Former Islanders Marry In Ottawa

—St. Theresa's Church, Ottawa on June 6, was the scene of the marriage of Mary Dorothy Hammill and Cpl. J. R. Hammill. Rev. Donald D. MacDonald officiated at the ceremony.
The bride is the daughter of Mr. and Mrs. Walter Hammill, North Carleton, P.E.I., and the groom is the son of Mr. and Mrs. Thomas Hammill, Central Bedouque, P.E.I.
The bride wore a gray suit with pink accessories. Her corsage was pink roses. The bride was attended by Miss Phyllis Abbott, and the groom by L.A.C. Ed. Moore.
A candlelight reception was held following the wedding at the Red Door. Toast to the bride was proposed by Mr. Arthur Gowling and the groom responded. The young couple left on a honeymoon trip to Niagara Falls and New York.
They will reside in Ottawa, where the bride is employed with the Civil Service Commission, and the groom is stationed with the R.C. A.F.

Barbara Brent's BUYS AND WHYS

MONTREAL, June 18th—It's true! Lemons can be glamorous—as you'll discover when you treat the family to this glorious lemon dessert, made with the finest, juiciest lemons of all—SUNKIST LEMONS.
SUNKIST LEMON-COCOONUT GLAMOUR PIE
1/2 cup butter 2 egg yolks
1 cup sugar 6 tablespoons Sunkist lemon juice
2 whole eggs 2 teaspoons grated lemon peel
Combine butter and sugar in top of double boiler. Add whole eggs, egg yolks, lemon juice and peel. Mix well. Cook over boiling water, stirring constantly. Until thick. Chill and pour into cool baked 9-inch pastry shell. Top with meringue.

I know you'll agree—the filling captures the fresh, tangy flavour of the Sunkist lemons to perfection. And the coconut adds a special touch of glamour.

The Perfect Vacation Wardrobe, I'm sure you'll agree, is every woman's dream. So why not make it your dream-come-true? Make your vacation dresses with the fashion-wise materials of your choice and finish them with LIGHTNING FASTENERS. Lightning Fasteners do give clothes that "professional" finishing touch—and such flattering fit! What's more, you can feel perfectly at ease in your pretty sundresses and party sheers when they're fitted with a Lightning zipper. You see, all Lightning Fasteners have the exclusive Lightning automatic lock that never slips—never lets you down! By the way, Lightning Style No. 702 (14") is just right for your holiday "dream" dresses.

Picture Yourself in a beautiful garden, dining in the shade of a gay umbrellia. That's the life! But you'll enjoy any summer meal anywhere, when a succulent, tossed salad is the "star attraction". Make it with crisp lettuce leaves, watercress, celery and tomatoes. Add the excitement of sharp, grated cheese and the tempting goodness of sweet, cold ham. There's very little you can't put in a good salad. I've found, but there's one thing that must be added for perfection's sake—that's HEINZ 57 SALAD DRESSING. If you've never tried it, now's the time to discover that the Heinz chefs have "done it again"—with a salad dressing that makes any salad taste better.

Here's Wonderful News for coffee-lovers. A new, easy-to-prepare instant coffee with real coffee flavour! It's NEW INSTANT CHASE & SANBORN COFFEE, and it is 100% real coffee. You see, it's made by a new "Natural Flavour" process that keeps the flavour and aroma of freshly ground coffee. It's delicious! And, for convenience New Instant Chase & Sanborn is perfectly marvellous—it dissolves like magic in hot or cold water. And it's wonderfully economical. (Saves me up to 40c a pound compared with regular coffee!) I'm sure that, once you've sampled its real-coffee flavour, you'll want to make it your regular coffee.

If Your Feet Feel Comfortable only in bedroom slippers, then, lady, it's time to do something about it! And I have good news for you! It's Phenylum, the new medication in BLUE-JAY Corn Plasters. Phenylum gets right under your corn and helps push it out from underneath... the first really new medication for corns and calluses in over seventy years! In actual tests, Phenylum went to work 33% faster and worked 35% more surely than other leading remedies. Easy to see why folks with bothersome feet say it's the best news in years. And I'm sure you'll agree, once you've tried Blue-Jays with Phenylum. Ask for them at your favourite drug counter.

I Like My Pots And Pans to fairly gleam with cleanliness, don't you? And, of course, the very thing to put the gleam on them is S.O.S. But that's not all! Use S.O.S. Scouring Pads for. They're every bit as effective for cleaning pans and tubs—cleaning just off the stove and stains off the kitchen linoleum. And, best of all, they make cleaning so easy that you waste no time with it on a bright June day. Actually, it's no wonder S.O.S. Scouring Pads are so efficient. They're a happy combination of sturdy, interwoven fibres and grease-dissolving soap. Just try them!
