and let us tell you how you'll finish harvesting faster and do it better with a new McCormick No. 64 Combine.
