IODE Program Of Education For P. E. Island

The following I. O. D. E. educational report for Prince Edward Island for the year 1949-50, by Mrs. Thane A. Campbell, Summerside, acting Provincial secretary, was read at the recent annual meeting of Royal Edward Chapter:

This being the Fiftieth Anniversary of the founding of the Imperial Order of the Daughters of the Empire, I am taking the privilege of reviewing briefly that part of our educational programme which concerns the I. O. D. E. Post-Graduate Scholarship and Bursaries.

The First War Memorial of the I. O. D. E. was instituted in 1919. The sum of \$500,000.00 was raised by the Order throughout Canada to establish this Memorial as a lasting benefit to the youth of Canada. The War Memorial includes: (A) Bursaries in Canadian Universities valued at \$120,000 each to be held by sons and daughters of men killed or permanently disabled in the First Great War. In 1938 these Bursaries were discontinued because at that time practically all eligible children of First War Veterans had completed their education. The First War Memorial Bursaries were held in succession by the following P. E. I. students: Miss Mae Gardner, Charlottetown; Miss Marie Clark, Charlottetown; Mr. Allison Rogers, Charlottetown; Mr. Richard MacQuarrie, Victoria; Mr. Keith Kennedy, Southport.

(B) The Post-Graduate Scholarships form the permanent part of the First War Memorial. They are tenable at a British University and are popularly known as the I. O. D. E. Overseas Scholarships. Up to the present the scholarships, one for each Province, have been valued at \$160,000, awarded for one year, but renewable for a second year.

The Post-Graduate Scholarships are open to men and women. To qualify, a candidate must be a graduate of a Canadian University and must have done or be doing Post-Graduate work. Other things being equal, the National Committee of Selection is instructed to give preference to a returned man or an immediate relative of a man who served in World War II.

The first Post-Graduate Scholars were appointed in 1920 and went to Britain in the Autumn of 1921. From 1939 to 1945 inclusive Scholarships were not awarded.

It is with interest that we record the names of thirteen P. E. I. students who have held the Post-Graduate Scholarships since 1920. While holding their respective scholarships:

George Miller Campbell studied Political Science at the University of Edinburgh;

George W. Gardiner, Physics, at Trinity College, Cambridge;

Mark Keith Inman, Economics, at Jesus College, Oxford;

Nathaniel W. White, Law, at Keele College, Oxford;

Harry Ernest Foster, Classics, at Oxford;

William Stewart McNutt, History and Political Science, at King's College, University of London;

H. Bramwell Chandler, Arts, at the University of Edinburgh;

Evans Benjamin Rogers, Economics, at the London School of Economics, The University of London;

Hazen Wigmore, at the Institute of Education, The University of London;

Allan Gordon MacMillan, Business Administration, at the London School of Economics, The University of London;

Helen Jean Champion, Philosophy, at King's College, University of London;

Since 1945, Mr. Graham Batt studied Law at the University of London.

The majority of these students have returned to Canada and hold important business and administrative positions.

In 1944 a new fund of \$350,000.00 was raised by the Order to establish the Second War Memorial, which also has taken the form of assistance to Canadian students; the Prince Edward Island Chapters contributed \$3874.50 toward this fund.

1949 brought the announcement that the Overseas Scholarship has been increased from \$160,000 to \$200,000, making it the equivalent of the Rhodes and Beaverbrook Scholarships.

1949 saw the inauguration of the Second War Memorial Bursary, valued at \$200,000, awarded each year to a student from each of the Provinces and tenable at a Canadian University. To qualify for this Bursary, a candidate must have passed his Matriculation examinations. Preference is given to the son or daughter of a veteran of the Second World War. The 1950 Bursary has recently been announced, and applications will be received up to March 31, 1950.

Both the given excellent publicity during 1949 by our four P. E. I. newspapers. Many inquiries were made requesting application forms for the Post-Graduate Scholarships. Unfortunately, there was no fully qualified candidate.

Three applications were received for the Second War Memorial Bursary, but the candidates did not prove to be eligible as they were children of veterans of World War I, and not World War II.

