

IN MEMORIAM

MRS. G. H. CALLBECK

Mrs. Amanda Callbeck, widow of the late George H. Callbeck, North Tryon, passed away on September 30th in her 87th year, at 65 Fitzroy Street, Charlottetown, where she had received kind nursing attention during her many months of bed confinement.

Mrs. Callbeck, whose maiden name was Amanda Muttart, was born at Cape Traverse, P.E.I. where she lived until her marriage to George H. Callbeck, North Tryon. Here they engaged for many years in successful farming operations.

Mrs. Callbeck enjoyed home and community life, with the latch key always on the outside of her home. It was one of her happiest moments to have friends or relatives enjoy a meal with her. She was a devoted member of the United Church also a life member of the W.M.S. Almost at the last hour, when all other earthly thoughts had left her she would, without hesitation, sing or repeat "The Lord is My Shepherd".

The funeral service at the North Tryon United Church was conducted by Rev. Lloyd Archer assisted by Rev. Alex MacKay. Mrs. Callbeck is survived by one daughter, Laura (Mrs. H. B. Weeks), Charlottetown and two sons, Dea, Lea M. and J. Albert, Summerside. One son Hedley predeceased her. Two grandsons, Lloyd Weeks and Arthur Callbeck also survive.

You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take DODD'S Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter.
