

The Best Man!

TO REPRESENT Queen's County in the Commons.

JAS. C. POPE

The Issue: WILL WE OR WILL WE NOT TAMELY SUBMIT TO BE JUSTLY DEPRIVED OF REPRESENTATION IN THE CABINET?

DO WE OR DO WE NOT APPROVE THE ACTION OF THE DOMINION GOVERNMENT IN REMOVING MR. LAIRD, AND NOT EVEN OFFERING HIM HIS VACANT SEAT TO A REPRESENTATIVE OF THIS PROVINCE?

The Examiner.

Charlotte, Nov. 17, 1876.

THE SQUARE ISSUE.

LET the questions upon which the people have to decide next Wednesday be fairly understood.

Do we approve of the base attempt to rob one-half of the electors of this island of their franchise?

Do we approve of P. E. Island being deprived of its only seat in the Cabinet?

Do we approve of subsidizing a Bank with \$20,000 to \$30,000 a year of the public money, because its President came down handsomely to help in a "Big Push"?

Do we approve of subsidizing the Speaker of the House of Commons with eight thousand one hundred and seventy dollars, contrary to the spirit and letter of the law?

Do we approve of subsidizing a Cabinet Minister (Mr. Vail) with a fat printing contract, contrary to the spirit and letter of the law?

Do we approve of paying four cents a pound more on sugar, only to put money into the pockets of Yankee sugar refiners?

Do we approve of the Steel Rail transaction through which the country has lost \$900,000?

Do we approve of Mr. Cauchon as President of the Council?

Do we approve of Mr. Laird's sloping off to the Northwest with a parcel of beads and looking-glasses for his Indians, forsaking the interests committed to his care, without saying one word to his constituents?

Do we approve of the hypocrisy which leads a Party to brow beat "purity" and to "elevate the standard" in such a way as to lose FORTY SEATS FOR BRIBERY?

To vote for Mr. Welsh says "Yes" to these questions.

To vote for Mr. Pope says "No."

We have little doubt how the intelligence and honesty of the free and independent electors of Queen's County will dictate their answer.

AN ANSWER TO THE "PATRIOT."

WE re-publish Mr. DeBlois' moderate, reasonable and timely letter in answer to the inflammatory "leader" of the Patriot of Thursday last. We need add nothing. By the way, isn't it odd that the Patriot is apparently as blind to Mr. DeBlois' letter as it is to the Toronto Globe's article in favor of "Maritime Union"?

To the Editor of the Examiner.

SIR:—From the action taken by several members of the Local Government in the present Queen's County Election, the Dominion House of Commons many of my political friends may be surprised that I, a staunch Liberal Conservative, should, up to this time have kept aloof from all party meetings.

My reason for so doing is indeed that given by yourself in the article, which appeared in the last issue of your journal, under the heading of "The Questioning."

I maintain that the first duty of a constitutional government is to look to the interest of those from whom their power is derived, and to carry out to the best of their ability the measures upon which they were allowed to assume the reins of state.

THE ELECTORS OF BOTHWELL have returned Mr. Mills. Of course they have. They were not such fools as to throw over their shoulders the \$7,000 bond which Mackenzie stole from Prince Edward Island for the purpose of mollifying them.

And shall we tamely acquiesce in being deprived of a privilege which Ontario prizes so highly? Electors of Queen's County will you? If so, vote for Welsh. If not, VOTE FOR POPE!

TWO GRIT "ELEVATORS."

W. D. STEWART—we do not write the Hon. W. D. Stewart, Commissioner of Public Works, simply because it is not proper to mix up the name of a member of the local Government with Dominion politicians—plain W. D.—is a genuine "Elevator." He proved his right to the name at a meeting held at Brackley Point Road. In his speech on "false and dead issues," he is reported to have said that he had in his possession a letter from Wm. McKechnie, Esq., Superintendent of the Prince Edward Island Railway, stating that no less than \$400,000 had been expended in repairing the defects in the road which Schriber & Barpee had, through the connivance of the late Government, left in it—or words to that effect. At the conclusion of his speech, Mr. Fraser (of the firm of McKinnon and Fraser) said he doubted Mr. Stewart's statement; and demanded the production of this letter. A letter was produced with evident unwillingness.

We have no hesitation in saying that it was not from Mr. McKechnie. Mr. McKechnie could not write such a letter and expect to hold his office after the fact became known. But this letter, or paper, or whatever it was, simply set forth that \$300,000 had been spent upon the road; and it said not a word about Schriber & Barpee! Only a little mistake of \$100,000! and a slight exercise of Mr. Stewart's vivid imagination!!! Truly a genuine "Elevator."

L. H. DAVIES is another genuine elevator. While speaking at the Athenaeum the other night, he denied having said that he had been instructed by Mr. McKenzie to promise that Mr. Geoffrion's vacant seat would be given to an Islander.

The following is from his own organ's report of his speech at Pownal:—"As for the charge that P. E. Island had been robbed of its seat in the Cabinet, he [Mr. L. H. Davies] had Mr. McKenzie's authority for saying that it was untrue. The Minister of the Interior had been filled up because the administration was slow-worked and wanted to fill up that place without delay, but that the portfolio of Mr. Geoffrion, who had been ill for a year, was also vacant, and would be given to any Island representative who would be able and willing to accept it."

At Clifton, Mr. Davies varied the statement a little by saying that if as able and honest a man as David Laird were sent up he would get the vacant portfolio. When Mr. Carvell pointed to Mr. Peter Sinclair and asked if he were not as able and honest a man as David Laird, Mr. Davies was silent! But here is a "clinch" from the Canada Gazette:

9th November, 1876. Rudolph Laflamme, of the city of Montreal, in the Province of Quebec, Esquire, to be member of the Queen's Privy Council for Canada.

The Honorable Rudolph Laflamme to be Minister of Inland Revenue, vice The Honorable Felix Geoffrion resigned.

IS THIS FAIR REPRESENTATION?

Ontario 5 Quebec 4 Nova Scotia 2 New Brunswick 2 Prince Edward Island 0

"LOOK AGAIN."

THE Patriot states—in its own refined style—that we have copied something from our able contemporary—the St. John Watchman—without giving credit. We assure the Patriot that if such is the case it was like the illegal Governmental subsidy of \$8,176,000 to Mr. Speaker Anglin—an act of inadvertence. We are not, however, aware that we are guilty of this plagiarism which the Patriot charges; and we advise the Patriot to "look again." We do not wonder that the Patriot's editor—who has not yet seen Mr. DeBlois' letter condemning the interference of the local Government in the present contest, or the Toronto Globe's article, offering us "Maritime Union" in the place of representation in the Cabinet—of which we have been robbed by the Mackenzie-Cauchon Government—should be unable to see the small word Watchman at the end of the article referring to the conduct of Mr. L. H. Davies and headed, "An Island Politician at Loose Ends." But if the Watchman has really been wronged, we are quite willing to make reparation. If the Watchman chooses, it may take, without acknowledgment, "Orient Pearls at Random Strung." They will be found on our first page.

Editors, stamp the set of the "Breaker of Pledges"—vide Saturday Review—in depriving you of Representation in the Cabinet, contrary to promise, with the seal of your disapproval by voting for Pope.

WHERE IS THE "PATRIOT" NOW?

"One blast upon his bugle horn, We worth a thousand men."

WE are accustomed to denunciation of the scheme of "Maritime Union." The editor of the Patriot has repeatedly tickled our Provincial vanity by pen and ink pictures of our "independence," our "freedom," our "happiness," in governing ourselves without reference to Nova Scotia or New Brunswick. The "expense," the "wasted strength," the "turmoil" of continually recurring elections, were as nothing in comparison thereof. To whisper "Maritime Union" was to draw forth a column, at least, of "thoughts that burn," in opposition to the idea.

But what about the article in the Toronto Globe of the 6th November? The article in which the Island is advised to seek consolation in her deprivation of her seat in the Dominion Cabinet, by going into union with the Maritime Provinces? NOT ONE WORD.

Why does the Patriot denounce the scheme as old? It dare not. The Toronto Globe has spoken in favor of "Maritime Union." "Maritime Union" is the panacea applied by the Globe to every disorder of the Body Politic in Nova Scotia, New Brunswick, or Prince Edward Island. The removal of a subsidy, the robbery of a privilege or a right by Mackenzie and his colleagues at Ottawa—matters not—Maritime Union is the universal balm. Maritime Union must and shall be consummated. This is the ultimatum of the Globe. And the Patriot, like Mackenzie, bows (silently) to the fiat of the dictator.

"POPE and Representation in the Cabinet forever."—Electors, let this be your motto in Wednesday next.

A FAIR QUESTION.

It is a bad rule that will not work both ways. Let us put the matter down in black and white. The Mackenzie Government believes in a General Parliament fastening Denominational Schools upon the Territories of the Dominion.

Mr. Welsh says he does not. Yet Mr. Welsh may safely be returned to support the Mackenzie Government. Now grant for the sake of argument, only, (for we do not in the least think so) that a Macdonald Administration would believe in crippling our resources by "Protection."

Mr. Pope does not believe in this. Why is it not just as safe to return Mr. Pope to support a Macdonald Administration as Mr. Welsh the Mackenzie?

This shows the hollowness of the pretence about the danger to Free Trade if we return Mr. Pope.

AN ARGUMENT FROM THE LESS TO THE GREATER.

It even a G. J. Jones of Halifax (because he was a supporter) could prevent the Mackenzie Government from bringing down the intended Protection (or Killing) Tariff, how much more influence would J. C. Pope have as a supporter of the Macdonald Government?

THE NOMINATIONS.

SHERIFF WATSON opened his court on Wednesday last and received the following nominations: We, the undersigned electors of the Electoral District of Queen's County, in the Prince Edward Island, Dominion of Canada hereby nominate the Honorable James College Pope of Charlottetown, in the Prince Edward Island, as a candidate at the Election now about to be held of a member to represent the said Electoral District in the House of Commons of Canada.

HIGH BID FOR A GOVERNORSHIP.—although the only thing that is high about it is that his name is found at the top of the list of Mr. Welsh's nominators!

THE ST. JOHN "WATCHMAN" estimates that the Grit patriots who, in opposition spurned the very thought of wanting office, have, in three years, appropriated to themselves offices involving salaries amounting in the aggregate to \$150,000 a year. The estimate is ridiculously low. We have footed up the list the Watchman published, and find that the gentlemen named in that paper are alone costing the country over \$150,000. And to these must be added a host of Grits who have stepped into smaller offices, and who are now receiving, as the reward of their disinterested labor in elevating the standard at least another \$100,000. Put it at \$250,000. Mr. Watchman, and then multiply by two. The expense of Grit pretensions is cheap at double the money.

NOT SO Says the Patriot:—"The accusation of the slanderers is that the purchase was imprudent, that the rails were not required when they were purchased, & that Mr. Mackenzie's budget was totally charged by the Government. The latter charge is, we notice, abandoned by all decent Conservatives."

It is only the closing sentences that the Patriot departs from the exactness of truth. The fact is that the Conservative Party, as a whole, is preferring the charge of undue favoritism more strongly than ever. The papers said before Parliament at the closing hours of last session, or six weeks after the Commons had ordered them to be produced, strengthen the case on this point beyond the hope or probability of successful refutation. Mr. Thomas White's last letter on the subject clinches the argument on that branch of the subject with a directness and power that is irresistible. The non-party journals admit that Mr. White's reasoning is most convincing. The Premier has not ventured to reply.

PRINCE AND KING'S COUNTRIES send greeting to Queen's hoping that electors will, by voting for Pope, assert the right of Prince Edward Island to representation in the Cabinet.

"GRIT" "ELEVATORS."

The following is a list of the members of the Party of Purity who have been unseated for bribery and corruption since they undertook to "elevate the standard" in January, 1874:

- DOMINION PARLIAMENT. Aylmer—Richmond and Wolfe. Bigger—E. Northumberland. Cameron, M. C.—S. Huron. Good—Simons. Coupal—Naperville. Cushing (disqualified) Argenteuil. Devlin—E. Montreal. Dymond—N. York. Higginbotham—N. Wellington. Irving—Hamilton. Jodion (disqualified)—Chambly. Kerr—W. Northumberland. Macdonald—Cornwall. McNab—Georgiary. Mackenzie—W. Montreal. Maclean—N. Victoria. Macdougall, J. L.—S. Renfrew. McKay—Essex. McKay—Colchester. Murray—N. Renfrew. Norris—Lincoln. O'Donoghue—E. Toronto. Prevost—Two Mountains. Shibley—Addington. Stuart—S. Norfolk. Tremblay—Charlevoix. Wilkes—C. Toronto. Wood—Hamilton. Walker (disqualified)—London.

ONTARIO RE-LEGISLATE. Barber (disqualified)—Halton. Cox—W. Peterboro'. Currie—W. Ontario. Ferris—Northumberland. Hancy—Montreal. Neelon (disqualified—whitewashed)—Lincoln. Oliver—S. Oxford. Paxton—N. Ontario. Smith—N. Victoria.

Keep it before the people. That Pope will oppose the McKenzie-Cauchon Government.—Which raised the tariff to 17 1/2 per cent.—Which refused to lessen the Protection tax on Kerosene Oil.

ANOTHER INSTANCE OF "PATRIOTIC" FAIR PLAY.

We did not publish a list of Mr. Pope's Nominators on Wednesday, simply because we could not also publish the names of Mr. Welsh's Nominators. The Patriot of Thursday could easily have inserted both lists. It inserted but one, with the names of some half dozen only of Mr. Pope's nominators. This is just of a piece with the tactics of the Patriot throughout the whole campaign.

MR. L. H. DAVIES showed his intimacy with Dominion Politics by declaring that only one of the Party of Purity had been disqualified for personal bribery and corruption. In point of fact, five sturdy "elevators" of the standard have been reduced to the condition of slaves (politically) by the operation of law. Mr. L. H. Davies also stated at Pownal that "every man" who lost his seat was a Conservative. In point of fact there was only one renegade Conservative among the "forty" of those who put down "Bribery and Corruption" with "lots of money."

PRINCE EDWARD ISLAND expects every man in Queen's County to do his duty on election day by voting for Pope, the able defender of our Provincial rights.

COMMUNICATIONS.

THE PRESIDENTIAL ELECTIONS.

WASHINGTON, D. C., Nov. 13, 1876. The question is, who is elected? Have you heard any news? And the mournful answer comes slowly, not a word. Last night large crowds assembled at the headquarters of both parties and at the Telegraph offices, anxious to get the latest intelligence. It is really surprising that the returns are so tardy in making their appearances. The vote has been closer than it has been for many years. In 1877, John Adams received 71 votes in the electoral college, and Thomas Jefferson 68. In 1801 Jefferson received 78 and Aaron Burr 78, and the election was decided by the House of Representatives. Since then there has been no close contests in the elective college, though there have been several occasions where there have been more than two candidates, no one had a clear majority and the election was completed by the House of Representatives, as the constitution in such cases provides.

In view of the existing state of affairs the President has issued the following order. Philadelphia, Nov. 10th, 1876. Gen. Wm. T. Sherman, Washington, D.C.

Instruct Gen. A. G. in Louisiana, and Gen. Kuger in Florida, to be diligent with the force at their command to procure peace and good order, and to see that the proper legal board of canvassers are unobtruded in the discharge of their duties. Should there be any suspicion of fraudulent count upon either side, it should be reported and denounced at once. No man is worthy of the office of President of the United States who is willing to hold it by being counted in, or placed there by fraud.

Either party can afford to be disappointed in the result. The country cannot afford to have the results tainted by the suspicion of illegal returning. This is language that will become a President of the United States. The only regret, is that the condition of affairs should render it necessary.

The following is an additional order of the same date:—"General Sherman, send all the troops to Gen. A. G. that he may see necessary to insure entire quiet and a peaceable count of the ballots actually cast. They may be taken from South Carolina unless there is reason to suspect an outbreak there. The presence of citizens from other states I understand, is requested in Louisiana to see that the board of Canvassers make a fair count of the vote actually cast. It is to be hoped that representative and fair men will go."

A special to the New York Times from Chicago, says an inquiry into the facts of the attempted theft of the body of Abraham Lincoln, at Springfield, shows that prior to the time that Mr. Elmer Washburn was instructed to resign his position as head of the secret service bureau, he had obtained information from Detective Tyroel of the secret service in Chicago, that there was an attempt to be made to remove the remains of Abraham Lincoln from the monument at Springfield. The most extraordinary part of this disclosure was the agency of the friends of old Ben Boyd, the notorious counterfeiter, now serving a ten years term in the Illinois Penitentiary. The scheme to carry off the remains of Mr. Lincoln, and secret them until the President should pardon Boyd on condition of the remains being restored to their former resting place.

SAXON. SUBJECT FOR A CARTOON.—Mr. Laird, hung round with beads, necklaces, looking glasses and trinkets generally for the natives, dancing of to the North-West to the tune of "one little, two little, three little Indians."

CONTEMPORARY OPINION.

