## Successful Minor Hockey Games Saturday

Charlottetown's second Hockey Night took place Saturday at the Forum when about 400 youthful hockey enthusiasts gathered to usher in the opening of paperweight, pee-wee, bantam and midget hockey leagues and hold juvenile and junior practice sessions.

The evening's programme opened with the Rotary Paperweight League holding the spotlight. There were five games played in this group resulting as follows:

Dr. Owen Curtis' Hawks 1, Erv Coffin's Ramblers 4.

Large-Scantlebury Bluebirds 2, Gordon Clarke's Bruins 0.

Russell Seller's Rangers 4, Gordon Foster's Redwings 0.

Eldon Campbell's Falcons 2, Frank Curtis' Springers 0.

Ernie Reid's Tigers 4, Simons Donatians' Cubs 1.

In the Hawks-Ramblers game, Don of the Ramblers scored a quartette of goals. In the Bluebirds-Peewees set-to, Tipper Foster and Wayne Ward flashed the red light for the winners. Big guns for the Rangers in their win, getting one each, were Bobby Lamoureux, Alfie Managhan, Stevie Connolly and Paul Murphy. In the Falcon-Springer game, Lee and Gigsey scored one apiece for the winners and in the Tigers-Cubs tussle, F. Gauthier and D. Frizell not to mention the winners while Billy McMillan got the solo for the Cubs.

In the Pee-Wee League competition was close and exciting. Following is a summary of the games:

Hornets 1, Flyers 0. (Goal scored by Paul Adams).

Canadians 1, Spitfires 0. (Goal by P. Dolron).

Tigers 3, Royals 2. (Tigers goals by D. Seller, C. Foster, P. MacNutt, and Royals by L. Gregory and W. McDonald).

Bulldogs 3, Rangers 0. (Bulldogs goals by Lee (1), McAusland (2)).

Braves 5, Monarchs 2. (Braves goals V. Mulligan (4), B. Mulligan (1), Monarch's by J. Kennedy, D. Dover).

Upon completion of the evening's scheduled games, Coaches Jack Kane and Art Perry put about forty Juniors and Juveniles through a snappy workout. There is plenty of promising material in both of these squads and it would appear that the City will be represented by strong teams in later playdowns in both Junior and Juvenile ranks.

Referees handling the evening's hockey marathon were: Walter Lawlor, Bill Ledwell, Art Perry, Amos Corvett, J. Kane, George Scantlebury and Gordon Wellner.

**DETROIT 4, MONTREAL 0**

DETROIT, Dec. 23 (CP) — Terry Sawchuk scored his second straight home shutout, his seventh of the National Hockey League campaign, as Detroit Red Wings blanked Montreal Canadiens 4-0 before 12,002 fans here tonight.

The victory boosted Detroit's lead back to 11 points as second-place Toronto dropped a 4-2 decision in Boston.

Sawchuk's seven shutouts put him far ahead of his nearest rival, with two. It was the third time he had whitewashed Montreal.

### LITTLE SPORT

**IN THIS CORNER**

From day to day and year to year the latest happenings in the world of sport are flashed across the sports pages of all free countries throughout the world. Stanley Cups change hands, world series pennants usually fly over different fields each summer, track and field records are set and new faces continually appear in the world of sport. All of these are given the prominence they deserve but once every year they fade into background as we remember the greatest event that ever took place—the birth of Christ at Bethlehem.

It's close to 1952 years since that Blessed Event, which occurred without the publicity of newspapers, radios, teletype machines, public relations officers, publicity men or waiting crowds. But now almost 2000 years later we recall almost as vividly as though it were yesterday the birth of the Prince of Peace and the purpose for which He came into the world.

We have always believed that Christ has a special love in His heart for athletes and those who devote their lives to sport. We have often read, heard, seen and asked for His assistance before athletic contests and we have seen pictures of athletes dropping to their knees in thanksgiving after scoring the winning touchdown or hitting the winning home run. We know of the love of Christ for children and the hero worship of children for athletes and we have only to surmise the return which Christ expects from athletes in setting examples for the kiddies.

We hope that it will be possible for all athletes, and former athletes to join tomorrow in the celebration of Christmas no matter where they may be. We are sincere in wishing every athlete in the Province and all readers of this column a happy and holy Christmas. To the members of the Islanders hockey team, whose homes are in other provinces, we wish to extend a special greeting as well as to Island boys in the services whether they are in Korea, Europe or Canada and we hope it won't be long before they are back with us.

