And here at last is the news for which you have all been waiting.

You may now purchase a rubber tired all steel roller bearing wagon at a price never before realized.

Last year we broke into the wagon market and slashed prices until we were selling our wagons at \$168.50. We were completely sold out of over a car load of wagons in less than four weeks.

Now we offer the same wagon with many improvements, such as removable disc wheels, at a lower than ever price.

No doubt you wonder how we can do this, the answer is in mass buying.

Now is the time to place your order for that rubber tired wagon which you have been doing without too long.

The price on this implement has been slashed to rock bottom of \$156.00. Get in on this offer now. We will hold your wagon on receipt of your order until such time as you need it.
