on which there have been recently erected a Building 40 x 25 feet, used as a Distillery, and a good Dwelling House, 30 x 26 feet. This Mill Site being one of the best in the Island—for a Grist and Pulling Mill—is well worthy the attention of purchasers.

Extensive Sale of REAL ESTATE, &c.

(POSITIVE AND UNLIMITED.) TO BE SOLD at PUBLIC AUCTION, on the premises in Summerside Village, Bedouque, Prince Edward Island, by W. DODD, on WEDNESDAY, the 17th day of June next, the whole of the Subscriber's

REAL ESTATE, HOUSES, &c.

in this Island, consisting in some FIFTY VILLAGE LOTS, or more, in said Village, including 12 Water Lots, secured with a good breastwork of considerable expense. Opposite some of these Lots is the best location in the Village for a Wharf. On part of the Village Lots, near the Government Wharf, stands two DWELLING HOUSES, one Store and Warehouse, and one Carriage Factory, which will be sold with the Lots on which they stand.

Immediately adjoining the Village is a FARM of about 80 acres, 50 of which are in a good state of cultivation, and the balance well covered with a splendid growth of wood. There are also a large Barn, a small Farm-house, Out-house and a large Spring of superior water on the premises. This Farm being situate on the North Side of Bedouque Bay, and gradually descending South to said Village, renders its location pleasant; and as it commands a full view of the Straits, with New Brunswick in the distance, makes it a very desirable site for residences; consequently it will be sold in 5 acre Lots, or in the whole, as may best suit purchasers—the whole of this Farm, however, will be shortly required to supply the growth of the Village, in Village and fancy Building Lots. This property in point of beauty, pleasure, convenience and profit, is second to none in the length and breadth of the Island. A more healthy place cannot be found on the globe—old people have often been known to leave the Island to go to the United States to die. Much might be said of the many advantages for fishing, shipping, general business, &c., of Summerside, and of its proximity to Shediac—the terminus of the Railroad. This Village has grown within the last 3 or 4 years from nothing into quite a town.

Also—At the same time and place will be sold 300 acres of LAND on Lot 8; 100 acres on Lot 3; 100 acres on Lot 15, as also an interest in other Lands at Fifteen Cent.

Also—The Freehold of two FARMS on Lot 25, (John Pickett's and Archibald Waugh's), paying an annual rent of £9 14s. currency. The whole of this property will be sold in Lots, Farms and portions to suit purchasers, and on liberal terms. Good titles will be given. For further particulars, apply to Messrs. BEEB & SON, Charlottetown, or to P. BAKER, Esq., Bedouque, with whom plans of said Village Property can be seen.

April 20, 1857. J. WEATHERBE. This sale will commence at 11 a.m., and will (unless all is sold on the 17th) continue on the 18th. WILLIAM DODD, Auctioneer.

House and three valuable Building Lots for Sale at Summerside.

THE subscriber will sell by private sale the following property, (as the terms of the former sale were not complied with), consisting of three good BUILDING LOTS, fronting on Broadway or Water-street. On the centre Lot there is erected a good DWELLING HOUSE, 28 1/2 by 23 feet, 13 feet post, nearly finished; also, a Kitchen attached, 20 1/2 by 13 feet. This property is situate within a few chains of the public wharf. As a Business Stand it is unsurpassed by any that may be offered for sale for some time to come. It is pleasantly situated, and commands a splendid prospect of the Harbor of Bedouque, the Straits of Northumberland, and a portion of the Province of New Brunswick in the distance. Much might be said of this property in regard to business facilities, being within four or five hours sail of Shediac—the terminus of the Railway which will be in operation soon after the opening of the navigation—and connected with the latter port by means of regular steam and sailing packets, carrying tri-weekly American and Colonial mail; also, with Charlottetown by mail and stage conveyance, (in summer daily), makes it one of the best Business Stands now offered to the public in Prince County. Part of the purchase money will be required down, the remainder in summer. Good titles of each Lot will be given. Further information may be obtained by applying to the Hon. P. WALKER, Charlottetown, with whom a plan of the property may be seen, or to the subscriber on the premises, Summerside, April 20, 1857. P. M. POWER.

PLAN OF THE ABOVE DESCRIBED PROPERTY.

No such word as Fail. A resistless Remedy.

THE first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which tend and exacerbate the malady.

RHEUMATISM SCROFULA ERYSIPELAS. These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation. KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful. DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produce suppuration and proud flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.

Both the Ointment and Pills should be used in the following cases:— Bad legs, Chiego foot, Fistulas, Sore-throat, Bad Breasts, Chibblains, Gout, Skin disease, Burns, Chapped hands, Glandular Swellings, Scurvy, Bunions, Corns (Soft), Lumbago, Store-heads, Bite of Mosquitoes, Cancers (Soft), Piles, Tumours, Contracted and Rheumatism, Ulcers, Sand Flies, Stuff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar,) London, and 50, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

The Examiner is printed and published every Monday by EDWARD WHELAN, at his office, Kent-st., nearly opposite Mr. Coles's Brewery. Price—15s. per annum, payable half yearly in advance.
