

LADIES AUXILIARY OF CANADIAN LEGION

Officers elected at the 4th annual meeting of the Canadian Legion Provincial Command Ladies Auxiliary held last night are, front row left to right: Mrs. Perry Ramsay, Summerside, Treasurer; Mrs. Morley Wylie, Summerside, secretary; Mrs. Arthur Henry, past president, Charlottetown; Back row, left to right, Mrs. Budd Williams, Ellerslie, 2nd vice-president; Mrs. Ira Brown, Charlottetown, 1st vice-president; Mrs. Roy MacLeod, Tignish, President; Mrs. A. B. Cosh, Charlottetown. Honorary President, 89 delegates from Kensington, Bloomfield, Borden, Tignish, O'Leary, Ellerslie, Summerside, North Rustico, and Mt. Stewart became guests of the Charlottetown branch of the Legion Ladies Auxiliary. Mrs. Grace Roper, the president of the Charlottetown Branch presided at the dinner meeting. Mrs. Arthur Henry presided at the business meeting. The ladies report that it was the most enthusiastic meeting ever held in the Province.

Multiple Sclerosis Society Holds 2nd Annual Meeting

The second annual meeting of the Multiple Sclerosis Society of Canada (P.E.I. Chapter) was held at Prince of Wales College last evening with president, Mr. H.C. Heartz, presiding. The minutes of the last annual meeting of the Society were read by Mrs. Louis Howatt Jr., recording secretary. The minutes were approved as read.

The President's report was read by Mr. Heath Delaney due to the absence of Mrs. Keith MacKinnon 1st Vice-president.

The report stated, "The memberships of the Chapter now stand at 80. We are indeed encouraged with this response and interest, and recently with the active interest and support of the Main-Brace Naval Veteran's Association. All have contributed toward our allotment of \$2,000, which was designated as our contribution to the Multiple Sclerosis of Canada for research. Through tag day, rummage sales, contributions of individuals and organizations and other means, I am happy to report that this large amount has been almost reached.

"Research is the main goal of this and all other M.S. Chapters, to find the cause, to bring the peculiarities of this disease to light so that it may be halted, preventive means found, and its victims given adequate treatment. Toward this end, eight research projects are being conducted in Canada at present. I have just heard of another research project which will be conducted at Halifax toward the effects of temperature on the prevalence of M.S. I am sure we will hear further on this subject."

The Treasurer, Mr. Russell Arbing, gave a report of the Chapter's receipts and expenditures for the year. Total receipts for the year were \$1,696.68 and total disbursements were 1,669.90, leaving a remaining balance of \$26.78.

During the general business period they discussed plans for forming a Chapter in Montague, P.E.I. As the discussion period drew to a close they were still undecided about the formation of this new chapter. At present they are having difficulty to found one in Summerside.

GUEST SPEAKER

The guest speaker, Mr. Walter Baker, Director of the Protestant Welfare Bureau, spoke on the causes and research on M.S. in the course of his talk he remarked that the patients attitude to the disease can be helped by having happy surroundings. He also mentioned that there were 18,000 cases of this disease in Canada.

The nominating committee gave the following report: Past President, Mrs. George Reynolds; President, Mr. H.C. Heartz; 1st Vice-president, Mrs. Keith MacKinnon; 2nd Vice-president, Miss Frances MacMillan, R.N.; Recording Secretary, Mrs. Louis Howatt Jr.; Corresponding Sect'y, Mrs. E.S. Chandler; Treasurer, Mr. Russell

Manufacturers' Profits Down

TORONTO (CP) — Canadian manufacturers in 1957 made an average profit of 5.2 cents on each dollar's worth of goods they sold, says a survey by the Canadian Manufacturers' Association.

This was six-tenths of a cent less than the average profit in 1956.

Since this annual survey was started in 1948, the highest average profit was 7.1 cents in 1950 and the lowest was five cents in 1952.

"These association studies," the CMA says, "were begun as a result of the general public's belief, as expressed in opinion surveys, that manufacturing industry's profits were much higher than was actually the case. The public's interpretation of a fair profit was nearly three times the mean average of 5.72 cents accruing in the last 10 years."

This year's survey was based on replies from 1,069 companies which had net sales of nearly \$9,000,000,000.

Companies reporting a loss numbered 139.

Premier And Dr. MacKinnon Leave For London Saturday

Premier A. W. Matheson and Dr. Frank MacKinnon will leave by air Saturday morning for Montreal where they will board a Trans-Atlantic plane for London. Premier Matheson and Dr. MacKinnon, the President of APEC will be present for the opening of the Atlantic Provinces House in London next Thursday. Also travelling in the same plane will be Premiers Robert Stanfield of Nova Scotia and Joseph Smallwood of Newfoundland, New Brunswick's Premier, Hugh John Flemming is at present on his way to England by boat.

Premier Matheson said yesterday he expected to be absent from the Province for about a week.

The Premiers along with Dr. MacKinnon are attending the London opening of Atlantic House at the invitation of Lord Beaverbrook, Canadian born newspaperman who has arranged a series of entertainments for the visitors with a view to obtaining a maximum amount of publicity for the venture. The trip will in all probability include a visit to the World's Fair being held at Brussels.

Parkdale H. & S. Votes Sum For Library

Parkdale Home and School Association voted \$40 towards the library of Parkdale Junior High School at its meeting Wednesday evening. Also voted was the sum of \$50 to be divided between the two schools for prizes for application.
