

Preliminary Hearing Postponed

The preliminary hearing of John Notting, who appeared before Magistrate Gilbert A. Gaudet, in Queen's County Magistrates Court on July 30, on a charge of manslaughter in connection with the death of Robert Clark, Bryenton on July 5th, in an automobile accident, was continued yesterday morning.

The hearing, which had been postponed from July 30 to August 13, was further postponed until August 20, after certain evidence was heard.

Clarence Alcorn, farmer, living at Fairview, testified that he went to the scene of the accident at about 9 p. m. on the night of July 5, where he saw a car in the field, and afterwards drove to the home of Allison MacMillan. Notting appeared to be all right.

J. W. Skinner, salesman, stated that Allison came into the house where he was and reported that an accident had occurred nearby. He went to the scene where he saw the fence broken down and a man lying inside the fence. This was at about 9.35 p. m. Car lights could be observed 150 yards from the spot of the hill. Witness testified that Notting was sober.

Miss Margaret MacMillan, public nurse, professionally employed at the home, testified that she found the body lying face upwards. The pulse was faint, there was no sign of blood. Miss MacMillan drove with the injured man to the city.

Aeneas MacKinnon, auto mechanic testified that he had examined the car after the accident and found it to be a 1941 Plymouth with new linings on the right front wheel with the lining on the opposite front, practically nil. The rear right lining was fair and the rear left new. With such a set-up the car would be inclined to pull to the right, in his experience.

The steering gear was OK except there was 5 inches of play where one inch is permitted. The master cylinder was in good condition and contained ample fluid. The steering gear would be hard to manage in the event of the car going out of control. There were definite skid marks on the road.

Start Preliminary Survey Of Proposed New Airport Runway

Mr. Don Logan, engineer from the office of the Civil Aviation Branch, Department of Transport, Moncton, accompanied by instrument men Edward Grant and Neil Smith, began work yesterday morning on surveying a suitable site for a new runway at the Charlottetown airport, in the event of such an addition being decided on.

Through the courtesy of W. G. Gillespie, airport manager, Mr. Logan was approached on the subject who explained that he was here to survey a strip slightly over a mile long and 7,000 feet wide, running just west of the Norwood road, and crossing the Sherwood road in a northeast-southwest direction. A runway built according to this survey would entail the removal of one farm home outside the present airport area, as well as the old drill hall on the grounds, now used by the Island Motor Transport Co., which was purchased some time ago, but not removed.

Mr. Logan, is no stranger to Charlottetown, having surveyed for and arranged the drainage system at the airport two years ago. He made it clear that he was merely providing data for the District office regarding levelling and preparing the area under consideration which would eventually be in with any estimate submitted as to the cost of constructing the proposed runway.

Mr. Logan expects to complete his work today and report back to Moncton.

Darrach-Inman Wedding

The home of Mr. and Mrs. Mark Inman of Canoe Cove was the scene of a happy event on Wednesday, July 16th at 6 p.m. when their younger daughter, Mildred Catherine, was united in marriage to Mr. Harold Darrach, a young resident and farmer of Milo Lot 9.

The marriage ceremony, which was performed by the Rev. Donald Nicholson took place on the lawn surrounding the bride's home, where in the presence of a large gathering of wedding guests, the fair young bride was given in marriage by her father. The bride wore a length gown of ivory satin with beaded neckline and full length sleeves. Her veil was held in place with orange blossoms, and she carried a bouquet of red roses.

Her cousin, Miss Caroline MacKenzie, attended as bridesmaid, and wore a dress of pale green nylon net, and carried a bouquet of yellow and white roses. The bridegroom was supported by Mr. Ernest Inman, brother of the bride, and her cousin, Miss Kathleen MacFadyen, played the wedding music.

Following immediately after the marriage ceremony, a supper which was both sumptuous and delicious was served up to the large assembly of wedding guests.

The bridegroom's gift to the bride was a pearl choker, and to the best man, a leather billfold. The bride's gift to the bridegroom was a leather billfold, and to the bridesmaid and the organist, matching necklace and earrings.

