CANADA PACKERS' JUMBO JACKPOT

\$1,000 JACKPOT \$100 EVERY WEEK

It's Easy To Win
You may win \$100 next Monday night. Simply find all the missing letters in 13 small panels in this advertisement. The missing letters make up the official name of one of the Canada Packers' products advertised here. The Jumbo Jackpot operator may call you next Monday during Zero Hour. Be sure you're ready with the official name of the product. Read the rules carefully. Someone every week is going to win \$100—it could be you!

HOW TO PLAY
Every Wednesday, starting May 20th and continuing for 10 weeks, a special advertisement will be published in this newspaper for the Jumbo Jackpot, offering \$100 a week for a total of \$1,000 in cash prizes. This advertisement includes a series of panels each advertising a particular product. In these panels (small individual ads) letters are left out of words in every-day use—not trick or unusual words. The problem is: Find all the missing letters and out of them form the correct and official name of one of the products advertised on the Jumbo Jackpot page only. The official names of these individual products are printed at the bottom of the panels advertising them—one of them is the solution to the Jumbo Jackpot and that is the one you must make up from all the missing letters. You have from Wednesday to Monday inclusive to find the correct solution.

HOW TO WIN
Zero hour to win the Jumbo Jackpot is from 6:30 to 7:30 every Monday evening, starting May 25th and continuing for 10 weeks. In the event that Monday falls on a holiday, zero hour for that week will be from 6:30-7:30 Tuesday evening. During zero hour, the Jumbo Jackpot operator makes telephone calls to private residence numbers only, selected at random from the city and vicinity directory. All telephone calls are recorded.

IMPORTANT: If you are called by the Jumbo Jackpot and answer the telephone with the usual "hello" or any other salutation, you are disqualified from winning the Jumbo Jackpot. The Jumbo Jackpot is awarded to the first person called by the Jumbo Jackpot operator who answers the telephone by stating the correct solution for the week. The first word or words spoken to the Jumbo Jackpot operator MUST be the official name of the advertised product made up of all the missing letters in the previous Wednesday's Jumbo Jackpot page. So remember—if your phone rings any Monday evening during zero hour it may be the Jumbo Jackpot operator. Your best bet to win is to answer every call with the winning word or words—nothing more. After you speak, the operator then, and then only, talks to you, and tells you if you won or not. Anyone who answers the telephone can win the Jumbo Jackpot; the winner need not be the person in whose name the telephone is listed. No further telephone calls are made during Zero Hour after a winner of the Jumbo Jackpot is declared. The Jumbo Jackpot starts at \$100 and increases each week by \$100 until a winner is declared. If you live out of town you may be called long-distance by the Jumbo Jackpot operator. Winners of the Jumbo Jackpot receive their award the same evening where possible and will be required to provide identification upon delivery of the cheque. The decision of the judges is final and no correspondence or other communication will be entered into. Employees of the advertiser, this newspaper or the advertising agencies associated with this contest and their immediate families are not eligible to win the Jumbo Jackpot.
