

Dominion Steamer Stanley.

The Winter Mail Steamer Stanley will lay up on FRIDAY, the 13th inst., to clean Boilers. She will most probably resume work about the 20th inst., and continue until opening of navigation.

Feb 10-21 a jour li A. LORD, Agent.

PUBLIC NOTICE.

IN FUTURE the Government Steamer "Stanley" will run during the winter months between Charlottetown and Pictou while the ice will admit of her making a return trip each day, commencing on the 1st December.

When the steamer "Stanley" cannot make return trips between Charlottetown and Pictou, she will then run between Pictou and Georgetown and make daily trips, if possible.

Notice of her arrival at Georgetown will be made public by the Agent of the Marine Department at Charlottetown each day, and also the hour of her intended departure from Georgetown.

As soon as the "Stanley" begins making a return trip between the mainland and the Island in the early part of the year, the Iceboat Service at the Capes will be discontinued, so that as far as possible a daily mail each way will be sent between the mainland and the Island during the winter.

The "Stanley" will remain on the route until the 1st May in each year, and will continue longer than that date if the Company's boats are unable to keep up daily communication with the Island.

WM. SMITH, Deputy Minister of Marine, Ottawa, 3rd February, 1891.
