

## Disorderly Conduct Brings Fines Of \$50

Joseph F. Gallant and Reginald J. A. Warren, both of Summerside, were each fined \$50 and costs of 20 days when they pleaded guilty yesterday in city police court to disorderly conduct.

Magistrate A. J. Haslam, QC, also gave the two accused, army men home on leave, a severe warning.

Crown evidence was given by James MacDougall and his father Sgt. Leo A. MacDougall of the Charlottetown police, who said James arrived home early yesterday morning followed by the two accused in another car.

The youngster said the two stopped him from entering Westview Drive off North River Rd. where he lives and wanted him to get out of the car. Young MacDougall said one of the accused tried to pull him out from behind the wheel of the car and later let him go upon advice of the other accused who said he was only a kid.

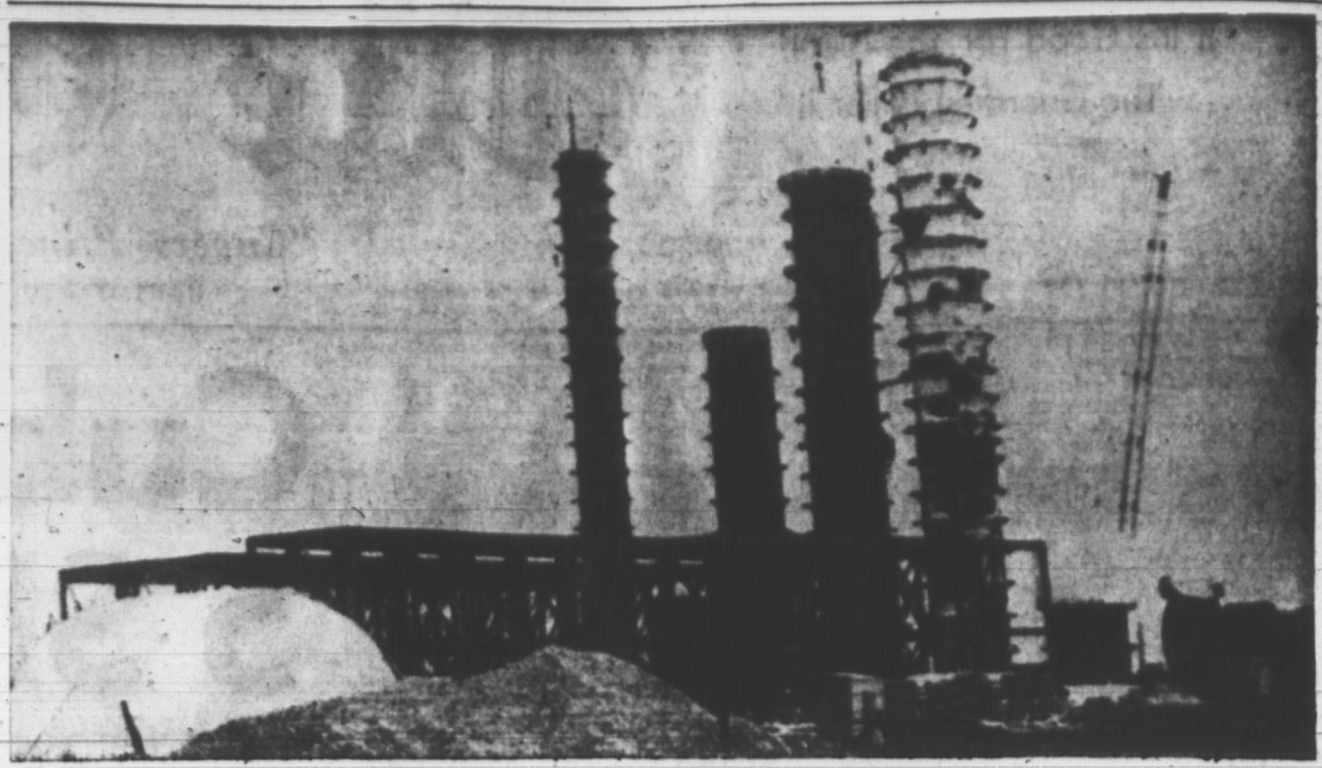

They both followed him up Westview Drive past the MacDougall residence. Westview Drive being a dead-end street, the accused were forced to turn around the drive past the MacDougall residence where Sgt. MacDougall stopped their car and began questioning them.

The sergeant said one accused was drinking and the other used profane language. Neither one was co-operative said the officer who remained with them until the police patrol arrived and took the accused to the police station.

The magistrate said "we are not going to have brats like this driving in Charlottetown," and added that if they appeared before him again on a similar charge they would probably lose their freedom.

Louis Howard Morrison of Charlottetown charged with assault, was further remanded to August 13 with bail to stand.

