

Y's Men Induct New Members

Three new members were inducted at the regular weekly meeting of the Alpha Y's Men's Club in the Y.M.C.A. last night. They were Dr. Tudor Genchew, Earl Balderston and Jack Sutherland. Previous to the induction ceremony Arthur Dewar, past district governor, delivered a short indoctrination speech in which he described the organization of Y's Men locally and internationally for the benefit and instruction of the new members.

Past president Dr. Ray Barrett was chairman of the meeting. Rev. Mr. Milton was introduced as a guest. The singing was led by Walter Cox with O. K. Presby at the piano.

Members of the induction team were international director Ernest Bell and past president Richard Matheson, R. A. Barrett, Ralph Rupert, Ernest Clawson, Arthur Dewar and Edwin Johnstone.

Club president W. R. Carson was nominated as a candidate for district governor of Y's Men for P.E.I. for the ensuing year.

A film entitled "Churchill, the man of the century," was much enjoyed by all present.

The meeting closed with the singing of the National Anthem.

AT CENTRAL CHRISTIAN—For the second last of Evangelist William Bilsons series of sermons at Central Christian Church last night, he spoke upon the subject "The Message of Gideon". He presented the familiar story of Gideon as a challenge to service as he depicted the profound effect upon a whole nation of one man's decision to serve God and his steadfastness to that purpose. The choir of the church led in the singing and a vocal "Near to the heart of God" was sung by Miss Mary Vessey.

PLUMBERS' MEETING—Discussion on a scale of wages to be adopted within the Province was one of the main questions brought before a meeting of the Prince Edward Island Plumber's Association held at the Vocational School last night. It was brought to the attention of the meeting that an examining board now exists which has the power to issue certificates to those qualified in the trade. The meeting went on record as favouring the appointment of a provincial plumbing inspector. Only plumbing done within the City of Charlottetown is at present subject to inspection. Plans were made for the holding of the annual meeting and banquet which will take place about the middle of June. The meeting was largely attended.

Personals

Mrs. Percy Rayner, Charlottetown, has entered the P. E. I. Hospital for treatment. Her many friends wish her a speedy recovery.

Mr. and Mrs. George Toombs and family, Kenny and Bobby, have returned to Alberta, after spending a pleasant holiday with their parents at Whim Rose and Rustico. While visiting at Whim Road their friends very graciously tendered a surprise shower in their honor. A nicely worded address was read and they were presented with a beautiful chenille bedspread and a purse of money.

Choral Reading Classes Adjudicated Yesterday

"It is disappointing that there are so few entries in the Choral Speaking class," said Mrs. Arthur Roper, adjudicator yesterday morning of the entrants in the Choral Reading at the Music Festival contest. The young people who have appeared are to be congratulated for taking part in this class. This is a most important field and more time should be spent with it, especially in our higher grades."

Mrs. Roper had nothing but praise for the diction of the groups who did "Good Morning" by Muriel Sipe, "Three Little Kittens" and other well-known pieces. The adjudicator is well and favourably known to Charlottetown audiences. She is a graduate of Acadia University and has taught both elocution and voice

and conducted choirs and choruses. For the past year she has convened the choral reading committee of the Festival.

munized against communism and leaders of industry should think seriously of their responsibilities where there still was time.

Mr. Arsenault said it is "an invitation to anarchy" to compare the low prices for pulpwood with the cost of newspaper and the profits of pulpwood companies.

"This is how certain capitalists blinded by their own greed, are making the best propagandists of Moscow among us."

Farmers and settlers of eastern

Quebec and Gaspé had lost some \$2,000,000 a year since 1952 through low prices for pulpwood.

Other speakers in the debate dealt with topics ranging from unemployment to social security.

URGES WORKS PROGRAM
J. W. Noseworthy (CCF—York South) said Canada cannot afford the manpower waste of 600,000 unemployed. He urged the government to plan immediately for a long-range public works program to create jobs.

Mr. Noseworthy commended the budget's income tax reduction but said it did not give the small income earners the relief Finance Minister Harris had attempted to make people believe. He criticized the reduction in corporation taxes, saying huge profits made by corporations last year showed it was unnecessary.

Jean Francois Pouliot (L—Temiscouata) praised the government's social security program. He criticized those who say family allowances should be doubled while saying at the same time that over-all government expenditures were too high.

Chou Insists Formosa Is China Concern

TOKYO (AP)—Peiping radio Thursday night quoted Red Chinese Premier Chou En-lai as saying that "in the present situation in the Taiwan (Formosa) area there does exist the crisis of a new international war."

"However, whether the present situation will lead to a world war depends upon the United States, because there is no war at present between China and the United States."

The broadcast said Chou told Sam Jaffe, correspondent of the Nation, a liberal New York magazine, that he would negotiate with the United States to relax tension in the Formosa area but not with Nationalist China.

The broadcast said the interview took place Sunday. Chou told Jaffe "the liberation of Taiwan is China's internal affair. The Chinese people have the right to make the demand and to put it into effect." Tension in the area, he insisted, had been caused by "United States intervention."

