When the children are hungry, what do you give them? Food.
When thirsty? Water.

Now use the same good common sense, and what would you give them when they are too thin? The best fat-forming food, of course. Somehow you think of Scott's Emulsion at once.

For a quarter of a century it has been making thin children, plump; weak children, strong; sick children, healthy.

Object Lesson.
"Young man," asked the proprietor of the store, who was making the rounds of the various departments, "how can you afford to dress so elaborately and expensively on the salary we pay you?"
"I can't," gloomily answered the salesman. "I ought to have more salary."—Chicago Tribune.

Getting Even With Him.
"Money, money, money all the time," he growled when she said she needed a new bonnet. "Do you know how much it cost to keep you in the country this summer?"
"No," she replied, "I don't know, but I know it didn't cost so much as it did to keep you in the city."—Chicago Post.

Supplied the Deficiency.
"I want you to make a statue of Marie—my wife that was," said the rural visitor to the sculptor, "but I haven't got a picture of her, can't find one nowheres, an she's dead an gone!"
"Thunder and lightning," exclaimed the sculptor, "how can you expect me to?"
"That's it!" was the triumphant interruption. "That's it! Jest make it like thunder an lightning, an you won't miss her very far!"—Atlanta Constitution.

Good Time For Sorrow.

"Hi, fellers, come along and feel sorry for Willie! He's goin' to be dentist!"—New York Journal.

Memory Stimulus.
As he was about to sink for the third time he of course recalled everything in his past life. His countenance radiated with joy. "Ah," he exclaimed, "since I now remember what it was my wife told me to get down town today I have no further occasion to drown!"
Accordingly he swam ashore. The frivolous world saw him, wondered a moment perhaps and thought of him no more.—Detroit Journal.

Most Miraculous Heart Cure

Mr. Thos. Cooke, of Kingston, After Suffering Intensest Pain and Distress of the Heart for Seven Years--is Cured almost Miraculously by

Dr. Agnew's Cure for the Heart--A Remedy Which Saves Lives Every-day that Have Been Proclaimed

By Physicians Beyond Human Aid--it is a powerful harmless Heart Specific and can Work Wonders in Half-an-Hour.

Kingston, April 26, 1899.—Mr. Thos. Cooke, 260 Johnston Street, Kingston, tells this wonderful story of his sickness from heart disease, and what he considers his almost miraculous recovery by the

aid of that good angel of modern medical science—Dr. Agnew's Cure for the Heart. He says: I suffered seven years from a very acute form of heart disease. I experienced great weakness; had smothering sensations; palpitation so badly that one in the same room could hear the heart thumps. I had great nervousness and depression at times, suffered excruciating shooting pains. Could not stand the slightest exertion or excitement. I tried many remedies recommended to me, and

consulted best physicians on my ailments and nobody gave me any hope of permanent recovery. But one day I read of a cure by this wonderful remedy which seemed just to be my own case repeated. I got a trial bottle and derived great benefit from it. I concluded to continue as it promised a complete and permanent cure, and when I had used six bottles (not a vestige of the trouble remained, and although that is a year and a half ago there has never been the slightest symptom of a return of the trouble."

You can readily verify this or any other testimony of the curative powers of Dr. Agnew's Cure for the Heart, for the recommendations for it come spontaneously and unsolicited, and in ninety-nine cases out of a hundred are given out of the "fulness of heart" in being snatched from the snare

of so distressing an ailment as heart disease in any form.

If modern medical science has given to the world a remedy—a cure—that thousands used and have tested the curative powers of after having suffered for years, and had been pronounced hopeless cases—if, as a last resort, even it has proved such a boon, what an amount of suffering would be spared if when the slightest uneasiness of the heart is experienced Dr. Agnew's Cure for the Heart were used? It has never failed to do what it promises. It gives relief in the most acute forms of the disease in less than 30 minutes. It not only stimulates a healthy heart action, but it heals the diseased organs, gives vitality, tones the whole system, and it's not astonishing too much to say "IT MOST WORKS MIRACLES."

Dr. Agnew's Catarrhal Powder relieves cold in the head in ten minutes—it will cure the most acute and disgusting forms of Catarrh, no matter how long standing.

Dr. Agnew's Ointment acts like magic on Itching, Irritating skin troubles, such as Eczema, Scald Head, Salt Rheum, and will cure piles in from 3 to 5 nights—35c

Dr. Agnew's little pills for Constipation, Sick Headache and Bloatingness—20 cts for 40 doses.
