## IN MEMORIAM

JAMES ALLAN MATHESON

The people of Glasgow Road and vicinity were shocked to learn that on the early morning of January 13th there passed away in the P. E. I. Hospital, Mr. James Allan Matheson, aged 70. Although he had been ailing for some time, no one thought the end was so near.

Jimmy, as he was known to all, was the son of the late Kenneth Matheson and Elizabeth MacDonald. He was born at Oyster Bed Bridge, having moved to Glasgow Road 30 years ago, and was a carpenter as well as farmer.

His wife, formerly Louisa MacRae, predeceased him 30 years ago.

There are left to mourn three sons and three daughters, namely: (Hilda) Mrs. William Scott of Glasgow Road; (Katie) Mrs. William Molyneux, North River; and Vera Paget, Bermuda; Arthur, in Toronto, who with his wife, flew home for the funeral; John, in Toronto; and Clifton on the home-stand, beside eight grandchildren, and the following brothers and sisters: (Katie) Mrs. Alex MacRae; (Sadie) Mrs. Athol Roberts; (Belle) Mrs. Bert Younker; (Clara) Mrs. Lawrence Chandler, and Harry, Ben, Angus, and Nell.

The flowers, letters and cards of sympathy shown in what estate was held in the home of his daughter, Mrs. William T. Scott, Glasgow Road, and was very largely attended. The services at both the home and grave were conducted by the Rev. Donald Nicholson. The hymns were favorites of the deceased, "The Lord's My Shepherd", and "Nearer My God To Thee". The pall-bearers were six nephews, namely, Kenneth MacRae, Lincoln MacRae, Russel Matheson, Lowell Younker, Alton Younker and Vernon MacRae. Interment was in Portage Cemetery.

## Card Of Thanks

The family of the late James Matheson wish to thank all the kind friends and neighbours who kindly assisted them in their time of sorrow; also those who sent flowers, cards and letters of sympathy.

## Where does the money go?

At times most of us have looked at purse, wallet or bank-book, and wondered: "Where does the money go?"

Each year we at Imperial add up the company's bills to see what happened to the money we received in the previous 12 months for the gasoline, fuel oil and other products we sell. Here's where each dollar of Imperial's 1952 income went:

- 54.32 cents
- 28.20 cents
- 10.00 cents
- 4.06 cents
- 3.42 cents

**CRUDE OIL** and other raw materials we bought, plus freight, took more than half of each dollar.

**OPERATING** expenses took more than 28 cents. This was the cost of searching for and producing crude oil, and of manufacturing and marketing the hundreds of products we supplied for thousands of uses. Throughout the year high quality products were made available where and when you needed them.

**TAXES** to provincial and federal governments took 10 cents. And this did not include gasoline tax, which—depending on where you live—took from 24 to 36 cents out of every dollar you spent for standard grade gasoline.

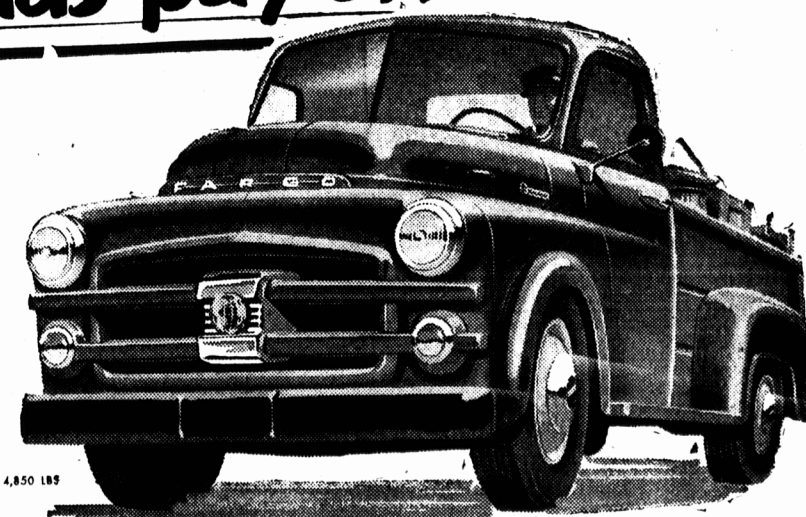

**DIVIDENDS** paid to shareholders for use of plants and equipment amounted to 4.06 cents.

**TO REPLACE** worn out equipment and to make sure that we can supply your needs in the future 3.42 cents was put back into the business.