Gifts from the wedding guests were numerous and beautiful, and prior to her marriage the bride was attended by a shower in Canoe Cove. Her friends and relatives in this community, the happy couple intend to make their future home in a newly erected residence on the farm of the bridegroom, situated at Brae Lot 9, and their friends and relatives heartily congratulate them on this happy prospect.

Seven Killed

Maher announced the on-the-spot court inquiry in a communique.

Then Naguib, in a statement, said the riots were started by traitors and criminals who created by their acts of violence a threat to Egyptian life and property.

Naguib said any attempt at disturbance will be considered by the army to be high treason and the penalty of high treason is known—death under the Egyptian criminal code.

Naguib said the army had to intervene to maintain order and protect life and property. It was his first bout with riots since he forced King Farouk to abdicate July 26.

The strike began two days ago over the dismissal of some workers on political grounds. Today employees filed to their posts at the spinlades as if to resume their work.

Machines Smashed — Suddenly there was a pre-arranged shout: "Sabotage." Instantly machines were smashed and within minutes the factory, the largest and most modern in the Middle East was ablaze.

Police rushed to the area and opened fire as the mob surged out of control. Rioting also broke out at Moharrem Bey, on the outskirts of Alexandria, where sympathy strikers clashed with police.

Any person or group of persons threatening to break the peace or attempting to disturb public order shall be considered traitors to the country and punished accordingly," Naguib warned.

In line with the new regime's policy of redistributing wealth, Premier Aly Maher's Government, today announced a "soak the rich" tax program which sharply jumps the tax on higher incomes.

Warren, North Rustico, have returned to their homes. They were accompanied by Miss Joyce Warren, until recently has been employed at the Royal Bank, Hunter River.

Takes New Position

Robert G. MacLeod, B. A., L. L. B., son of Mr. and Mrs. D. K. MacLeod of this city, leaves this morning for Montreal where he will take a position in the Legal Dept. of the Sun Life Insurance Co.

SHORTHORN CLASSES

Continued from page 1 — brought four animals to the show and one of his young bulls won the junior and grand championships.

Another won the junior championship in the female classes while to a third went grand and junior reserve in the male competitions.

Deep Cove Scottish Monarch, owned by Cyrus Eaton was the grand and junior male champion. The senior champion was Fairgrange Ransome, owned by H. L. Boswell of Marshfield. The senior reserve was Beathon Charmer owned by the Shorthorn Breeders Association.

Deep Cove Beauty of the Eaton herd won the junior female championship and also the grand reserve. R. R. Bell's Royalty Glasgow Augusta was the junior female reserve winner.

In addition to the championship winners there were quite a number of other breeders who took part in the show. The prizes, among them were John and Mary DuPasquier of St. Peter's Bay who always make a strong showing and who yesterday made one of their finest exhibitions.

The DuPasquiers won four firsts and four seconds as they staged near the top of the classes in which they showed. They also came up with a third, one fourth, three fifths and a sixth.

Three of their firsts were won in the herds and groups. They topped the junior get of sire, senior and junior herd classes. In addition they won the Rogers Hardware Prize for having the best pair of junior females.

Mrs. Blake Wood of Southport showed only two animals but they were good enough to win two firsts. They won in the female classes.

Athol Roberts of Southport had five firsts, three seconds, one third, a fourth and sixth for the day's showing.

The Highland View Farm herd, owned by R. R. Bell took two firsts one second, four thirds, three fourths, and two sixths.

H. Lyle Boswell of Marshfield won one first, four seconds, five thirds, three fourths, one fifth and a sixth.

Daniel Jewell of North River also made a good showing as he won one first, a second, third, two fifths and a sixth.

Mellich Bros. of Union Road won a second with their only entry while Ivan Gowness of Kensington, R.R., won a third with his only animal in the show.

Following are the champion males and reserve: Junior Champion—Cyrus S. Eaton. Junior Reserve—Cyrus S. Eaton. Senior Champion—Lyle Boswell. Senior Reserve—R. R. Bell. Grand Champion—Athol Roberts. Grand Reserve—Cyrus S. Eaton.

