Died,

Of cold and exhaustion, while attempting to cross the Straits of Northumberland, on his return from the City of Boston to his native land, James Henry Haszard, third son of James Douglas Haszard, Esq., aged 18 years. The deceased was a student in the Medical College attached to Harvard University, and gave indications of peculiar talent and aptitude for the line of study he had adopted. To these were joined an unremitting industry in the acquisition of knowledge, and sedulous attention to the required exercises, that, had his life been spared, would have raised him, in all human probability, to great eminence in the profession. Kind, gentle, and affectionate, of irreproachable moral character, and mild and gentleman-like in his manners, he had risen high in the esteem of all who knew him. A dutiful son, a kind brother, an attached relative, his untimely loss is severely felt and deeply deplored, by his friends and family. When time, however, shall have abated and softened down the poignancy of grief, the remembrance of his virtues will form the most effectual source of consolation, and gradually reconcile them to a patient and humble acquiescence in the decrees of an all wise though mysterious Providence.

HOLLOWAY'S OINTMENT.

EXTRAORDINARY CURE OF ASTHMA !!
OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.

Copy of a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854.

To Professor Holloway,

Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I possessed to have her cured; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her; at all events I resolved to give them a trial, which I did; the result was marvellous: by slow degrees, my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old. I remain, Sir,

Your obliged,
(Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY.
AFTER BEING TAPPED THREE TIMES.

Copy of a Letter form Anthony Smith, Esq. Halifax, Nova Scotia, dated the 25th August, 1854

To Professor Holloway,

Sir,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then, that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health. I am, Sir,

Yours sincerely
(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILIEY AND LIVER COMPLAINT !!

Copy of a Letter from William Reeves, of Charlottetown, Prince Edward Island, dated 17th Nov. 1854.

To Professor Holloway,

Sir,—I am happy to say, that your Pills have restored me to health after suffering for nine years from the most intense general debility and langour, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintances, and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain, Sir, your humble servant,
(Signed) WILLIAM REEVES.
