Youth Sunday At St. Stephen's

Children's Day and Youth Sunday which is observed each year on the 21st Sunday after Trinity was being observed this year in St. Stephen's Anglican Church, Burlington. This Sunday is marked with special attention in all Anglican Churches throughout the Dominion of Canada.

Thirty six young people of the New London Parish and Springfield gathered for their annual Corporate Communion Service at 8:30 a.m. Following this they went to the Irishtown Community Hall and prepared their own breakfast. This was followed by a procession of the group to the Church led by the Officers with the President bearing the A.Y.P.A. Banner made for the occasion by Lauretta Mill.

The Young People assisted with the service. Lessons were read by Bill Pidgeon and Wayne Harrington. Part of the prayers were taken by Wayne Champion and Wendell Profit. Following the taking of Motions a simple candlelight service was conducted by the Pres. Keith Sudbury. Vice Presidents, Bill Pidgeon and Wendell Profit, Secretary, Laura Bell, Pub. Sec., Lauretta Mill, and Treasurer, Wayne Harrington.

The President led the group, and the other officers lit the candles representing the four fold aims of the A.Y.P.A. which are: Worship, Work, Fellowship and Education. The Cross and stand for this Service were made by Lloyd Profit and Willie Paynter.

Worship is the offering of our love to God, as Christ has shown us the way. Work is service for others as Christ has shown us the way. Fellowship is to be with others in the cause of God. Education is the training of body, mind, and soul to be as fit as possible for the sake of Christ's cause.

This was followed by the Installation of Officers by the Rector, and the taking of the Pledge of Loyalty from all the members. The badge of office, Manual and a copy of "My Plan" were given to 17 Master "What Shall I Do to Inherit eternal life." Using suitable illustrations the Rector pointed out similarities between this story and modern youth.

The girls constantly seek the answer to life trying to find their place in this busy, exciting and complicated world. That answer they learned was found in the losing of oneself in the service of Christ.

In their work their social life, and in their extra curricular activities they were told to deny themselves and try only to serve others and God. If they are not satisfied with life it was concluded that it was due to lack of effort or misguided effort. They were advised to search diligently ways to be of services. We are workers with Christ and must assist him even at expense of our pleasure.
