Grain

WINNIPEG, Feb. 21—(CP)—

Prices turned easier today on the Winnipeg Grain Exchange. Oats came in for fair shipper demand in early trade, but closed at slightly lower levels when support dwindled. In other grains commercial buying was weak at all times, and sellers showed fair activity. Most trade in barley and rye was of a local nature. Only export business was allocation of 500,000 bushels of Canadian wheat to the United Kingdom. Class two wheat prices were listless, holding at \$2.18.