It is regrettable that recently we

do not have more applications for these very advantageous Memorials, and ours are therefore awarded elsewhere. Our problem seems to be, in regard to the Scholarship especially, that our graduate students are scattered among the Canadian Universities and are not fully aware of the opportunities offered.

This year letters announcing the Scholarship were sent to the Registrars of nine Universities requesting that the announcement be brought to the attention of P. E. I. students, and that it be recorded in the University Calendar and Undergraduate papers. Letters were also sent to the four chapters and to the four Island papers.

I wish at this time, to thank the press for the very splendid editorials and publicity given in 1949. It is hoped that in 1950 the I. O. D. E. will be able to award the Scholarship and Bursary to eligible P. E. I. applicants.

These meetings proved to be most helpful and resulted in an increase in each of the phases of the educational work undertaken within the Chapters as is shown by the following report.

In connection with our work with schools, the Chapters bought 265 I. O. D. E. calendars, 103 of which were placed in Island school rooms; 420 pictures of the King and Queen, Princess Elizabeth, and the Duke of Edinburgh, were presented to the Department of Education for distribution among our Island schools.

Seven schools were adopted and presented with either libraries, pictures, prizes or films. It is urged that we stress this part of our educational programme by further adopting "more needy" schools, and assisting them by way of much needed equipment.

Assistance was given students by a Chapter Bursary of \$50.00 and by monetary aid of \$50.00. Scholarships valued at \$75.00 were given for the Prince Edward Island Music Festival.

A drama trophy, established two years ago is again open for competition in 1950. Prizes valued at \$43.50 were presented to students for History, Literature, Essay Work, and for Sustained Effort.

An increase is shown in the number of libraries presented to schools, at an expenditure of \$163.23. (The Lucy Maud Montgomery Chapter and the Royal Edward Chapter have bought 102 I. O. D. E. books, value of \$80.73. The Abegweit Chapter presented a library of \$82.50 to the Summerside High School.)

Special educational work was undertaken by all the Chapters this year in connection with Empire correspondence. 234 students' names were forwarded to headquarters to be linked with pen pals in the other parts of the Empire.

Our educational project of national, as well as Provincial, interest was the splendid Historic Exhibition held in Charlottetown, and later, in part, at Summerside. The motive for this effort was to show the great need for a Provincial

Stories From The Bible

Abraham
(By Canadian Press)

EDITOR'S NOTE: This is the first in a series of studies from the Old Testament. The text is condensed from selections by Houston Hart for the new book "In Our Image." Illustration by Guy Kowe is also from the book.

And the Lord appeared to Abraham, and said unto him, I am the Almighty God; walk before me, and be thou perfect. And I will make my covenant between me and thee, and will multiply thee exceedingly. Neither shall thy name any more be called Abram, but thy name shall be Abraham; for a father of many nations have I made thee. And God said unto Abraham, As for Sarai thy wife, thou shalt not call her name Sarai, but Sarah shall her name be. And I will bless her, and give thee a son also of her: yea, kings of people shall be of her. Then Abraham fell upon his face, and laughed, and said in his heart, shall a child be born unto him that is an hundred years old? and shall Sarah, that is ninety years old, bear? And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant, and with his seed after him. . . .

And Abraham called the name of his son whom Sarah bare to him, Isaac. And Abraham circumcised his son Isaac being eight days old, as God had commanded him. And the child grew, and was weaned: and the day that Isaac was weaned, Abraham came to pass after these things, that God did tempt Abraham; and he said, Take now thy son, thine only son Isaac, whom thou lovest, and get thee into the land of Moriah; and offer him there for a burnt offering upon one of the mountains which I will tell thee of. And Abraham rose up early in the morning, and saddled his ass, and took two of his young men with him, and Isaac his son, and went into the place of which God had told him. Abraham lifted up his eyes, and saw the place afar off. And Abraham said unto his young men, Abide ye here with the ass; and I and the lad will go yonder and worship, and come again to you. And Abraham took the wood of the burnt offering, and laid it upon Isaac his son; and he took the fire in his hand, and a knife; and they went both of them together. And Isaac spake unto Abraham his father, and said, My father: and
