DOWN THE BACK STRETCH

Old Home Week got under way last Monday evening with a broadcast in which speeches were delivered by His Honor the Lieutenant Governor, the Premier, His Worship Mayor B. Earle MacDonald, the Minister of Agriculture and others, extolling the many improvements to the grounds, the building of new stables for race horses and accommodation for livestock. Premier Jones mentioned that a total of $156,000 had been earmarked for improvements at the Charlottetown Exhibition plant, one-third of which would be paid by the Dominion Government, one-third by the local Government and the balance by the Driving Park Association. Future plans call for the building of a new grand stand and a covered arena for the exhibition of livestock and other activities. Great credit is due to the promoters of the idea and the co-operation shown by the governments in aiding this, the finest Exhibition east of Toronto.

The races on Monday night drew a turnout of between three and four thousand and were excellent with new records set up in several. P. J. Cadegan's Arionway (W. Lewis) won the first mile in the 2nd Division of the 2.26 Trot in 2.22, and Winnie's Last the second dash in 2.17. Winnie's Last was driven by the owner, Robert Shea, due to an accident to her driver Len O'Meara. Celia Sherren, owned by D. C. Rankin, North Sydney, and driven by Mike Jabalee, was a surprise winner of the final dash, taking a new record of 2.19 2/5.

In the 1st Division of the 2.25 Pace Harry Hirsch's Joan Chief was a winner in 2.11 4/5 for driver Mauger, with Chocolate Dip (C. O'Brien) second and Abner the Great (Sobey) third. In the second dash of this event Abner the Great showed his true form, winning in 2.11 2/5, which knocked three-fifths of a second off his record. Campbell's Buddy (McGregor) that we have predicted so much for, was second, Alan Mac was third and Joan Chief fourth. In the final dash of this event Abner the Great won again in 2.14 with Campbell's Buddy second, Chocolate Dip third and Alan Mac fourth.

In the 2nd Division of the Junior Free For All Miss Knox, owned by Commander G. H. Buntain and driven by Joe Hennessey, won in 2.09 2/5, lowering her record from 2.10. Lock Hanover (C. O'Brien) 2, Ohio Hal (W. Lewis) 3, Colonel Looker (Kennedy) 4, and Time Table 5. In the second dash of the same event Lock Hanover won in 2.09 2/5, Ohio Hal 2, Miss Knox 3. In the 1st Division of the Junior Free For All Dick Erla 2.04 3/5, owned by Norman Acker of St. Stephen, and driven by Roy Creamer, was the winner in 2.08 3/5. This horse does not appear in the Year Book for 1950. He is an 11-year-old bay gelding by Dick Reynolds 1.59¼ and his dam is Erla, 4, 2.01¾, a daughter of Cita Worthy 2.09¼, also the dam of Watchim 2.06. He was sold at the Harrisburg sale last November and has certainly been a good buy for the new owner. In second place after a brief fight to win was Argot Pointer (Cormier) who on Wednesday night previous had taken a record of 2.07. Dick Erla won the second dash also in 2.08 3/5 with Vella La Vella (MacDonald) 2, Jenny Lynn (Campbell) 3, Mannister Direct (Sobey) 4, Argot Pointer 5.

Tuesday night's racing card was rained out and carried over until Wednesday. The 1st and 9th dashes of the 2nd Division of the 2.25 Pace were won by the three-year-old pacer Anne's Boy, owned and driven by George A. Callbeck of Summerside. Her first mile in 2.14 2/5 is a highly creditable record. It is some years since a juvenile pacer of such class has shown up here. The three-year-old Shining Hour (W. Lewis) was 2-2-2, Lady Abner (Moreside) 8-3-3. The 2nd, 6th and 10th dashes of the 1st Division of the 2.26 Trot saw Lusty's Queen, by Lusty Frisco 2.07¼, owned by Hines & Nicholson of Halifax, and driven by Lloyd Walker, top the summary with 1-1-2. The four-year-old Tyndall Semple, owned and driven by George Woodside, now residing in Fredericton, was 3-5-1 and Joandale (C. Willis) 2-2-5. The first heat in 2.14 was a new record for Lusty's Queen and Tyndall Semple also took a new record in the tihrd heat—2.16 1/5.

