

The Conspiracy Against Canada.

(Chiqueto Post.)

About the beginning of 1890, Sir Richard Cartwright visited Washington in cognito, and registered himself there at an hotel under an assumed name.

"CAN SUCH A CONSPIRACY AS IS NOW REVEALED BE JUSTLY BE CALLED ANYTHING LESS THAN TRAITOROUS? We will say nothing of the INEQUITY of the attempt to block a bill which would greatly serve Canadian interests, nor anything of the meanness of spreading in Washington a false story designed to injure political opponents at home.

That was the honest opinion of the Globe in January, 1890, but since then it has changed masters. Mr. Farrar, one of the "traitorous" conspirators has become its chief editor, and it is to-day leading its party to support and uphold, what thirteen months ago it indignantly denounced as "traitorous" to Canada.

PUBLIC NOTICE.

IN FUTURE the Government Steamer "Stanley" will run during the winter months between Charlottetown and Pictou with the ice will admit of her making a return trip each day, commencing on the 1st December.

If, however, the Company's boats cannot keep up daily communication between the Island and mainland before the 1st December, the steamer "Stanley" will commence running earlier than the 1st December, so as to keep up daily communication.

When the steamer "Stanley" cannot make return trips between Charlottetown and Pictou, she will then run between Cape Traverse and Georgetown and make daily trips, if possible.

When the ice becomes so heavy that she cannot make return daily trips, the ice boats will carry the mails between Cape Traverse and Cape Tormentine, so as to give a daily mail to the Island throughout the winter, weather permitting, and the "Stanley" will then run between Pictou and Georgetown for the purpose of carrying passengers and freight, making only one trip each day, leaving Pictou on Monday, Wednesday and Friday mornings, at 7 o'clock, and leaving Georgetown on Tuesday, Thursday and Saturday mornings at the same hour.

Notice of her arrival at Georgetown will be made public by the Agent of the Marine Department at Charlottetown each day, and also the hour of her intended departure from Georgetown.

As soon as the "Stanley" begins making a return trip between the mainland and the Island in the early part of the year, the Iceboat Service at the Capes will be discontinued, so that as far as possible a daily mail each way will be carried between the mainland and the Island during the winter.

The "Stanley" will remain on the route until the 1st May in each year, and will continue longer than that date if the Company's boats are not able to keep up daily communication with the Island.