A resident of the city, upon pleading guilty to a charge of being drunk and incapable, was assessed \$20 and costs or 10 days while another was fined \$20 and costs or 30 days for illegal possession of liquor.

### WATER PLANT ON SCHEDULE

Workmen are taking advantage of ideal weather conditions to keep construction of the heavy water plant at Glace Bay, N.S., slightly ahead of schedule. The \$30,000,000 plant is scheduled to go into production in mid-1966. (CP Wirephoto)

CREWS ERECT POLES AT FRENCHFORT ON NEW EASTWARD LINE COSTS \$350,000

## Maritime Electric Line Nears Completion Date

A 66,000-volt transmission line being built by Maritime Electric Co. Ltd. from the Charlottetown generating plant to the Georgetown area is expected to be in operation around the middle of September.

To be known as No. 4 Transmission Line and being built at a cost of over \$350,000, the line will be initially energized at 33,000 volts with a capacity of 5,000 kilowatts.

The company has experienced a load growth over the past several years of 11 per cent annually, as compared with the national average of eight per cent.

This factor, combined with the influx of new industry in the eastern part of the province, has made it necessary to provide the area with a loop system, by means of which an alternate feed is available when required.

For this purpose, a \$15,000 switching station will be built at Lorne Valley. A switching station at Sherbrooke provides the western end of the island with a loop system.

**NEW SUB-STATIONS**

In addition, two new sub-stations will also be built at Georgetown and Scotchfort. The Georgetown station, to cost \$20,000, will be placed into operation immediately, and the \$22,000 Scotchfort station is expected to be in operation early next year.

Between 100 and 125 acres of woodland were cleared for construction of No. 4 Transmission, which was begun early last winter. About one-half the 33½-mile line, which involves placing 610 poles/structures, is being built across country, with the remainder following existing country roads.

Delta Electric Ltd. of Fredericton, N.B., received the \$47,000 contract for construction of the line. Actual work on erection of the line began early in June.

Initially, the line will have a capacity of 5,000 kilowatts which will be gradually increased to 12,000 kilowatts over the next 10 years as the use of electricity and load growth increase in the area.

Engineers in charge of construction for Maritime Electric are Eric Arsenault and George Hoffstra of Montreal Engineering Co. Ltd., consulting engineers.

## Rev. Robert Cain Honored On Silver Jubilee As Priest

Many relatives and friends were present at the 10.30 Mass in St. Mary's Church, Montague, Sunday, Aug. 8, to offer a special Mass of Thanksgiving on the occasion of the Silver Jubilee of ordination to the priesthood of Rev. Robert Cain, CSSR.

Father Cain is a son of the late William Cain and Anastasia Donahoe of New Perth. James Cain of New Perth is his brother. Before studying for the priesthood Father Cain was employed in the Royal Bank and by Canada Packers. He worked in several places in Eastern Canada.

He was ordained to the priesthood with the Redemptorist Congregation in 1940. His missionary work has been principally in Newfoundland and in British Columbia.

Father Cain was celebrant at the Mass. The lessons were read by Father Whalen, CSSR, a teacher on the staff of the Holy Redeemer College, Windsor, Ont., and by Very Rev. F. J. Maloney, CSSR, pastor of the Holy Redeemer Parish, Charlottetown. Very Rev. J. W. McCordle, pastor at St. Mary's, was the commentator. Rev. E. Doyle, CSSR of Charlottetown assisted in the sanctuary.

Father Cain's nephew, Joseph Cain was server at the Mass and was aided by Gerard Carpenter. The offertory procession was made up of Paul Cain, Margaret Cain and Joan Cain, nephew and nieces of the jubilant. Another niece, Mary Cain, was the organist.

Dinner was served at the home of Mr. and Mrs. James Cain of New Perth to the visiting clergy and to close relatives and friends of the Cain's.

During the afternoon and evening a reception was held and many friends and relatives called.

## Prince Co. Records Five Auto Accidents

SUMMERSIDE — Philip Drinnan, eldest son of Mr. and Mrs. Roy Drinnan, Ellerslie, was injured yesterday when he was struck by a car at Summerside East. He was taken to hospital suffering from a fractured leg and chest injuries.

At 4.30 p.m. yesterday a late model car driven by Eric Joseph Boucher of RCAF Summerside went off the road at Sherbrooke damaging his vehicle to the amount of \$300. One hour later Alton William Hutchinson of Central Lot 16 went off the road at Travellers Rest. Damage to his vehicle was estimated at \$200.

At 6.45 p.m. Ronald Alan Wiley of Summerside skidded off the road at Wilmot, damaging his 1962 model car to the amount of \$300.

The fifth accident investigated by the RCMP was a two-car collision at Kensington last evening at 8.15.

Involved in the collision which occurred at an intersection in the town, were Donald Robert Cook of Kensington driving a 1957 model car and George Reginald Dennis of Margate, driving a 1965 model.