Females: Junior Champion—Cyrus S. Eaton. Junior Reserve—R. R. Bell. Senior Champion—Athol Roberts. Senior Reserve—R. R. Bell. Grand Champion—Athol Roberts. Grand Reserve—Cyrus S. Eaton.

SCIENTISTS TO

Continued from page 1 — Canada will participate in the Australian tests, which must be finished by November because of weather conditions. It was later indicated here that a Canadian team will be going by plane within a month.

Dr. Solandt, as chairman of the Defence Research Board, is the man mainly responsible for keeping Canada abreast of military developments in the atomic field even though Canada is developing the atom only for peaceful purposes herself.

In 1945, he was a member of a British team which went to Hiroshima and Nagasaki, Japan, to study the effects of the first use of atom power in war. He became head of D.R.B., the Defence Department's scientific arm, in 1947.

With the Crowds At The "Ex."

It would be a simple matter to compile an Island Who's Who by attending the great race meet now under way at the Exhibition Grounds. Business and professional men and farmers, are there from all over the Province and it is a safe assumption that many a business deal is being arranged while the big show goes on.

Racing material will change hands, cars and tractors will be sold and many a cattle breeder will let some of his stock go at good prices.

When fairs were organized many years ago in England and Europe their chief purpose was to bring together buyers and sellers, with entertainment more or less secondary to pure business. Through a process of evolution the present day fairs have become heavily weighted with horse racing, vaudeville and side-shows. Locally a very good balance has been struck, though horse-racing because of public demand outdistances all other attractions in popularity.

It is very encouraging nevertheless to note, that the cattle and live stock exhibits at the present show are very impressive both in quality and number, thousands are taking advantage of the opportunity to inspect this great collection of Island cattle, and many people follow the judging with keen interest.

Roy Bevan is having quite a week of it with his well-conditioned stable, and his colors are topping the summaries quite often. Pet Hanover, Anyway, and Silk Hal have all been in the win brackets, piloted by James "Roach" McGregor. The latter had them razor-sharp for the week's events and has shown fine judgment in driving them.

Major Tom Rogers' Tartan, a very promising trotter, dogged by hard luck last year and in the early part of this season, seems to be on his way at last. Tartan was sick for several weeks recently, and was given a rest from track work. When he won a heat from a good field on Tuesday night he was fulfilling the predictions of many good appraisers of horse-flesh.

The O'Briens had a way with horses, a gift for training, conditioning and driving them. "Joe" of course is proof enough that the family are not amateurs at the game and Claude does quite well thank you on local tracks.

If a clincher was needed, it came during the three year old Trot and Pace yesterday, when the lightly considered "Just Rita" paid better than \$800.00 in winning the first heat of that event. Just Rita went on to take the second heat with ease. The score cards carried the information that Rita was owned and driven by Jas O'Brien of Alberton. Just Rita's first heat was in 2:15, and a fraction.

Apparently the officials in the judges' stand have opened up a lost children's department. Sometime during every card of racing Dr. Dougan has announced that a child is lost or found. In this way the sound system is paying an extra dividend. It's a very quick way of bringing parents and children together again. One lot turned up at Col. A. A. MacKinnon's stable, within a few minutes after Doctor Dougan had announced she was lost. There is two way communication between the judges' stand and the stable area.

Don't overlook the cattle at the Ex. A trip through the roomy new barns will give anyone a practical demonstration of why our breeders can compete anywhere in Canada on even terms with the best. The exhibitors are paying an extra dividend. It's a very quick way of bringing parents and children together again. One lot turned up at Col. A. A. MacKinnon's stable, within a few minutes after Doctor Dougan had announced she was lost. There is two way communication between the judges' stand and the stable area.

Local Pipe Band Second At Mod

BADDECK, N.S., Aug. 13 (CP) — Competitors from mainland Pictou and Cumberland Counties captured top honors at the 14th annual Gaelic Mod here, officials announced tonight.

Marilyn White, 13, of Westville won the grand championship in highland dancing and Pipe Major Fraser Holmes of Trenton was the outstanding piper.

