CIVIC REFORM.—There will be a meeting of citizens who are in favor of civic reform, in the Hall of the Y. M. C. A. on Thursday evening next, the 20th inst., at 8 o'clock, sharp.

TOO BAD.—The Springhill *News* laments the fact that some fiend cheated the town treasury out of about 25 dollars in dog taxes by poisoning off about a dozen valuable dogs a short time ago.

STRANGE INFATUATION.—George Thompson, a well to do farmer, living near Bradford, Ont., has eloped with and married his housekeeper, Charlotte Beatty, a colored woman. Their present whereabouts are unknown.

SPECIAL TRAIN.—The Carnival special left here for Summerside this afternoon, at four o'clock. The Artillery Band and a number of excursionists were on board. A splendid time is expected at the carnival this evening.

DEATH OF A MISER.—Godfrey Peart, formerly of Guysboro, N. S., died at Gloucester, Mass., a few days ago, since in apparent destitution, aged 75 years. A few hours before he died he told his attendants he had money secreted in an old house on the outskirts of the city. It was found, $3,800.

A VALUABLE CARGO.—Halifax advices state that the steamer Ulunda, which sailed from that port for London last week took 16,013 bushels of peas, 23,271 bushels of oats and 5,234 barrels of apples, besides a quantity of other cargo. The apples are valued at $20,936 and the oats and peas at $17,751.

A KINDLY ACT.—On Tuesday, the 11th inst., a large number of persons connected with St. John's Episcopal Church, Crapaud, turned out and hauled forty-four loads of firewood to the rector, Rev. Mr. Daniel. For such tokens of kindness and good will the rev. gentleman feels very thankful.

A VALUABLE PORTRAIT.—The Montreal *Gazette* refers to the portrait recently painted by Mr. Robert Harris, R. C. A., and presented to the Master of the Montreal Hunt, as a "speaking likeness of the genial Mr. John Crawford, M. F. H.," and says that it cost the best part of a thousand dollars, the subscribers including Lord Stanley of Preston, Sir John A. Macdonald, Sir William Rose, Bart., Sir Donald Smith, and others among the most prominent men of Canada.

BURGLARIZED THE JAIL.—An exchange says that two jail-birds, who had just completed a term of imprisonment in St. John's, Newfoundland, penitentiary, burglarized that institution a few days ago. They broke into the kitchen, made a good meal there, and then with the aid of a ladder broke the window of a cell in which one of their friends was confined, and passed into him a flask of whiskey, some tobacco, and sundry eatables. This may well be described as the height of impudence and audacity.

LECTURE AT POWNAL.—According to announcement the first of the course of lectures in aid of the Methodist church, Pownal, Lot 49, was, last evening, delivered by H. C. McDonald, Esq., and was well received and much appreciated. J. J. Gay, Esq., occupied the chair, and Rev. Mr. Steel in moving and Rich. Smith in seconding the vote of thanks highly complimented Mr. McDonald upon his excellent and instructive lecture. The next lecture will be given on Monday evening, the 24th inst., at 7.30 by A. B. Warburton, Esq. Subject: "Some Men and Scenes from Canadian History.

BIG SILVER FIND.—A Winnipeg despatch says that Dr. Campbell, manager of the Revelstoke Smelting works, has received a telegram stating that a very rich vein of silver had been struck in Fish Creek mine, north of Glacier Horse, about twelve miles from the C. P. R. Four new companies with needed capital will begin developing the work on their claims in the spring. American miners are flocking into the Lower Kootenay districts, where they have been attracted by big finds made during the past year and a half.

ST. JOSEPH'S CONVENT.—William Murray, Esq., baker, of this city, has very generously donated to the ladies of St. Joseph's Convent a building lot, in the thriving little village of Alberton, which by lottery in September will be disposed of. Proceeds of the lottery will go towards paying off the debt remaining on the Convent. The tickets will be ready next week. Books containing ten tickets may be had for one dollar, and single tickets for ten cents. The kindness and generosity of Mr. Murray is duly appreciated by the ladies of the Convent, and we trust that all interested in that institution which is doing a splendid work in our midst, will do their best to assist the ladies of the institution in their effort to pay off the debt.

A VALUABLE MARE DEAD.—We regret to learn that a valuable brood mare, owned by Henry A. McLeod, Esq., Dunstaffnage, died last week. About ten days ago Mr. McLeod first noticed that the mare's appetite completely failed, and since that time she would scarcely eat or drink anything. She seemed not to be in pain up to the day of her death, when she showed signs of suffering. None of the local veterinary surgeons called in could locate the disease, neither could Prof. McIntosh, of Montreal, who was also consulted. After her death an examination was made when it was found that the immediate cause of death was enlargement of the heart.

The fact that the mare was heavy in foal to Honest Lincoln makes Mr. McLeod's loss all the greater.
