Portland, August 5.

To-day the Legislature met at noon, according to adjournment in March last, and immediately adjourned till Monday, to give Convention time to complete its labors.

The Convention's Committee now sitting.

The Hon. Andrew A. McDonald will receive our thanks for a copy of the Portland "Daily Eastern Argus," dated 5th instant, from which we clip the following, respecting the sayings and doings of the Delegates at the International Convention now held in that city:

THE INTERNATIONAL CONVENTION.

The call for a convention of the business men of the States and Canadas was answered yesterday by quite an influx of delegates in our city.

The hour for the Convention to be called to order was 10 o'clock, a. m., but delays occasioned by the late arrivals of delegates prevented the commencing of the movements in City Hall until about half-past 11 o'clock, when Hon. George W. Woodman, in behalf of the Mayor, who was unavoidably absent, requested the Convention to come to order and nominated John Neal, Esq., chairman *pro tem*.

Mr. Neal took his place on the platform, and remarked as it was a convention of businessmen who meant business, that instead of making a speech he should proceed at once to the work, and he would commence by offering to the delegates a most hearty welcome to this city.

The chair then called on the Rev. Mr. Harris of Pennsylvania, to open the Convention with prayer, which was beautifully rendered by the reverend gentleman.

Hon. Frederick Robie of Gorham, and Judge Fowler of New Hampshire, were appointed to act as Secretaries, and completed the temporary organization, and were given places on the platform.

On motion of J. L. Farmer, a committee of five, consisting of the following gentlemen: P. S. Hamilton, of Halifax; William G. Patterson, Esq., President of the Board of Trade of Montreal; J. L. Farmer, Esq., of this city; William H. Craig, of Detroit, and Henry T. Blow, of St. Louis, were appointed to examine the list of credentials, and nominate permanent officers for the convention.

While the assembly was awaiting the report of the above committee, the chairman called for remarks appertaining to the call for the Convention from J. W. Taylor, Esq., of Minnesota, but as Mr. T. was not present at that moment, Hon. H. W. Corbett, of Portland, Oregon, made a brief speech.

General Washburne, of Vermont, then called on Hon. E. H. Derby, of Boston, who had long given his attention and was interested in such matters, and had also given them constant study, who gave a very graphic description of the enterprise of the State of Massachusetts. He said her Savings Banks and Railroads have a larger capital than the valuation of the State of South Carolina, and thus it is seen that from the source of railroads, Massachusetts stands forth in her great strength. He went on to speak of the movements of the iron horse, not only in this country but in Europe. In his conversation with a Minister of Canada to England, he told him that when he spoke before the Court of St. James, that he should remember that he was speaking in behalf of the United States also; and when Canada stretches out her hand to us, he should say, "what God had joined together let no man put asunder." We want help from England as well as from Canada, and he hoped to see the time when the United States should be connected with Canada as one brotherhood, which met with great sympathy.

Mr. Farmer, from the Committee on Credentials, reported that delegates and invited guests were present from Quebec, Nova Scotia, Ontario, New Brunswick, Prince Edward Island, Maine, New Hampshire, Vermont, Massachusetts, New York, Michigan, Wisconsin, Iowa, Illinois, Missouri, Oregon and Minnesota. Two hundred and five names had already been entered upon the books.

The same Committee reported the following list of gentlemen as permanent officers of the Convention.

Hon. Samuel Merrill of Iowa, President.

Vice Presidents—Hon Stephen Tobin, Mayor of Halifax; Hon. Thos. K. Jones of St. Johns, Hon. A. A. McDonald, Charlottetown, P. E. Island; Hon. William Workman, Mayor of Montreal; Hon. T. M. Gibbs, M. P., Ontario; J. D. Standish, Esq., Detroit; Hon Thos. Allen, St. Louis; Hon. Jas. W. Taylor, St. Paul; Hon. William Pitt Fessenden, Portland; Gen. P. T. Washburn of Woodstock; Hon Eli V. Brewster of Dover; Hon. Amasa Walker of Brookfield; Hon. George Folsom of New York; Horatio King, Washington; Hon. Isaac N. Arnold, Chicago; Hon. H. W. Corbett, Oregon.

