Castoria is Dr. Samuel Pitcher's prescription for Infants and
Children. It contains neither Opium, Morphine nor
other Narcotic substance. It is a harmless substitute
for Paregoric, Drops, Soothing Syrup, and Castor Oil.
It is Pleasant. Its guarantee is thirty years' use by
Millions of Mothers. Castoria destroys Worms and allays
feverishness. Castoria prevents vomiting Sour Curd,
cures Diarrhoea and Wind Colic. Castoria relieves
teething troubles, cures constipation and flatulency.

Castoria.
"Castoria is so well adapted to children that
I recommend it as superior to any prescription
known to me."
H. A. ANCKER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have among our
medical supplies what is known as regular
products, yet we are free to confess that the
merit of Castoria has won for us to look with
favor upon it."

CASTORIA

Castoria is an excellent medicine for chil-
dren. Mothers have repeatedly told me of its
good effect upon their children."
Dr. G. C. OROON,
Lowell, Mass.

"Castoria is the best remedy for children of
which I am acquainted. I hope the day is not
far distant when mothers will consider the real
interest of their children, and use Castoria in-
stead of the various quick nostrums which are
destroying their loved ones, by forcing opium,
morphine, soothing syrup and other harmful
agents down their throats, thereby sending
them to premature graves."

DRINKING ICE WATER.

That cool, refreshing drink in warm
weather is delicious, is undeniable. That
drinking ice water in copious draughts
when a person is overheated is injurious,
not to say dangerous, is also undeniable.
But that the free drinking of water in some
form in hot weather must be avoided, is
deniable, and is one of the greatest popular
errors extant. When a person is perspir-
ing freely from every pore, a vast amount
of water is drawn from the body, which
must be re-supplied, or great injury is be-
ing done the physical health, and the founda-
tion of some of the worst forms of kid-
ney disease is being slowly but surely laid.
So long as the water drunk is freely
carried through the system, and converted
in its passage to the naturally
acid reaction of the urine and per-
spiration, no danger can occur by
deposits of urea or lime in the kidneys and
bladder, because they remain perfectly in
solution, and are carried out of the body
instead of remaining in it. Do not drink
ice cold water, but pure cool water. If
you are attacked with cholera, summer
complaint, diarrhoea or dysentery,
do not resort to alcoholic stimulating
drinks, but adopt the practice of taking
daily, just before retiring, during July and
August, one teaspoonful of Johnson's
Anodyne Liniment in a little sweetened
water, which will prevent all such attacks
and ill effects from pure cool water. The
Proprietors, I. S. Johnson & Co., Boston,
Mass., will send their new illustrated book,
entitled "Treatment for Diseases," free to
any person for the asking. 61

If one man starts to pay his debts, it
puts a row of men a half mile long in
motion, each one starting to pay his. It
may be that you are the man in the row
that has stopped the motion. If you owe
anyone, pay him.

A Man's Personality.
Dyspepsia makes a man nervous and ir-
ritable, in spite of his desire to be pleasant
and sociable. Hundreds of dyspeptics,
have been cured of this distressing ailment,
and its accompanying effects of nervous-
ness, sleeplessness, irritability, etc., by the
use of Hawker's Nerve and Stomach Tonic,
the greatest invigorator of the age for
nerves, stomach and blood, and a perfect
aid for digestion. All druggists sell it.

For cramps in the stomach take a few
drops of Dr. Manning's German remedy
diluted in either warm or cold water. The
effect is instantaneous. Sold by all drug
stores.
