

Several changes have been made for the 1976 slide contest. There will be a competition for adult members in the following categories: Plant slide, Animal slide, and a slide series (three to five slides which tell a nature story).

The Junior Naturalists will have a competition for the best nature slide or print. All members will be eligible for the new "Best-in-Show" trophy. More details will be given on the contest in the fall newsletters.

SUMMER OUTINGS

A number of new field trips is planned for the summer and early autumn of 1976. This is the only announcement of the trips, so save the list for reference over the summer months. The meeting place for all trips is the Y.M.C.A. corner in Charlottetown at 10:00 A.M. (except August 21, which will likely occur in the evening - more on this later.)

<u>Date</u>	<u>Title</u>	<u>Leader</u>
June 26,	Shoreline Hike and Clam Dig	Margo Guignon
July 10 (tentative)	The Ark, Spry Point	Diane Griffin
August 7	Brudenell Provincial Park	Bruce Smith
August 21	Mackeral Fishing	Rosemary Curley
September 11	Geology Hike	Bob Betcher
October 9	Riverdale	Margaret Mallett