The 3rd and 7th dashes of the 1st Division of the 2.10 - 2.20 Classified resulted in a split up. Rusty Hanover, owned and driven by Paul Woodcock, St. Stephen, won the first heat in 2.11 2/5 with Prince Budlong, owned and driven by Harold Cudmore second. The second dash was won by Prince Budlong in 2.14 with Josedale Clipper (McGregor) 2, Crusader Chief (W. Lewis) 3. The 4th and 8th dashes, 2nd Division 2.10 - 2.20 Classified were split up with Abbeland (W. Jardine) owned by J. S. Watts, Gaspe, P.Q., winning the first in 2.10 3/5, a reduction of one-fifth of a second off his record. Billy McVey, owned by Dr. Temple Hooper and driven by Harvey Cormier, won the other dash in 2.11 4/5 with Abbeland 2, Silk Hal (McGregor) 2-5.

Wednesday night's racing card of eleven dashes drew an enormous attendance, even larger than the afternoon. The 1st and 6th dashes of the 2.10 - 2.20 Classified 6th Division were won by the recently imported three-year-old pacer Globetrotter, that took a two-year-old record of 2.11 4/5. He is owned by Harry Hirsch of Sydney, and was driven by Titter Mauger, with Valley Long (Llewellyn) 2-3, Just Flicka (H. Cudmore) 5-2, Shy Ann 2nd (R. O'Brien) 3-5; time, 2.19 4/5, 2.18 4/5. The 2nd and 7th dashes of the 2.10 - 2.20 Classified, 5th Division, was split up between Billy Conn, owned by E. Bowness, Summerside, and driven by Claude O'Brien, with 1-2, New Look, owned and driven by James McGregor, 2-1, Dudy Budlong (R. O'Brien) 3-4; both heats in 2.14 4/5.

The 3rd, 8th and 11th dashes featured the Free For All Trot with six of the best trotters in the Maritimes taking part. Jennie Kalmuck, owned and driven by Lorne Letcher of Springhill, N.S., was 1-1-1, Cobblestone (W. Lewis) 2-2-2, Nell Kalmuck (W. Kelly) 4-3-3, Great Doon (R. MacDonald) 3-6-6; best time 2.12. The 5th and 10th dashes of the 3rd Division of the 2.10 - 2.20 Classified were both won by Dale B. (Claude O'Brien), owned by George Hughes, Brackley; Richard Budlong (Woodcock) 2-4, Miss Donna Mae (Letcher) 4-2, Rosalie Hooper (Cormier) 3-3.

Another large attendance saw the racing on Thursday afternoon with the ten dash program full of action and a lot of new records taken. In the 1st and 6th dashes of the 3rd Division of the 2.21-2.24 Pace, Lil Frisco, owned and driven by Don McNeill, won the first in 2.16 4/5—a new record for her, and was second in the other dash which was won by Lindy H., owned by Phil Cobb, Charlottetown, and driven by Harvey Cormier. Random Harvest (Lewis) had the next best summary, 2-4, Bonnie June (O'Donnell) 4-3. The 2nd and 7th dashes, 2nd Division of the 2.21-2.24 pace saw Freddy Scott, owned by Dr. J. A. Donahoe, Truro, and driven by R. O'Brien, win the first in 2.15 2/5 and Neil Budlong (Hennessey) the other dash in 2.15 3/5—a new record for this good pacer owned by Fred Taylor, Breadalbane. Prairie Pete, owned and driven by H. Andrews, Sydney, won the first heat of the 1st Division, Classified Trot, in 2.13 4/5—a new record. Bud Kalmuck, owned by J. E. Given of Halifax, and driven by Balbo Gould, won the other dash in 2.12 2/5, also a new record. Lustucia (Kennedy) was 3-5 and Jimmie A. (O'Donnell) 6-3. It was a real nice class of good trotters. In the 2nd Division of the same event both dashes were won by that honest little trotter Bonnie Dale, owned by Chester Birt, Mount Stewart, and driven by Willard Kelly. Playaway (Cormier) was 2-2, best time 2.18 2/5.

