Lady Curlers Receive Crests At Get Acquainted Supper

On Wednesday evening the lady curlers of the Charlottetown Curling Club were joined by the social members at a "get acquainted" pot-luck supper in the Banquet Hall at the local club. The supper was convened by Mrs. Tarky Whitlock and was presided over by the president of the Ladies' Branch, Mrs. Clifford MacDonald, who introduced the members of the club executive to the group. Mrs. Gordon Stewart, chairman of the membership committee, introduced the new members.

An excellent report on the October Fashion Show was given by Mrs. Walter Pickard who had acted as convener, assisted by Mrs. Alfred MacNeill. Mrs. Pickard thanked the models and other club members for their co-operation in making this project such a success.

The presentation of crests to last year's winners of the Crockett Trophy, which was emblematic of the Prince Edward Island Ladies' Curling Championship was made by Miss Bessie Prowse, past president of the Charlottetown Lady Curlers, to the following members of the winning rink: Miss Mary MacLellan, skip; Mrs. Myron Bell, mate; Miss Marion MacDonald, 2nd. stone and Mrs. Andrew Humphrey, lead.

A singsong led by Mrs. Arthur Roper with Mrs. Gordon Stewart at the piano was heartily entered into and enjoyed by all.

Interest in ladies' curling has increased greatly this year since the recent announcement that the Dominion Diamond "D" competition will be held for the first time during the present curling season and will be played off at Oshawa, Ont., on March 23, 24, 25. It is expected rinks from every province will compete for the Ladies' Dominion Curling championship.

Science Now Shrinks Piles Without Pain Or Discomfort

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded
