

ATTENTION! ATTENTION

The Security Department wishes to advise all members of the University community that, effective December 1, 1978, and until further notice, overnight parking on campus is restricted to Parking Lot "A". Vehicles parked in this area after a snow storm will have 24 hours to be removed to allow for snow removal. Vehicles not removed during this time period may be towed from campus at the owners' expense as outlined under section 197 of the Highway Traffic Act for Prince Edward Island.

Parking overnight in Parking Lots B, C, D, E, the Visitors' Lot or any other restricted area has to be cut off during the winter months to allow our Maintenance Department to carry out quickly and efficiently their snow removal operations.

Support staff required to work the midnight to 8 a.m. shift may be allowed to park their vehicles in Parking Lots B, C, D, or E with the proviso they will have to remove their vehicles from such areas as requested by the snow removal crews.

Parking signs for overnight parking will be erected.

Your full co-operation in this matter will be greatly appreciated.

Respectfully yours,
A.J. MacLeod
Director of Security