\$2,500,000 Bond Issue Of Maritime Electric Co.

MONTREAL (CP)—A \$2,500,000 offering of Maritime Electric Company, Ltd., first mortgage bonds is expected to be made shortly through Royal Securities Corporation, Ltd., it was learned here Wednesday.

Revenue from the bonds, bearing interest at four per cent and maturing in 30 years, is expected to be used to refund past bond issues worth \$2,200,500 and retire existing loans.

Maritime Electric serves Charlottetown, P.E.I., and several outlying rural areas as well as the Fredericton, N.B., area.

Mammoth Centennial Blood Donor Clinics Planned

Mr. F. A. Large, Q.C., provincial chairman of Red Cross blood donor committees presided over an enthusiastic meeting of representatives of 18 organizations held at Red Cross headquarters last evening. The purpose of this meeting was to discuss the best means of securing at least 1,000 donors at Charlottetown's "Centennial" Red Cross blood donor clinics to be held at the Closer Club on June 1st and 2nd.

Dr. J. H. Shaw, provincial medical director of the Red Cross Blood Transfusion Service in his talk to the group pointed out the great value of the present-day blood transfusion service which is economically sound and told of the great necessity there is for a continuous supply to meet the demands of patients in hospitals both on an emergency basis and therapeutically. He pointed out that this province now "in the red" to the Maritime Depot at Halifax by some 2,000 bottles and that everything possible must be done to re-establish a credit.

Mr. F. A. Stewart Jones, suggested that all organizations in Charlottetown and the surrounding areas appoint chairmen to solicit as many donors as possible from among their membership with this met with the approval of all present. The following organizations were represented at last night's meeting: Charlottetown Branch of Canadian Legion, Spring Park Community Club, Loy Orange Lodge, Basilia Youth Club, Y.M.C.A. Ladies' Auxiliary, Rebekah Lodge, I.O.O.F., Central Royalty Women's Institute, Royal Edward Chapter, I.O.D.E., Charlottetown Business & Professional Women's Club, Local 282 of United Packing House Workers of America who reported that they had already lined up 35 of their members as donors, Bunbury Women's Institute, Ladies' Auxiliary of the Charlottetown Branch of Canadian Legion, Charlottetown Council of Knights of Columbus, Willing Circle of King's Daughters of Trinity, United Church, Basilia sub-division of the Catholic Women's League, St. Paul's Women's Auxiliary, division 20 C. B. of R.E. & T.W. of the Canadian National Railways and P. E. I. Nurses Association.

Mr. Jones expressed the hope that all organizations not represented would also take up the challenge, appoint a committee to secure donors and in this way greatly increase the attendance at Charlottetown's clinic and "provide the blood required by so many patients in our hospitals where an average of 250 bottles is used each month."

Labor Party Pledged To Seek H-Bomb Tests Ban

By ERNEST MARCH
LONDON (Reuters)—The Labor party today pledged that if it wins the general election May 26, it will propose the immediate cessation of hydrogen bomb tests, urge the neutralization of Formosa and inspire a fresh attempt to unify Germany.

It also will end the "delay" in bringing about high-level talks with Russia and will work for evacuation of the offshore islands held by the Chinese Nationalists and for Chinese Communist admission to the United Nations.

Labor, defeated in 1951 by the Conservatives after six years in office, outlined this foreign policy in a 3,500-word platform entitled "Forward with Labor."

Other measures proposed by the Labor party are higher taxes for persons "who get their money too easily" through excessive profits, capital gains and inheritance of large fortunes. It also promised re-nationalization of the steel and trucking industries, state control of all water supplies and nationalization of parts of the chemical and machine tool industries.

Other Labor pledges are stabilization of living costs; restoration of a completely free state health service with charges on drugs, teeth and spectacles abolished; revocation of sport and theatre taxes; establishment of a ministry of social welfare; and education reforms.

SEEK CLOSE GAP
The party promised to work for lasting peace by meeting the "most profound challenge of our time—the gap between the highly developed industrial nations of the West and the peasant millions of Asia and Africa."

On the same front, the party promised to keep up "defensive power sufficient to deter aggression," and said it will make a "searching inquiry" into alleged "grave deficiencies" in Royal Air Force equipment and use of military manpower.

The party also announced it will scrap the Conservative government's plans for a new, commercial television network financed by advertising. It said it will set up a second TV service, without advertising, to supplement the present state-run network of the British Broadcasting Corporation.

TAKE OVER HOUSES
Another pledge is the taking over of rent-controlled houses from private landlords and their modernization to solve "the vast problem" of disrepair in old houses. Conservatives are likely to attack this as the first step toward

TOO MANY STUDENTS

TORONTO (CP)—Rev. W. Harold Young, secretary of the United Church of Canada's board of colleges and secondary schools, Wednesday predicted a sharp increase in Canada's university enrollment and suggested a limitation on the number of arts student accepted. Dr. Young said that by 1950 Canada's high school age population will have increased by at least 52 per cent over the figure for 1950.