In the 5th and 10th dashes, 1st Division 2.21-2.24 Pace, Lela Budlong, owned and driven by Leo Collins, Montague, won the first in 2.14 with Carl Aubrey (Kennedy) 3, Abegweit Milady (Smith) 3. The 2nd dash was won by Captain Missouri, owned by Alfred Lowery, Montague, with driver Llewellyn up. Friends of Alfred, who has been laid up with an injury received in driving at St. Peter's, will be glad of this win. Time, 2.15 1/5.

Thursday night's races were witnessed by probably the largest crowd of the week, the feature event, the Free For All, accounting for this greater interest in the racing. The 1st and 5th dashes, 4th Division 2.21 - 2.24 Pace saw the veteran Bob Canuck, owned by Gregory and McLean of Charlottetown and Souris, and driven by Len O'Meara, win the first in 2.16 4/5. Len had been badly bruised in Monday night's racing and all were pleased to see him out again. He is one of the best liked drivers racing. Bob was second in the other dash, won by Silver Sis, owned by Mrs. Mike Jabalee of North Sydney and driven by Mike, who years ago piloted one of the greatest pacers that ever stepped over a Maritime track — Marjorie M. 2.07¾. The 3rd Division of the 2.25 Pace was a three heat affair with Hardroad Bill, owned and driven by Harold Stead, Brackley, winning the first and third dashes and Sister Mary, owned by the H. & S. Stable and driven by Harvey Cormier, winning the middle dash in 2.16 4/5 — a new record. Norine Grattan (Smith) was 2-3-2. The 3rd Division of the Classified Trot saw the dainty little fashionably bred three-year-old trotter Pet Hanover, owned by Roy Bevan and driven by James McGregor, winning both dashes and taking a record of 2.18 1/5. When this mare came here she could neither pace nor trot a three-minute clip, and the many friends of that good sportsman Roy Bevan, are tickled to see her do so well. Congratulations also to owner-driven Sheen who was 2-2 with Bertha Grattan.

The real fireworks were reserved for the Free For All. Many thousands were expecting a pos-

A promising double program of afternoon and evening Old Home Week racing took a severe rap on the knuckles from the weatherman during yesterday when continual rain forced the postponment of both sections of the program. Already having suffered a setback on Tuesday when the evening program for that date was rained out, officials were just getting nicely over the inconvenience and in a position to wind the full week's show up in its entirety by Saturday with fine weather on Wednesday and Thursday, when the weather threw a large monkey wrench into proceedings yesterday.

• • •

But as the saying goes, "It's an ill wind that blows nobody good" Racing fans who will be having a holiday respite from the weekly chores of business will be given the opportunity of seeing some top-notch racing both this afternoon and evening when yesterday's postponed program will be held today as a gala windup to a full week of harness racing entertainment. Featuring four classes in the afternoon and four more in the evening, a large total of 20 dash events will be witnessed during the full program.

• • •

Highlighting the afternoon card will be the Free-For-All Pace (Classified) when six bearcats of the racing oval will battle it out for top honors. Seen in action in that event will be Argot Pointer, the pacing stallion who twice during recent weeks has clipped off the mile in 2:07 over the same track, and Ohio Hal, Col. Looker, Mannister Direct, Vella La Vella and Miss Knox, all leading contenders who can be depended upon to come up with a major upset when it is least expected. Other classes on the same card will bring together five starters in the first division 2:10-2:20 pace, the second division of the same class also with five starters and last but by no means least, the classified trot and pace with five top-notch entries.

• • •

Heading the evening card, which will bring an excellent display of Old Home Week and Provincial Exhibition Association racing to a close, will be the classified pace that will present such leading entries as Abner the Great, Jerry Lee Volo, Dale B., Campbell's Buddy, J. S. J. and Miss Donna Mae in what is expected to be a thrilling racing feature all its own. Supporting the Classified Pace on the nightcap will be the fourth, fifth and sixth divisions of the 2:10-2:20 pace. Two of those division will send out six starters each while the other will feature five starters. All three divisions are expected to produce plenty in the way of thrilling track action

• • •

Racing, however, isn't the only sporting feature that will hold the spotlight over the week-end. Golf, tennis and baseball will also come in for more than their share of attention from the sport following public.

