

# PANTHERS PROWL

Allan MacAdam puts one home!

Last weekend the varsity Panthers further increased their chances for a play-off position with exciting wins over St.F.X. and U.N.B. Other than the final outcome, the games provided Panther followers with their first look at the team, against relatively strong league opposition. Fresh from the shutout victories over Mt.A. and Moncton, the varsity club met a determined Xavarian team and narrowly defeated the Nova Scotians in a game that required an overtime period. In this contest, the Panthers appeared only to exert themselves when needed. After falling behind early in the game, the team, through spasmodic play, tied the contest on two separate occasions before taking a 4-3 lead late in the third period. Then with victory minutes away, the Panthers seemed to rely too heavily upon their lead and as a consequence legarcic play resulted in X. tying the score and forcing an overtime period. In the "do or die showdown", however the Panthers play was sparkling. For the entire ten minutes the cats combined a tight defence with a lethal attack to outscore the Xmen 2-0, and take the game 6-4.

in the space of six minutes. Then, for the remainder of the game their play

altered from that of brilliance to lethargy, as time ended again they took lead only to have the Red Devils capitalize on listless play and tie the score. Although the final score read 8-6 in the Panther's favor, the game was not decided until the final minutes and had it not been for the play of some members of the varsity squad the outcome could have been entirely different.

Even though the team as a unit was characterized by moody play, several individuals exhibited brilliant performances. Of these most notable were Billy Adams who fired a hat trick against St.F.X., Billy Doherty who skated miles and scored the winner in the X game; Don Brown and Bill Weatherby, defensemen who turned in a remarkable games against St.F.X. Guy De Souliner who had many key saves off St.F.X.; and Cloud Lambert and Alan MacAdam who checked tenaciously in both games.

There is no doubt, however that the Panthers can play consistently as a team. The wins over X and U.N.B. came as a result of sustained efforts in which they employed alert hockey. Should the team put together more consistently these sustained efforts then, hockey-talk around campus will not be whether we can beat out Acadia, St. F.X. and St. U. for the second play-off spot, but whether S.M.U. can keep us out of First

-Dave Mitchel.

The following evening the team's inconsistent play was again evident. In fact, it was so obvious that it brought many a frustrated curse from a great number of fans. After a tremendous start and what looked to be an easy win over an inferior opponent, the Panthers blew a 3-0 lead
