

CHILDREN HAVING WORMS Require immediate attention. Neglect of the trouble often causes prolonged sickness. Brown's "Vermifuge Comfits" are a simple remedy, and will destroy worms without injury to the child. Sold at 25 cts a box by most dealers in Medicines. CURTIS & BROWN, proprietors. New York. Sold by all Dealers in Medicines, at 25 cts a box. Dec. 6 1m

Perry Davis' Vegetable Pain Killer. As an internal remedy, has no equal. In cases of Cholera, Summer Complaint, Dyspepsia, Dysentery, Asthma, it cures in one night, by taking it internally, and bathing with it freely. It is the best liniment in America. Its action is like magic, when externally applied to bad sores, burns, scalds, and sprains. For the sick headache and toothache, don't fail to try it. In short, it is a Pain Killer.

PERRY DAVIS' PAIN KILLER.—This medicine has become an article of commerce, a thing no medicine ever became before. Pain Killer is as much an item in every bale of goods as it is to country merchants as tea, coffee, or sugar. This speaks volumes in its favor.—GLENS FALLS MESSENGER.

News by Telegraph.

London, Dec. 12. Strict guard placed over steamer *Bolivar*, seized on suspicion of being a Fenian cruiser. No access allowed to those on board. The Captain and Mate did not join. Crew says the vessel was for the Government of Columbia. Fenian troubles in Ireland are increasing. Another Regiment of Artillery soon to proceed there. Gold 137½.

WASHINGTON, Dec. 12. It is understood in semi-official circles that the criminal Surratt will be offered his pardon on condition that he will testify as a faithful witness against all the parties with whom he had communication, either directly or indirectly, with the atrocious plot.

ROME, Dec. 11.—The man who gave information which led to the arrest of Surratt, is a French Canadian, named St. Marie, who was formerly a Union Soldier, and afterwards served in the Papal Zouaves. Both he and Surratt were in love with the same lady in Washington, and St. Marie betrayed Surratt through jealousy. He says Surratt told him that Mr. Lincoln's assassination was a preconcerted plot, that he, Surratt, carried from Jeff. Davis' Cabinet, at Richmond, the principal details of the plot to Washington, and that the assassination was not only in accordance with Jeff. Davis' Cabinet, but done by their directions and orders.

ROME, Dec. 11.—This morning the French troops evacuated the Castle of St. Angelo. The French flag was run down, and the Pontifical colors hoisted. The 29th Regiment left for France.

DRESDEN, Dec. 11.—Saxon officers refuse to serve under Prussia, and have resigned.

LONDON, Dec. 11, evening.—A quantity of arms, intended for the use of the Fenians, and all the fittings of a gunshop, were seized to-day at Cardiff, while on their way to Ireland. The steamer "Boliver" has been seized in the Medway, on suspicion of being a Fenian cruiser. A large quantity of arms and ammunition, and 30 tons of gunpowder, were found on board the steamer.

PARIS, Dec. 11, noon.—The evacuation of Rome, which has been in progress for several days past, will be virtually completed to-day.

LONDON, Dec. 10, evening.—Many delegates from the British North American Provinces, having in view the final settlement of the Confederation Scheme, have arrived. They have formed themselves into a Conference, and selected Mr. McDonald to preside over their deliberations.

PARIS, Dec. 10.—It is again rumored that Mons. Fould, the eminent French Minister, will soon resign. Serious difficulty is apprehended in Rome, after the withdrawal of French troops. It is said preparations are making by the authorities to meet the worst.

TOULON, Dec. 10.—It was supposed that the transports to bring home the French troops from Mexico, would sail from Brest, but they are now getting ready in this harbor. There is great activity here.

ROME, Dec. 10.—Some of the French troops are still here, and will remain until the end of December.

Dec. 10th, a. m. Mexican dates to the sixth instant. Maximilian does not intend to abandon the empire. He has raised much money.

MONTREAL, 14th. The Commander in Chief of the forces reports the impracticability of fortifying the City except at a heavy cost.—Civil war in Japan suspended.—A treaty declared between the hostile forces. Gold 137½.

St. JOHN, Dec. 17th. London, 14th.—Another awful calamity by explosion at Fox, near Hanley; five hundred lives lost. Great storm last night. Wires down west of Portland, eighteen inches snow fell at Calais.

St. JOHN, Dec. 18. Cable news unimportant.—Austria will not yield to demands of Hungarian Diet.—Gold 138½.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

Soothing Syrup,

For Children Teething,
which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourself, and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and can say with confidence and truth of it, which we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used.

Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in children, whether it arises from teething, or from any other cause.

We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by druggists throughout the world.
Principal Office, No. 48 Day Street, New York.
Price, only 35 cents per Bottle.

Administrators' Notice.

ALL Persons indebted to the late JOHN SUTHERLAND, of St. Peter's Bay, deceased, are requested to make immediate payment; and those having legal demands against the said Estate are requested to furnish the same, duly attested, to the undersigned, for settlement, within six months from date.