• • •

The Summerside Golf Club will be the site for the centre of local golfing interest. A large field of golfers will tee-off there this afternoon in the opening 18-holes of competition in Provincial amateur championship play, while at the Charlottetown Tennis Club, located in Victoria Park, a special opening ceremony of a new clubhouse will be held in conjunction with matches in the annual senior club tournament. His Honor, Lt. Governor T. W. L. Prowse will dedicate the new building while many other special guests of civic and tennis circles will be present.

• • •

The resuming of City Baseball League play after a full week of inactivity will be the leading feature in that department when the Rovers and Stars will clash over Memorial Field on Sunday afternoon. The match will be one of three games left to be played to decide the regular schedule winner before playoffs begin. It will be an important clash for both teams and plenty of good ball is anticipating.

Carloadings

OTTAWA, Aug. 17—(CP)—Carloadings on Canadian railways decreased during the week ended Aug. 11 to 76,176 cars, compared with 78,613 cars for the previous week, but were above the 75,461 cars for the corresponding week a year ago.

The Bureau of Statistics reported today that increases over the similar week last year were shown in loadings of grain, ore, building materials, pulpwood, gasoline, and woodpulp and paper. Decreases were registered in livestock, coal and lumber.

The oldest Anglican church in Canada is St. Paul's, built at Port Royal, N. S., in 1750.

Amateur Golf Tourney Opens At S'side Today

The Prince Edward Island Amateur Golf championships will get underway at the Summerside Golf Club at two o'clock this afternoon when the first 18-holes of the 36-holes medal play competitions will be held.

The final 18 holes of play will be held at the Belvedere course of the Charlottetown Golf Club next Saturday.

The keenest type of competitive play is expected when Art MacKenzie of the Charlottetown Club will defend his Provincial title against an expected entry list of sixty competitors.

All entries will be received at the Summerside club on arrival and match draw will be arranged on entry.

Competitions will be held in three divisions if enough entries warrant it and prizes will be awarded for low net and low gross in each division.

Famed Bisley Marksman Dies

VICTORIA, B. C., Aug. 18 — (CP)—Major Fred Richardson, 90, famed Bisley marksman, died today.

Born in Wakefield, Eng., he joined the Territorials when 16 and came to Canada two years later.

He was a member of Canadian rifle teams which went to Bisley 23 times.

The greatest prize—the King's Prize—eluded him, but he won most of the others, including the Prince of Wales Cup, and the Empire All-Comers Aggregate.

At the Dominion Rifle Association meeting in Ottawa in 1930 he won the Governor-General's Medal in a spectacular finish.

Commends Local Operation Of Pari Mutuels

Mr. James Higginson, Dominion Department of Agriculture, Ottawa, is in Charlottetown this week on official duties. His Department has long had control of pari-mutuel betting for the running races, but a recent amendment to the Criminal Code has brought harness racing under their jurisdiction as well, and Mr. Higginson came here to attend the Old Home Week races.

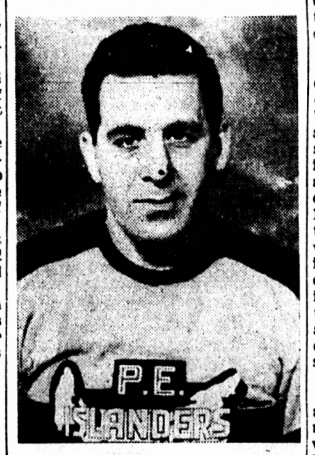
He reports that conditions here are good and the management of the local track is doing a good job. Asked if he had heard any complaints from pari-mutue customers, he said that the customers here could have "every confidence" in the local management.

Mr. Higginson stated that the system in effect here was the same as that employed on the larger tracks elsewhere and was working very satisfactorily.

FISH BAIT

The Angler fish found in Atlantic waters gets its name from the belief that it attracts prey by lights on its head.

PHIL SIGNS TOO



P. E. Islanders Hockey Club manager-coach Leo Lamoureux announced that he received a signed contract and playing card from defenceman Phil Vitale (above) yesterday, making the third player of last year's Maritime "Big Four" champions to sign for the 1951-52 hockey season. Preceding Vitale were teamcaptain Wes "Bucko" Trainor, ace Islanders centre and Johnny Dutchak, all-star rearguard in the Big Four circuit last season.