Damage to the Cook car was \$100 and to Dennis's, \$200. The four accidents early in the afternoon and evening occurred during a rainstorm.

## Seven Out-Of-Town People Draw Fines In Traffic Court

Seven out-of-province residents were each fined \$10 and costs on a variety of charges yesterday in traffic court.

Fined on speeding charges were: Albert George Greenough, London; James Magill Malcolm, Hamilton; Reginald Bonnell, Kingston; Gerard Gallant, Scarborough; and Albert Franklin Craig, New York.

Robert Emmet Conolly, Scarborough, was fined for passing on a solid white line, and George Rankin Eason, Toronto, was fined for failing to dim headlights.

And an Ontario resident, George Seizner, now working in Cherry Valley, was fined \$10 and costs or four days for failing to transfer from an Ontario to a P. E. I. motor vehicle registration.

Seven island residents were also fined for traffic offenses. Largest fine, \$20 and costs or four days, went to Wayne Hayden, Cherry Valley, for speeding.

Also fined for speeding (\$10 and costs each) were Joseph Emmet Doyle, Pleasant Grove, and Lorne William Clinton, Charlottetown.

Eric Sentener, Hunter River, and George William Cheverie, Sherwood, were fined \$10 and costs or four days on stop sign violations, while Paul Madore, Charlottetown, and John Lewis Wedge, Charlottetown, were similarly fined for having insufficient equipment on a motor vehicle.

## Canada Council P.E.I. Delegate Attends Meet

TIGNISH — Frank Pridham, president of Harvey Studios Limited, and a guest of Queen Mother Elizabeth at a garden party at Buckingham Palace, July 7, will show slides of his trip at the Tignish Arts Foundation school on Thursday evening.

Mr. Pridham, a top photographer, is a native of Montrose, P.E.I. When a young photographer during the Royal Tour of 1939 he took a picture of the Royal visit which sold 67,000 copies and helped as he has often said to, "really put my business on its feet".

Mr. Pridham agreed to show slides of his trip when contacted on one of his many visits to his summer home at Montrose by Alma Bueck who is arts teacher at the new summer school.

Rev. Adrian Arsenault of the staff of St. Dunstan's University, and Prince Edward Island's member of the Canada Council, leaves today for Saskatoon to attend a special meeting of the council from Aug. 14 - 18.

The meeting will be held at the University of Saskatchewan. The members will also travel to Regina on Tuesday, Aug. 17 to visit the new Regina campus of the university.

The executive committee meeting is scheduled for Sunday, Aug. 15.

Besides the regular business sessions the council members will attend a number of entertainments, including a concert by CBC artist Murry Adaskin.

## Buckingham Palace Slides To Be Shown

TIGNISH — Frank Pridham, president of Harvey Studios Limited, and a guest of Queen Mother Elizabeth at a garden party at Buckingham Palace, July 7, will show slides of his trip at the Tignish Arts Foundation school on Thursday evening.

Mr. Pridham, a top photographer, is a native of Montrose, P.E.I. When a young photographer during the Royal Tour of 1939 he took a picture of the Royal visit which sold 67,000 copies and helped as he has often said to, "really put my business on its feet".

Mr. Pridham agreed to show slides of his trip when contacted on one of his many visits to his summer home at Montrose by Alma Bueck who is arts teacher at the new summer school.

## Fishing Boat Explodes; One Injured

TIGNISH — A fishing boat owned by Ceo. LeClair, Tignish, and all its belongings valued at \$4,000 was destroyed by fire at Jude's Point Saturday afternoon.

Mr. LeClair and a son, Francis, were in the boat and attempting to start the motor when an explosion occurred that rocked the boat sending it up in flames.

The younger LeClair, who was hit on the head by a flying object, suffered first degree burns to his legs. Mr. LeClair escaped injury.

Just one year ago another son, Danny, age 11, was accidentally drowned at Jude's Point.

There was no insurance on the boat.

The Tignish Fire Department and fire extinguishers from Jude's Point were used to fight the blaze, which was put under control before spreading to other boats tied nearby.

## Island Peas Production Falls Slightly

Pea production fell off last week to about 2,000 pounds per acre, but it should be back in a day or two, to the average of 3,000 pounds per acre of a few weeks ago, George Wright, assistant manager of P.E.I. Frozen Foods at Sturwood told The Guardian last night.

The production in this area is believed to be better than that of other parts of the province as the rainfall of 1.47 inches for July is far in excess of the New London area, for example, where rainfall last month was under one-half inch.

## Off On Vacation

Premier Walter R. Shaw and Mrs. Shaw left Prince Edward Island during the weekend for a vacation in Europe. Here, they board Canadian National's Ocean Limited in Moncton for Montreal where they embarked aboard an ocean liner, Howard C. Grayston, CN's Atlantic region vice-president met the Shaws at the Moncton station to wish them bon voyage.
