

THE EXAMINER. Branch Office at Souris.

Mr. J. H. HOOPER, of the Apothecaries Hall, Souris, has kindly consented to open an agency for THE EXAMINER in that town.

THE DAILY EXAMINER. APRIL 12, 1889.

Notes and Clippings.

The Montreal Gazette says that the Scott Act has undoubtedly proved a failure; but it disapproves of the agitation which would wipe it from the statute-book.

The first instalment of music for the Charlottetown Philharmonic Society arrived yesterday from Messrs. Novello & Co., of London and New York.

News Notes.

The Welsh tith war is getting more and more bitter. The London market is receiving favorably the £119,802 Toronto 4 per cent. local improvement debentures, and there is every prospect that the issue will be a success.

Personal.

London bankers propose to banquet Lord Salisbury and Mr. W. H. Smith. Emperor Francis Joseph's visit to Berlin has been fixed for August 10.

Rev. Mr. McLeod's Letter.

We publish the Rev. J. M. McLeod's letter, not as an admission that THE EXAMINER has, as insinuated by the Patriot, "alandered" Judge Alley, but simply to show that we desire no concealment of the facts.

Sir, - The article which appeared in the Island Guardian of March 3rd, 1888, and which seems to have been the subject of discussion in the House of Assembly last week, is not really an attack upon either of the candidates for Belfast, but simply asks them to declare their views with regard to the Canada Temperance Act.

PROVINCIAL LEGISLATURE.

HOUSE OF ASSEMBLY.

A bill to incorporate the Y. M. C. A. of Summerside was read a third time and passed.

House went into committee to take into consideration all matters concerning roads. Mr. Richards asked the Commissioner of Public Works what action the Government intend taking with respect to the opening of the road from the Boulter's Road to Buchann Road; also what action the Government intend taking respecting the opening of a road from Victoria West, Lot 13, to the Main Western Road.

House went into Committee to take into consideration all matters relating to paupers, and reported a number of resolutions agreed to.

The Appropriation Act was read a third time and passed.

Hen. Mr. Sullivan submitted an account of Dr. McNeill, asked for by Mr. Sutherland, for services to smallpox patients, in Rustico and New London, for \$1,200 - together with correspondence in connection therewith and vouchers showing that the Government had paid Dr. McNeill \$715.46.

A Diphtheria Scare.

There is no doubt but that diphtheria in its worst form is very prevalent in many cities and small towns. At the same time; that fact is no reason for frightening people out of their wits, with every new case of sore throat.

The form of sore throat which often passes for diphtheria is what old people call quinsy. "Putrid sore throat," known long before diphtheria, was probably a form of diphtheria, and very dangerous. An old hospital nurse in Boston says: "It ain't the clear cold of winter that lays people up with colds, catarrh, and sore throats, and lays the children low with diphtheria; it's the soft, pleasant, alternating with the wet slushy days."
