Figure Skating - 1990/91!

There are now opportunities for ex-figure skaters to continue to participate in the sport.

We have several clubs in the immediate area that provide both senior & adult time.

We also have openings for coaching positions both at the volunteer level and for individuals who might consider a paid teaching position at a low level club situation.

CanSkate clinics and CanFigureskate Clinics are now being scheduled.

We are now in immediate need for a coach for one club. This could be an opportunity for anywhere from one to three days a week depending on your schedule & availability. This is an opportunity for group work, private lessons and possibly precision.

Should you have any questions about any of the above programs or wish to become involved, please call:
