Murray Harbor, White Sands Win Hockey Games

Two crowd pleasing hockey contests were staged in the Murray Harbour Rink on Monday night. In the first game the Murray Harbour Midgets played hosts to the Montague Midgets and defeated them 6-5 in a close, hard-checking game.

H. Fraser performed the hat trick for the Harbor, while Bell, White and Hume each got singletons. For Montague O'Halloran was the star, getting three goals while Anwar accounted for the other two. Referees Harris and Flemming handed out four penalties.

Second Game. The second game saw the red hot Abney six square off to the White Sands sextette and it was a battle royal from gong to gong. Cuddy bad boy of the Abney aggregation, drew a five minute penalty late in the final stanza and that threw the advantage to White Sands who were not slow in seizing their opportunity. For White Sands A. White, A. Clements and W. Clements performed the scoring chores, while for Abney R. O'Connors and MacLeod dented the twines. Referee B. Stewart handed out three penalties.

Bone Crushers Win Game At Murray Harbor

A fair crowd of fans were on hand Tuesday night at the Murray Harbour Rink to witness one of the most interesting hockey contests to be staged in the local forum this season. The Bridgetown Flyers journeyed from their home for their first appearance at Murray Harbour and had as their opponents that fast headed, hard-checking combination known as the Harbour Bone Crushers, the latter winning 11-8. It would be unfair to pick out stars as the whole performance was a miniature Milky Way with stone-wall Rice in the visitors cage and Bricking-siding Prowse patrolling between the pipes for the home boys. Willie Harris and Nelson Bell handle the whistles.

E. Wood led the scoring for Bridgetown, performing the hat trick with three goals. MacMaster and A. Wood each got a pair with Campbell getting one. For Murray Harbour R. Stewart was the star, scoring six goals. White got three and A. Stewart and B. Harris one each. There were eight penalties handed out, five to Bridgetown.

Island Girls Hockey Title At Stake Tonight

The Montague Shmohawks Sisters are hostesses to the Borden Nationals Sisters tonight as they meet for the final game for the Island girls hockey championship. Their first encounter at Borden Thursday night ended in a 1-1 tie. Tonight promises to be an interesting finale to a long series of games. It was in the middle thirties that the Primrose Sisters brought credit to the community when they, too, played off for the Island championship, and it is hoped that the new Sisters will come away with the Island championship following tonight's game.

Packing Plant Completes Very Successful Season

One of the most successful seasons it has ever known was completed by the Fraser packing plant at Murray Harbour when it recently ceased operations until the next lobster season opens. It started canning lobsters last May and processed over 500 cases of 96's. When the lobsters ended the plant went into the canning of clams and put out many hundreds of cases of the shellfish as well as over 300 cases of crabs. After a short break the plant resumed operations with the packing of chickens and put up 1,500 cases. In the early days of the operation Island chickens were used but eventually the plant was buying them in car-load lots from the Western Provinces.

This packing plant which regularly gives employment to between 30 and 40 residents of Murray Harbour is operated by its founder, Mr. T. H. Fraser. He is a native of Greek River, a son of Mr. and Mrs. Walter S. Fraser, and moved to Murray Harbour in 1932 when he started his plant. His aptitude for the packing business comes natural as his father was reported to be one of the outstanding packers of lobster and it is claimed he was the first man in Canada to can chickens. Mr. Thomas Fraser has also pioneered in the industry and contributed much to the successful packing of mussels and chicken haddie.

Hockey Games, Relay Races At Montague

The Montague High School Girls and the West Kent School Girls played to a 2-1 tie in an exhibition hockey game at Montague last night. It was the first game of a twin bill. In the second game West Kent School Boys and the Montague High School Boys played to another draw, the score this time being 4-4. The large crowd also saw a boys and girls relay contest between the schools, both of which were won by Montague.

In the girls hockey game scoring for Montague were Wigginton and MacKenzie and for West Kent L. Smith and Jardine. For the West Kent Boys Weatherbie was the star with three, while Simmonds scored a singleton. For Montague the scoring chores were taken care of by Waterworth, Power, Clements and A. Stewart. The members of the relay teams were as follows: Montague Girls—G. Wigginton, E. Nicholson, E. Annear, E. Poole. West Kent Girls—J. Rogers, M. Jardine, L. Smith, B. Smith. Montague Boys—A. Stewart, D. Stewart, P. Thompson, R. Annear. West Kent Boys—S. Pasher, H. Simmons, B. MacArthur, J. Weatherbie.

Mr. T. H. Fraser

Contributing a great deal to the quantity and quality of the packing done is the camaraderie between employees and friendly relations existing between them and employer. Mr. Fraser always had several young employees training so when it becomes necessary to fill a position he has someone ready to step into the job. Mr. Fraser is also noted for his contributions to community life and his interest in its welfare. He gave valuable aid in the struggle to obtain street lights, good sidewalks, paved streets and the skating rink. As a trustee of the school board he is credited with doing much to make the Harbour school one of the best equipped of its class in the Province. He was married in 1934 to the former Miss Jane Harris.

Islanders Score

Continued from page 6

Cole made the first stop of his career on Charlottetown ice. The stop was an easy one, a long shot by defenseman Larry Travis. Beaudry opened the scoring at the three-quarter mark of the period on a play with Travis. The Islanders team-captain fed Beaudry a pass at the Halifax blue-line. Beaudry used Travis as a screen to slip around the Halifax defense and score on a 25 foot shot. The Atlantics got the goal back a little over a minute later with Bowness scoring on a 20-foot slap shot. Two minutes afterwards Billy Gould jammed home Kenny Lauffman's short shot from the side of the net. The goal resulted from a nice play by Lauffman. Gary Gordon, Marcel Clements and Chuck Holdaway counted in that order for the Islanders in the middle frame. Gordon scored on a 20 foot, ankle-high shot after taking passes from Wiseman and Purcell. Clements backhanded Beaudry's rebound and Holdaway scored on a long screened shot from just inside the blue-line. Bob Bowness put the Atlantics within a goal of the Islanders early in the third period as he slipped home Lauffman's rebound. Five minutes later Beaudry scored the insurance goal by tipping Clements' goal mouth pass behind Cole.