We also hope that the words "Glory be to God on the Highest and on Earth Peace to Men of Good Will" will be remembered long after the feast day of Christmas is passed. We hope that every team in the Province, no matter whether it wins, loses or draws, will be able to add something to the Glory of God and we hope that this column, with all its imperfections, will be able to squeeze into the same category.

On our desk, among the season's greetings, is a novel Christmas card from Leo Lamoureux and the Islanders. On the card is the outline of a Christmas tree with Santa Claus at the top and pictures of coach Lamoureux, team members and Earl Riggs on each branch. The heads of the players only are shown and they are pictured as being inside large bells hanging off the tree.

Several athletes, performing outside the Province have returned home for Christmas and among them are Thane Doyle and Stewart MacLure of Charlottetown, who have been playing with the Amherst Juniors. Doyle is the netminder for the Amherst team while young MacLure plays on defense. Both boys are doing well with Amherst which is in the second place of the four team league.

Santa Claus may have been good to the Moncton Hawks after all. An observer from Moncton, close to the hockey team, informed us over the week-end that the Hawks are not in as poor a condition as they have been reported to be. He claims that the Hawks will remain in the league and that they will be one of the

# Islanders Score 4-2 Victory Over Halifax St. Mary's

HALIFAX, Dec. 23 (CP) — Charlottetown Islanders cashed in on their opportunities Saturday night to defeat Halifax St. Mary's 4-2 in a fast, well played Maritime Major Hockey League fixture. Islanders won the game with a three-goal thrust in the second period after being on the short end of the play in the opening session.

In a game that featured outstanding work by goalies Ray Fredericks of Islanders and newcomer Don (Whippy) O'Hearn of Halifax, there was little to choose between the clubs. Islanders were widely outshot in the first period when they directed only one drive at O'Hearn but gained the advantage in the second and third. Play was much in the Saints' favor at times but they were repeatedly stopped by Fredericks.

O'Hearn played his first game of the season here and received approval from the customers. He had no chance on the four pucks that counted for the visitors—one was deflected in by Bob Drainville, one came from a loose puck with players milling in the crease and the other two were breakaways.

Hughie Campbell, slow to round into form this year, turned in his best performance of the season and scored a second-period goal. The other Halifax goal, deflected in by Phil Vitale, was credited to Fred Weaver.

Walt Pawlyshyn, Connie Bonhomme, Willie Marshall and Dennis Smith were the Charlottetown snipers. Smith, who spent several weeks in a Halifax uniform, gave his former mates plenty of

**Flood of Gifts For Famous Turk Broda**

TORONTO, Dec. 23 (CP) — They fattened up the Turkey for Christmas with about \$7,000 worth of dressing Saturday night. The bird was pudgey Walter (Turk) Broda, 37-year-old goalie with Toronto Maple Leafs of the National Hockey League. The dressing was presents from his admirers from coast to coast.

The directors of Maple Leaf Gardens broke a long-standing rule against "nights" for in the dual hockey players by honoring the veteran of 13 seasons with the Leafs. And the 12,472 fans showed their approval by clapping virtually every minute of the between-period presentation.

Broda's gifts included everything from a wallet to a new automobile.

The wallet was from patients at Muskoka Hospital in Gravenhurst, Ont.; the automobile from a brewing company.

Among other presents: An eight-piece dining room suite (from the Gardens), 89 pieces of sterling silver flatware, a 56-piece set of dishes, a grandfather's clock (from the Broda Fan Club), a chesterfield suite (from his team-mates), silver tea service, a pair of diamond socks (from the boys of Queen Mary Hospital, Weston, Ont.), a set of souvenir ashtrays (from Lewis Hollet of Newfoundland), an arm chair (from Toronto hockey writers) and a five-day free trip to Nelson, B.C., next July from the citizens of Nelson.

Turk's pretty blonde wife was given a hat and their three young daughters got a pair of figure skates each.

**Report Drop In U. S. Steel Demand**

CLEVELAND, Dec. 23 (AP) — Magazine Steel reported today that steel demands from manufacturers of consumer durable goods have dropped off noticeably.

The mills continue under pressure for tonnage, however, the magazine added, with the slack being more than offset by expanding defence requirements.

In its weekly summary of the metalworking industry, Steel noted that mills produced more than 2,000,000 tons last week to set a new record. The previous high mark for one week was the 2,089,000 tons turned out in the week ended Nov. 4.

The nation's furnaces last week operated at 104.5 per cent of capacity, marking the 42nd week in 1951 in which the industry operated at 100 per cent or better.