The Sydney Girls Pipe Band was judged best in junior piping with the Prince Edward Island Lads and Lassies Band second.

DUTY CALLS — CORBY, England (CP) — Firemen dressed as black-face minstrels were performing in a carnival procession when the fire alarm rang. They rushed from the festivities to put the fire out, then returned to their jazz band tableau.

Keen Three-Way Competition For Honors In Sheep

Three Marshfield men, Almon Boswell, S. C. Stewart and Sons and H. L. Boswell and Sons dominated the prize winnings in the Sheep Show held at the Provincial Exhibition yesterday.

Judge Herbert MacCharles of Moncton was well pleased with the quality of the sheep and thought that they were very well advanced for the time of year. He was especially pleased with the showing of the Oxford Downs.

S. C. Stewart and Sons won all the honors in the Shropshire Downs including the male and female championships.

In both the North County Cheviots and the Cheviots and the Cheviots It was Almon Boswell and Irving Haslam of Emerald who took the top honors. Boswell won the championships but Haslam had a number of first placings in the North County competitions.

H. L. Boswell, Howard Norton of Annandale and Irving Haslam of Emerald provided the competition in the classes of Oxford Downs with Boswell's winning the male and female championships.

IN MEMORIAM

In loving memory of my dear husband, James Pidgeon, who died August 14, 1947. As long as we live we will cherish his name in memory we see him just the same still in our hearts he is living yet for we loved him too dearly to ever forget. Inserted by wife and grandson Billy.

Local Man Deputy Grand Master IOOF

SAINT JOHN, N.B., Aug. 13 (CP) — B. J. Ohishom of Pictou N.S., was elected Grand Master of the Maritime Grand Lodge, I. O. O. F., here today. Other officers are C. D. Kennan, Charlottetown, deputy grand master; A. B. Logan Saint John grand warden; E. H. Munro, Windsor, N.S., grand secretary, and W. P. Publicover, Halifax, grand treasurer.

Members of the Maritime Rebekah Assembly, also in annual convention here, installed officers and saw demonstrations of Theta Rho girls' work.

In the evening the two groups combined for a street parade and the annual memorial service for departed members, conducted by the grand chaplain, Rev. Karl F. Drew of Petitcodiac, N.B.

Both annual meetings end Thursday.

PORTLAND, Me., Aug. 12 (AP) — Gustav Weinburg, 86, a silent movie actor, playwright and song writer, died yesterday. He was an internationally-known figure in the golden era of vaudeville and the silent movies of a generation ago.

HOLMAN STORE NEWS — G. H. M. — SEVERAL of this season's Brides, who are friends of mine, number among their most treasured wedding gifts, the pieces of WEDGWOOD "Lavendar" that they were given. Now, according to a survey more couples are married in September than any other month of the whole year—you've always heard so much about the "June Brides" but when it comes to numbers the "September Brides" win first place! There's no doubt, that some of your friends have chosen September for their wedding month and we feel sure and certain that they will number WEDGWOOD "Lavendar" among their most loved gifts too. The China Departments of both the Charlottetown and the Summerside Stores have wonderful displays of odd and incidental pieces of WEDGWOOD "Lavendar"—Ash Trays in different sizes and shapes, Bonbon Dishes, attractive Jardinieres, beautiful Bowls and Jugs in a selection of sizes. This WEDGWOOD is not terrifically expensive—one wee Ash Tray is only 1.50 and the range of prices goes up to 1000 for a simply gorgeous Salad Bowl. The softly highlighted glaze of WEDGWOOD "Lavendar" enhances the grace of the white Grecian figures and the wreaths of grape vine on the gentle blue background. Choose WEDGWOOD "Lavendar" as a wedding gift for your favorite Autumn Bride—you will find the pieces you'll want in the China Department of either Holman Store. GRANDMOTHER showed her "LIMOGES" CHINA in her dining room. You can wear yours! The Accessory Department has a collection of tiny, miniature LIMOGES PLATES fashioned into Brooches to wear with your summer blouses or dainty dresses.