Secretaries—Hon. Fredrick Robie, Gorham; Hon. O. F. Fowler, Bristol; H. W. Blackadar, of Halifax; E. G. Penny, Esq., Montreal; John Cain, Esq., Rutland; James A. Dupee, Esq., Boston.

The President upon being summoned to the chair made the followidg sensible speech:

Gentlemen, I thank you for this distinguished honor, an honor as being one of the sons of Maine, and an honor to the great State of Iowa which I represent. As I am not in the habit of making speeches I shall not now, and only await your pleasure.

A Committee on the order of buisness, consisting of the following gentlemen, was raised:

Gen. P. T. Washburne of Woodstock, Vt.; Hon. H. T. Blow of St. Louis; Hon. Jos. W. Taylor, St. Paul; William H. Craig, Esq., Detroit; W. J. Patterson, Montreal; Hon. John A. Poor, Portland; Hamilton A. Hill, Esq., Boston; Hon. H. W. Corbett, Portland Oragon, John D. Nash, Halifax; Hon. Chas. Fisher, Frederickton, N. B.; F. Brecken Esq., Charlottetown, P. E. I.; Hon. Fredrick Smith, Manchester, N. H.

The Convention then adjourned till three o'clock in the afternoon.

AFTERNOON SESSION.

Commenced at 3 o'clock with the reading of the report of the Committee on the order of business:—

1st, The Railroad across the Continent.
2d, Lake, River and Canal Navigation.
3d, International Commercial relations.

The places and hour for the meetings of the the several Committees were then given, and the Convention stands adjourned to 10 this A. M.

The Editor of the *Globe*, writing from Portland of the withdrawal of himself and the other Provincialists from the Convention, fully confirms the TELEGRAPH's estimate of the affair. He says: "The Convention is nothing more nor less than a well laid scheme on the part of Mr Poor and his friends, to create public opinion in favor of the extension of the Rutland and Burlington Railway to Odgensburg and thus cut off the Grand Trunk. * * All the other matters before the Convention are but auxiliary to this; and to secure an expression in its favor, Mr. Poor and his coadjutors will vote confidence in a Puget Sound Railway, or in a Railway to the moon for that matter."—*St. John Telegraph, August 8.*

PENMANSHIP.

WE have much pleasure in publishing the following letters: one from the Superintendent of Education of Nova Scotia, and the other from the Secretary of the Board of Education of this Island. We have no hesitation in saying that Mr. B. F. Staples deserves these recommendations; his classes are held in the same building from which we publish our journal, and we can bear ample testimony to the improvement made by both old and young in the few lessons yet received by them. We would recommend all who wish to write a good hand, to avail themselves of the opportunity now offered of attending these classes; and to the Teachers throughout the Island, we would say, lose no time in introducing Mr. Staples' series of Copy Books into the schools now under your charge.

Education Office, Halifax, N. S., July 13, 1868.

DEAR SIR:—In answer to your letter of the 10th inst., in reference to your progressive system of Penmanship, as embraced in your Copy Books, it affords me great pleasure to state that your series as now arranged, gives the utmost satisfaction throughout our Public Schools. Books 1 and 2, of imitative exercise, furnish just such a preparation as is found necessary, in order to a profitable use of Books 3, 4, and 5. The remainder of the series carry the system into thorough practice.

You are aware that the sale of your Books is very large in Nova Scotia, and that they are now almost exclusively used throughout the Public Schools of the Province.

When No. 12 is issued, and your two charts, now in press, are ready, I believe your system will be very complete, and better adapted to our schools than any other known to me.

I believe the Board of Education in P. E. Island would be doing much for their schools, by introducing your system. The brother of our Chief Justice will doubtless, like his brother, be foremost in everything calculated to further public education, and I would suggest the propriety of your having an interview with him, if possible.

Very truly yours,
J. H. RAND,
Pro. Supt. of Ed.

B. F. Staples, Esq., Ch'town.

Board of Education, Charlottetown, August 1st, 1868.

