CCF Names Hospital Plan Committee At Kensington

The 14th annual Prince Edward Island C.C.F. convention yesterday elected a standing committee of four "to cooperate with the government, either political parties and all interested organizations in the matter of a federal or provincial public health and hospitalization plan."

Extensive Installations For S'side RCAF Station

OTTAWA (SPECIAL) Ten miles are being selected by Defence Construction (1951) Limited for extensive electrical installations at the R.C.A.F. Air Station at Summerside. The entire electrical plant serving the station will be brought up to date at an estimated cost of \$500,000.

Reason for the project is that electrical equipment of the air station was seriously damaged in a heavy steel storm in January last. Temporary repairs were made but these were not felt to be adequate by the Air Command.

Well Known S'side Lady Dies In Halifax Hospital

The death occurred Thursday morning in Victoria General Hospital, Halifax, of Miss Lilian Hogg in her 64th year. Miss Hogg had been in the hospital several months having suffered from asthma. She entered the Victoria County Hospital on August 26th and was discharged about a month later apparently improved in health. She went to Halifax to convalesce with her sister, Mrs. Muriel MacInnis, and shortly after arrival had to enter hospital there. Death was attributed to heart failure.

The late Miss Hogg was very well known in Summerside, having been employed with R. J. MacLeod, P. E. I. provincial president.

Trinity Y.P.U. To Lead Service

The regular service of worship in Trinity Church, Summerside on Saturday evening will be conducted by the Young People's Union. This is one of the projects being carried out in observance of National Y.P.U. Week, November 17-24 by the local group. In addition to forming the choir, the choir and young men will sing, while three members will be in charge of the service. Special speaker is to be Rev. James Fraser, of Bideford United Church, who will bring a message on stewardship, based on the parable of the talents. He has received, freely, \$100.00 for the service.

Says Budworm Outlook Better

FREDERICTON (CP) — Premier Flemming's announcement Thursday 2,500,000 acres of northern New Brunswick forest land will receive budworm spray treatment this year. This is about half the area sprayed in 1947. The premier said the provinces budworm situation is the "most encouraging" it has been in the six years of spraying.

PROLIFIC TREE

A single orange tree, when mature, will produce 10,000 or more oranges.
