

# Put Yourself into Our Picture of Health

We've been rated as a leader in Canada's health care system for the second year in a row by the Canadian Institute of Health Information and Maclean's magazine. Today, Capital Health stands as one of the largest integrated academic health regions in the country with several hospitals, care centres, public health programs and quality facilities. We serve a local community of more than 800,000 residents and provide specialized services to another 400,000 people in northern and central Alberta, the Northwest Territories and, at times, BC and Saskatchewan. Explore these new employment opportunities for:

### Edmonton, Alberta is a great place to live.

Edmonton has many fine qualities including one of the strongest economies in the country. Our cost of living is exceptional with affordable housing, and no provincial sales tax.

Quality of life in Edmonton is equally attractive. Our river valley is the world's largest urban forest with elaborate, all-season trails, parks and golf courses. Banff National Park is a five-hour drive, and Jasper National Park is only a three-hour drive away. West Edmonton Mall is as popular a destination here in town.

We are home to professional and amateur sports teams, and the largest volunteer recreation program in North America, as well as a vibrant and diverse multicultural arts community. All contribute to the spirit of our city, especially now as we prepare to host the 2001 World Championships in Athletics.