MR. B. F. STAPLES,

DEAR SIR:—I have the honor to inform you that the Board of Education had under their consideration at their last monthly meeting, your proposal for the introduction of your progressive series of Copy Books into the public schools of this Island, and that the Board expressed their high approval of your system, and recorded the pleasure it would give them at seeing the system introduced, wherever practicable.

I am, Dear Sir, yours respectfully,
JOHN McNEILL,
Sec'y. B. E.

ANOTHER P. E. ISLANDER ABROAD.—The "Mankato Weekly Journal," of the 25th July, a paper published in the State of Minnesota, contains the following paragraph:—

THE UNION SCHOOL.—The Board of Education has appointed Henry Barnard, Esq., superintendent of the Mankato district, who is also to be principal of the Union School. He is a young man of fine acquirements, and we believe that the school will be successful to an unprecedented degree under his management.

THE "Herald" says that the Hon. T. H. Haviland intends offering his land on Lot 56 and 43 to the Government at an early day, and that the Government will be prepared to treat with him with a view to its purchase.

THE Steamer "Alhambra," from Boston and Halifax, arrived at this port on Tuesday evening last with a large quantity of freight, and sixty passengers.

WE understand that Sir John A. McDonald, Lady McDonald Sir George E. Cartier, and the rest of the concillators, are expected to call here on Tuesday next, in the government steamer *Druid*, on their way back to Ottawa from Halifax.—*Pat.*

Carlton's Condition Powders.

MR. WM. M. WRIGHT'S READINGS.—We beg to call the attention to the advertisement, in another column, of Mr. William M Wright's Readings at the Temperance Hall on Thursday and Friday evenings next. The St. John *Morning Journal* speaks as follows:—

"Mr. Wright's reading of the humorous passages is delightful, and calls forth repeated and irresistible bursts of laughter. But it is not in the comic alone that Mr. Wright excels, for when in the pathetic passages he brings tears into strong men's eyes and women weep outright, his success cannot be doubted; and to this success the sympathetic tones of a sweet and flexible voice contribute almost as much as his dramatic power."

Mr Wright is accompanied by Mr Smith, Vocalist, from Boston, who will vary the Entertainment by introducing a few select songs. The highly intellectual and moral tone of this entertainment cannot fail to receive the patronage of our citizens.

MR. BARRET, who has been a successful Temperance lecturer in Nova Scotia, and who made himself favorably heard at meetings addressed by the recent Temperance delegates from Nova Scotia, will commence his lecturing tour through the Island, on Tuesday evening next, the 11th inst, at 8 o'clock, at the Temperance Hall, Charlottetown. We bespeak for him a good audience.—*Pat.*

A CYNICAL EXPRESSION.—Speaking of a widower who was about to marry, Dr. Johnson said it was "a triumph of hope over experience". The triumphs of Grace's Salve, however would have led Dr. Johnson, were he now living, to have extolled its virtues in a long dissertation. This Salve is an old remedy; and a few applications of it cure; to entire satisfaction.

Staples' New Pens.—Mr. B. F. Staples has recently invented another description of pen which we take great pleasure in recommending to the public. It is a plain circular pointed pen, with a smoothly-rounded point. It is made entirely of steel, and unlike most pens, it is very durable, and will stand any amount of hard usage, without materially damaging it. Mr. Staples is indefatigable in his exertions to supply the facilities to ensure a thorough system of penmanship among our people, and we trust that his excellent copy books, which are authorized by the Council of Public Instruction, and his good pen will be extensively used throughout the Province.

WISTAR'S BALSAM OF WILD CHERRY is a pleasent remdy for every kind of a cough, cold, and irritation of the breathing apparatus; it is a safe remedy; it is a powerful remedy; it is a speedy remedy; it is a remedy that cures.

Persons troubled with cramp in the stomach, side or bowels, sore throat, &c., by a combined internal and external application of Johnson's Anodyne Liniment cannot fail of certain and speedy cure.

If your horse has a common cold, catarrha Fever, or Distemper, (symptoms—fever, cough, nasal discharge of a brownish color,) give Sheridan's Cavlary Condition Powders.