The re-signing of the husky, 117 pound Vitale, the man who was the nemesis to every opposing forward in the Maritimes last year, will be a big insurance marker in the local Club's fight for prominence in the winter's forthcoming hockey wars. Phil, accompanied by his wife, is expected to arrive here a couple of weeks prior to the commencement of the training season.

Coach Lamoureux also had other good news. He received a telegram from right winger Johnny Black yesterday stating "I am in top condition and will be arriving in time for pre-season training."

Hailing from Edmonton, Alberta the classy re-instated pro who made such a strong impression with local fans and Maritime hockey followers in general before he was sidelined with a serious knee-injury, will be another strong factor in Islanders bid for Maritime Major League honors this year.

HORSE STEAKS

WINNIPEG — (CP)—The manager of Manitoba's only horsemeat retail butcher shop says Winnipegers consume almost 3,000 pounds of horsemeat every week. Most popular cuts are tenderloin steak and roast which retail at 60 cents a pound.

For years the writer has, through the medium of this column, advocated and worked hard for the commencement of an extensive and province wide program of dam building. I have long contended that better and cheaper dams could be constructed by eliminating the old waste gate system and instead diverting the stream course after a solid earth embankment had been built across the original channel. Thus a natural fish ladder is available for trout ascending from the sea to continue on into the dam instead of being forced to halt at the sluiceway pool where they were victims of any illegal method of taking that the tortuous minds of poachers and game law violaters can devise.

• • •

At long last our license money is being spent to good advantage. Our Department of Industry and Natural Resources have instituted decisive action in this respect. It has engaged the services of Sterling MacKay, better known to his associates as "Ginger", in the capacity of dam builder and results to date have been truly amazing. Blanchard's Dam, formerly Myrick's, on the Little Tignish River that has been out for 25 or 30 years has been completely renovated and re-built. In the old days this dam was a top notch producer of both trout and ducks.

• • •

In addition the break in the Getson Dam at Coleman has been repaired and work has been commenced on the old Clark dam at the head of the Wilmot River near Kensington. Those three projects are big scale operations as they are situated on large full flowing streams and the area flooded compares favourably with any existing dams in the province. "Ginger" is right at home in this type of dam construction as he is one of the few who saw eye to eye with this columnist as to this method of dam building.

• • •

As soon as the Wilmot Dam is completed work will be commenced on the Acorn dam at Pownal. While this dam site is not in the same class as the aforementioned sites in respect to area flooded it is a heavy trout producing stream and three beaver dams have been constructed on its headwaters Five years ago in excess of one thousand trout, by actual count, were caught in one of those dams in a single week. A large number of gravelly springs act as spawning beds for thousands of eggs and the resultant fry find food and sanctuary in the dense watercress beds that flourish on this stream.

• • •

This will be welcome news for all ardent fishermen and it does not require a vivid imagination to visualize this province dotted with both new and reclaimed dams. Our cold spring fed streams are teeming with small trout that only require water volume to transform them into real tackle testers.

• • •

These mid-August nights are reminiscent of October duck shooting. One evening last week, as the day's last light faded and night clouds dotted a wild sky, I stood on Bothwell Beach and thrilled to the whistle of wings as a flock of twenty-five black ducks passed swiftly overhead. They came from the direction of East Lake and disappeared in the westward shadows, probably Black Pond bound.

I am always suspicious when I see large flocks of ducks on the move in early August. To me it smacks of having being disturbed by pre-season hunting. Prospects for a banner opening day duck shoot are bright . . . . broods are plentiful and large in size. When I say that ducks are plentiful I mean just that. On the evening of August 3rd I stopped on a bridge spanning a river mouth in a district in West Prince.

• • •

The water was like a mill pound and in the last clear light as the sun sank in the west, every object along its reedy margin stood out in bold relief. Believe it or not I counted six broods of ducks, four of them within easy stone's throw. Three were Green-wing teal and the rest were blacks. The largest teal brood held 11 birds and the top black duck flock contained nine. All told the six broods tallied up to between 45 and 50 birds If anyone wishes confirmation on this, speak to George Bowness, exharness maker, Summerside . . . . he was with me on the evening in question.

