FATAL FAT

Fat men may be happy individuals, but if they're 90 pounds overweight they are twice as liable to die in the next year as those of normal weight.

Souris Convent Graduation

Another school year was brought to a successful close at St. Mary's Convent, Souris, on Wednesday evening, June 21, when the High School pupils were awarded their promotions and premiums. An appreciative audience of parents and friends filled the Assembly Hall where the graduating class of twenty-two young ladies and six young men received the diplomas and premiums that crowned their final year of High School work. Green draperies and baskets of natural flowers made an appropriate stage setting for the long white gowns and pink carnations worn by the young ladies and the grey flannels, dark coats and white carnation boutonniere of the young men.

Right Reverend J. A. Murphy, Pastor of St. Mary's Church, Souris, presented the graduates' diplomas and voiced the appreciation and thanks of the Reverend Fathers, the Reverend Sisters and the numerous audience for the inspiring address delivered to the graduates by Dr. Frank MacKinnon, Principal of Prince of Wales College. Mr. Melvin McQuaid, secretary of School Trustees, acted as capable chairman for the occasion, presenting the certificates of promotion to Grades IX and X with the many premiums so generously donated by various societies and friends of the school.

His Worship Mayor La Vie and Mr. J. J. MacDonald of the Board of School Trustees expressed the appreciation of the audience for the excellent work accomplished by the school.

Music and song by the High School pupils pleasingly introduced the graduation playlet "Grandmother's Old Patchwork Quilt", so charmingly presented by members of the graduating class assisted by pupils from Grades VIII, IX and X.

The following was the program presented: Duet: "Let Us Go With Pleasure"—Betty Cheverie. Chorus: "The Bells of St. Mary's"
