UNUSUAL BARGAINS at Beer Bros.

REMEMBER the Milton tea on Dominion Day.

QUICK.—We had last night (27th) Vancouver Island dates of the 21st. No delay at Moncton!

CHURCH PARADE.—The parade from the military camp on Sunday morning next will be to Zion Church.

PHRENOLOGY.—Mrs. Ellis will give phrenological examinations in her parlor at the Queen Hotel at 10 a. m.

NOTICE.—Rev. M. S. McKay will preach at Mount Stewart on the 30th inst., and at Malpeque on July 7th and 14th,

COMING THIS WAY.—The Olivette had 111 passengers from Boston to this port yesterday. She had 250 when leaving Boston.

TEA AT MILTON.—A special train will leave this city on Dominion Day at half-past one o'clock for Milton. Take your tickets for Winsloe Station. Half fare.

BASEBALL.—The game of baseball at Victoria Park on Dominion Day, between the North and South representatives of the city, promises to be closely contested and exciting.

THE REV. DR. CARMAN, General Superintendent of the Methodist Church of Canada, is expected to occupy the pulpit of the First Methodist Church next Sunday evening.

GRADUATED.—Miss Lizzie McGuigan of Kelly's Cross, completed her course of studies at the Charlottetown Business College to-day, and was awarded the College diploma.

SCHOOL EXAMINATION.—The public examination of the school at Kensington took place on Wednesday. The showing made was good, and the teachers and all concerned were very well satisfied.

THEY'RE NUMEROUS. — A gentleman from Baddeck informs the North Sydney Herald that potato bugs are so numerous in districts in Victoria County that even some of the lakes are covered with them

FIRST-CLASS TAILORS who have the confidence of their customers always recommend the "*Tyke*" Serges. They give greater satisfaction than any other. The genuine has the trade mark "*Tyke*" on back of every 2½ yards.

THE MARKET.—The supply and demand at the market to-day was about equal and little change was noted in prices. Turnips by the bunch, the first of the season, were sold at 4c.; hay, 27 to 30c.; oats, 40c.; potatoes, 20c.; and corned mackerel 8c. each.

TO-NIGHT.—In the Y. M. C. A. Hall to-night, Mrs. Ellis will deliver one of the most instructive lectures of the course. Subject, "Good and Bad Heads, and what they indicate." To-morrow afternoon at 3 o'clock she will lecture to ladies only, on "Heredity, Prenatal Culture and Maternity." Silver collection.

FOR BOSTON.—The Olivette sailed on return to Boston at 4 o'clock this afternoon. She had a very large cargo and the following passengers: Maggie McKinnon, Maggie McCarron, Lucy McCarron, Wm McCarron, Malcolm McLeod, Mrs. McLeod, L. Simpson, Patk. McNally, Miss R. Smith and John R. G. Weldon.

PICNIC AT SHAW'S.—Come away from the hot and dusty city on Dominion Day. The steamer Southport leaves Ferry Wharf at 10 a. m. and 2 p. m. for the beautiful shaded picnic grounds at Shaw's Wharf, West River, returning to the city at six in the evening. Every arrangement will be made to provide for visitors. Round trip costs only 15 cents.

ST. PETER'S PICNIC.—The weather yesterday was very delightful, and the children and others who attended the picnic at Rocky Point greatly enjoyed the outing. A pleasing feature was the music kindly supplied by Miss Russell, Mr. W. C. Harris, Mr. James Hyndman and Mr. Frank Bayfield. Races, under the direction of Rev. Mr. Simpson, were participated in by many of the children.

AT THE GARDEN PARTY. — Music by the Citizens Band will add to the pleasures that will be provided at the Garden Party to be held on Friday next, on the grounds of Mr. C. D. Rankin. The proceeds from this party will be donated to the P. E. Island Hospital, and the enterprise should receive generous patronage and assistance from friends of the institution. Admission to the grounds will be only ten cents.

VICTORIA TEA.—Crops in the country are looking fine. The drought has been threatening the hay, but the recent rain has saved it. Things look particularly bright at Hampton, Crapaud and Victoria. Those who go to the Big Tea there on Monday will see the country in its glory. A drive from Charlottetown or Summerside to Victoria and back just about now would do wonders in the way of convincing people who live in the Garden of the St. Lawrence that there's no place like home.

ESCAPED FROM PRISON.—The story of a peculiar escape from the Meadville, Pa., jail, which the authorities have succeeded in keeping quiet for some days, has just leaked out. Gillan Philips, a prisoner held for robbery of freight cars, got into the garbage can early in the evening, allowed himself to be covered with potato parings and other garbage, remained crouched in the can until morning, when he was carried out by two companions, and dumped into the general garbage vat, from which he later crawled out and escaped. He is still at large.