• • •

Recent reports received from Alberta indicates a heavy duck increase in this province. Incidentally Alberta was the tailender in respect to the duck crop last season. The May report indicated an increase of 61.5 per cent. However the July report showed a substantial decrease in the estimated duck crop over the May report . . . 51.2 per cent. This decrease in part at least is attributed to the June blizzard. It is estimated that in

Maritime Marksman Wins Big Prize At Shoot

CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 17—(CP)—A Maritime marksman today won the silver ice tub and a silver cross in the Grand and All Comers' Aggregate at the 83rd annual Dominion of Canada Rifle meet.

F/O. Tommy Gregory of Moncton, N. B., won both the aggregates by posting the highest aggregate scores in the Tilton, Connaught, Bankers', MacoDugall, MacDonald, the qualifying stage of the Governor-General's Match and the City of Ottawa competitions.

He carded a combined score of 613 of a possible 625 in the All Comers' Aggregate, 660 of a possible 675 in the Grand Aggregate.

Other Maritimers placing high in the Grand Aggregate were: Maj. G. A. MacDonald, Charlottetown; RSM W. Shorten, Shearwater, N. S.; Sgt G. E. Lawrence, Sackville, N. B.; A. F. Gormley, Charlottetown; Miss Elsie Strong and Gnr. C. C. Strong of Windsor, N. S.; J. D. O'Connall, Moncton, N. B.; E. M. Nason, Moncton, N. B.; Sgt. P. J. Landrigan, Charlottetown; Bdr. Ray MacDonald, Southport, P.E.I.

Lieut. Gilmour S. Boa, 27-year-old 48th Highlanders officer who this year brought the King's prize to Canada for the first time in 22 years, won the King's Medal.

It was the third consecutive year Lieut. Boa has posted the highest score in the match.

He carded a score of 182 of a possible 200 seven points off his last year's record card of 189.

The scores in the Grand Aggregate are added to the scores posted in Saturday's final round of the Governor-General's Prize. Out of this will come Canada's 1952 Bisley team

The British Columbia Rifle Association team copped the London Merchants Cup, beating out teams from Alberta and Prince Edward Island, who finished second and third respectively.

The eight-man B.C. team posted a combined score of 553 of a possible 600 from 1,000 yards. Alberta had 533 and P. E. I., 532.

Rovers, Stars To Meet Here Tomorrow

The City Baseball League will swing back into action after a week layoff due to Old Home Week activities when the North-east Rovers and the East End Stars will meet at Memorial Field tomorrow afternoon at 2:30.

The game will be the first of these postponements to be played that will wind up the regular schedule leading into the semi-final playoffs. It wasn't scheduled to be played until next Tuesday, but in view of the fact that there will be no junior game scheduled there Sunday as planned, officials will take the opportunity to speed up the schedule and clear the decks for the forthcoming playoffs.

The other two postponements to be played will be Rovers at Anchors and Stars at Anchors which will likely be played on Tuesday and Thursday of next week.

Rovers are presently holding down third spot in the league race, one game below the leading Anchors and Falcons, while Stars are trailing in the cellar by three games.

Plans Finalized For Provincial Swimming Meet

Plans for the holding of the Second Annual Provincial Swimming and Diving Championships at Summerside on Wednesday, August 22nd., were finalized here last night at a special meeting of the Provincial Swimming Committee.

Held in the offices of the Red Cross building, the meeting was presided over by Committee Chairman Ken Callbeck of Summerside and attended by Queen's County Chairman, Clarence Walker, City Fred Bingham and Ross MacKenzie of the Summerside Y's Men Club, Dr. Ray Barrett, Charlottetown Y's Men Club, Father Eric Robin of North Rustico and Mrs Harry Cudmore, Director of Red Cross Swimming and Water Safety.

Although the loose ends of many details in connection with the forthcoming meet were brought together, the main purpose of the meeting was to appoint the officials for the competitions. It was decided that the racing judges, stroke judges, diving judges and timers will be appointed from each of the three Counties competing. The names of the officials will be announced later.

The meet will bring together the first and second winners of each event in the individual County championships held earlier this summer and the officials at last night's meeting expressed enthusiastic hopes for a stellar meet this year. It is anticipated that some 100 entries will be taking part.

The meet will be sponsored again this year by the Summerside Y's Men Club, while trophies for winning competitors will be presented by the Department of Physical Fitness.

Following the meet, a special banquet will be held for both swimmers and officials at which time the presentation of prizes will be made.
