

THE BARGAIN CORNER

CORNER QUEEN & GRAFTON STREETS,
 CHARLOTTETOWN

Our Loss is Your Gain.

A frank statement of cold facts is worth a great deal more than a page of eloquence. We leave to others the task of soaring to flights of rhetoric; ours the more humble task of writing cold, glittering facts in plain, ordinary English. The first great fact is that our Mark Down Sale has been in every sense of the word a success. For the last three weeks we have been as busy as nailors distributing bargains. But our stock is a tremendous one, and we are not going to cry HALT for some time yet. Our entire stock must go, and below you will find a revised list of our goods. Read carefully, it will be to your own profit.

CAPS

We have always had the reputation of keeping the very latest in Hats and Caps. All these beautiful new goods go out at the tide of low prices. The Fur Caps are getting a regular knock-out cut, and the cloth ones cannot long remain in the ring.

We will also make quick work with our other lines of Gents' Furnishing. Every article of our splendid stock reduced till we sometimes feel that we are glad the goods cannot speak or cry out against such injustice.