THE OLIVETTE.—The recent changes in the railway time tables have made it necessary to change the hours of departure of the steamship Olivette from this port on Fridays and Halifax Saturday nights. For the future she will leave Charlottetown at 1 p. m., and Halifax at 11.30 p. m. The Saturday night trips out of Halifax are being largely patronized, as merchants and others doing business in the capital of Massachusetts can reach there without the loss of any business hours, and arrive fresh Monday morning to effect their purchases and make the return on Tuesday.

A BONE MILL.—Mr. Ronald Campbell lately added to his mills a bone mill for manufacturing bone meal to be used as a fertilizer. A certain citizen of this town thought that he would procure some of this bone meal to put on his lawn. So he sent a boy down to the mill to buy 50 lbs. of this bone meal. The boy made a mistake, and got 50 lbs. of oatmeal, which the citizen spread over his lawn, not noticing the mistake. He is now watching for the result.

A TEACHER REMEMBERED.—At the close of the Summerside High School yesterday, the pupils of the VIII Grade presented Principal W. D. McIntyre with the following address, accompanied by a present of an elegant gold-headed cane:

DEAR FRIEND AND TEACHER,—It is with feelings of deep regret that we learn of your having been obliged to leave your position as Principal of the Summerside High School. It is true that at times we may have had some difficulties when for some thoughtlessness or neglect of duty on our part, you found it necessary to reprimand us, but now we are deeply sensible to the fact that you studied our best interest, and not your own convenience. So in order to show our appreciation in a feeble way, of the services you have rendered us, kindly accept this small mark of regard and respect, and believe that if your lot in the future is as we wish, you will be happy and prosperous.

THE WEATHER.—Moderate to fresh east and south winds; partly fair; local showers; not much change in temperature.

AT THE OPERA HOUSE.

Anna Eva Fay, the White Mahatma, of whom the public have heard so much lately, gave her first performance at the Opera House last night to a large and well pleased audience. The performance began with Mr. Pingree and Miss Fay introducing some very clever cabinet work, which was apparently as much a mystery to the three gentlemen called upon the stage to investigate as it was to the audience. The talking hand was next introduced, and the audience were invited to ask questions. Only one question was asked however, and the answer was "yes." The question was "Am I going to the next meeting of the Medical Association at Halifax." It was asked by Dr. Taylor. The hand is of wood and answers questions by raps.

After some lighter amusement in the way of a short comedy, which was very well presented, the entertainment was brought to a close by Miss Fay being placed in a hypnotic state, in which condition she made some startling revelations. Miss Fay's mind reading, or vision of what she hears or sees in hypnotic somnoleney, or whatever one may call it, is something that will be looked upon in different ways by different people. Seated in a chair and covered with a white cloth, she answered a number of questions asked by persons in the audience, and very many of the answers were correct. Miss Fay not only calls out the name of the person asking the question, but tells him of what he is enquiring, although he put the question in his pocket after writing it.

In answer to one question, she said that Lady Hilda, driven by Brown, would win the 2.30 class at Summerside on Dominion Day. To another she said that George E. Foster would be the next Premier of Canada. She also described articles that had been lost, told how long ago it was since they were lost, and also gave much information concerning other matters.

Of course everybody will have a theory as to how Miss Fay's feats are performed, and they will, perhaps, be as wide of the mark as they are different from each other. Whatever the explanation, the performance is one that is bound to draw. The great majority of those who saw last night's performance will attend again to-night, together with a good many who were unable to be present last evening.

A Word in Season.

Our Prices Speak in Boots and Shoes.

—(x)—

The reason we sell so cheap is that our stock is purchased for spot cash, and are all New and Fashionable Goods. No old-fashioned stock and odd sizes.

Some of our competitors bait their hooks with large discount figures. The people understand that little game and cannot be bluffed. They know that men don't waste time doing business for fun.

Examine our prices and the quality of our stock, and you will be satisfied that we can give you the best value for the least money.

WEEKS & WARREN,

Ch'town, June 28, 1895—135 & wy North Side of Market Square.

Yes, it's time to order your Summer outfit, and in matters of dress the first commandment is: never put off for to-merrow what ought to be done to-day. The time to order is now, and the place - well, you won't have any doubt upon this point if you just step in and look over our stock of Summer Suitings, and furthermore, see what high-class tailoring really means, as illustrated and exemplified in the made-to-order suits which we are producing for the most stylishly dressed men in town, at from $13 to $35 each.

S. A. McDONALD, the Fashionable Tailor.

Charlottetown, June 26, 1895—135

The Reason Why.

We announced in our ad. last Saturday that we wanted to beat the big day we had on the previous Saturday, and we did it in good shape. It was a hummer—the best Saturday we had since we started in our new location.

THE REASON WHY!—We keep the largest assortment, best qualities and nobbiest styles of Hats under one roof on P. E. Island. Saturday was a great Hat day with us. We keep the best selected line of Gents' Furnishings in the city—the tony kind, that you cannot get in other stores. We sell our goods cheap and are satisfied with small profits.

Our Tailoring Establishment is the only first-class one in P. E. Island. Good dressers all come to us when they want a Fashionable Suit.

The above are all good reasons why we do the business.