The Toronto Globe says that the Minister of Finance has been completely successful in negotiating a new Canadian loan in England. But the Montreal Gazette shows that a loan should not now be necessary, and that Mr. Cartwright's mode of negotiating is exceedingly objectionable as permitting of a private arrangement between the Minister and the Broker.—Moncton Times.

The Big Push Train, Hon. John Simpson against the West Durham News, has been postponed again at the request of the Plain-people, as a point of order, because the Government are the illness of the leading column, the Hon. John H. Cameron, but as two or three other eminent columns have been retained, we assume the real cause has been unwillingness to meet the exposures, at a time when two important elections are to come off.—Nad.

A WEAK PLEA.—It is curious that the personality of a leading political paper is not sufficiently clear to keep them from advancing an argument against their political opponents, what is so easily turned against themselves. The chief organ of the Tories has not only been deceived, while they support Mr. Pope in Queen's County, P. E., we oppose Mr. Mills in Bothwell, both being, it declares, Free Traders.

It would be a sufficient answer to this transparent plea of captiousness to say that the contest in Queen's does not turn in the slightest degree on the issue of Free Trade vs. Protection. Both candidates call themselves Free Traders.—Toronto Herald.

In Queen's County, P. E. I., there is fortunately little doubt of the election of the Hon. Mr. Pope. Attempts have been made to turn the farming interest against him on the ground that the party which Mr. Pope will support favors protection to home industries, but it is scarcely possible that any large number of farmers will be deceived by the efforts to persuade them that Mackenzie's free trade policy is better for them than incidental protection, such as the Opposition leaders advocate, and such as Mr. Mackenzie himself advocated at Montreal, when Workman was elected. On the other hand, the inconsistency and unfairness of depriving P. E. Island of a seat at the Council Board is a point which will be decided by the free trade party.

It is abundantly evident that the appointment of Mr. Laird at the formation of the Government could only be justified on the ground that the Island was entitled to a representative, and that Mr. Mackenzie's claims it has then still. But Mr. Mackenzie, by filling up two vacancies in the Council with Ontario and Quebec men, virtually declares that the Island is not entitled to a representative, and that the question is: How came he to take Mr. Laird in at the formation of the Government? Mr. Laird certainly had no claims as being a prominent and able politician, and if the Island was not entitled to representation, the only conclusion to be arrived at is, that Mr. Laird's seat was given to him as Mr. Mackenzie's part of the corrupt bargain which secured to him Mr. Laird's support. He and several competent workmen will not be far from the truth, and the election of Mr. Pope will probably show that this view obtains in Queen's County.—Moncton Times.

MISCELLANEOUS.

Russia is preparing for war. The reported death of the Egyptian Finance Minister is contradicted by a despatch from Cairo.

After having obtained an order for change of venue to Delaware county in his suit against Beecher, Moulton has given up the prosecution, paying costs of the action, alleging expenses of the new trial and inability to absent himself from his business to attend the trial, as reasons for this action.

The situation in the East is fast reassuming its recent troublous and gloomy aspect. Turkey evidently seems to consider that open warfare with her giant adversary, even singlehanded, would be far preferable to suffering disintegration at the hands of the latter, however skillfully performed under the cloak of a conference of the European powers. From the tone of the latest despatches received, it seems but too probable that the Porte will resist the conference proposals till some satisfactory guarantee has been given to the Powers.

CARDING BRANCH OF THE NONPAREIL CARRIAGE FACTRY AND AGRICULTURAL WORKS!

Good Work Triumphant!

NOTWITHSTANDING the Dull Times, the demand for my make of Carriages, Sleighs, Threshing Machines, Farmers, &c., in King's County, has rendered it necessary in order to supply the rapidly increasing demand, that I should extend my business into that County. I have, therefore, at the request of a large number of my friends and patrons, opened a BRANCH FACTORY at CARDING BRIDGE, which is conducted by a competent mechanic, who served his time in the "Nonpareil," and has since worked for several years in the United States—a mechanic who knows his business, and has such an interest in the work as to allow nothing but a faithful job to pass. He and several competent workmen will attend to the wants of the public in that County.

The stock used in the construction of the work will be of the best imported, viz:—American Hickory, Oak, Ash, Elm, Bass, Whiteoak, etc. and the Iron will be the best English refined; and Norway and Swedish Iron will be used for the parts requiring extra strength and durability.

Also, in connection with the said branch is a PAINTSHOP, which is conducted by a first-class carriage-painter, who will attend to the painting of new and second-hand work for the public.
