

Our dear Friends:

We think it does us all a great deal of good to sit back once in a while and take a good look at ourselves, our lives and this little old world we live in.

Sometimes our pride plays tricks on us, as for instance, when we at Holman's began to feel that we are an "old established firm" after 106 years of business on Prince Edward Island. It takes an event with the magic of Christmas to put things back in their true perspective, for we are very young and very insignificant indeed, when we contemplate the time tested traditions which have been building up for over nineteen hundred years since the birth of Christ.

The Clarion call — "Glory to God on high and on earth, peace, goodwill towards men" still rings as fresh in our ears today as it did on that historic eve when it was first uttered. It still remains a challenge to us all, a challenge to place God first in our lives and strive for greater goodwill between us all until we eventually achieve our ultimate goal of universal peace on this, our planet, Earth.

With best Wishes for a Merry Christmas to you and yours,

Sincerely

HOLMAN'S OF P.E.I.
